(1) The Finance and Administration Cabinet shall serve as the central procurement and contracting agency of the Commonwealth.

(a) The cabinet shall require all agencies to furnish an estimate of specific needs for supplies, materials, and equipment to be purchased by competitive bidding for the purpose of permitting scheduling of purchasing in large volume. The cabinet shall establish and enforce schedules for purchasing supplies, materials, and equipment. In addition, prior to the beginning of each fiscal year all agencies shall submit to the Finance and Administration Cabinet an estimate of all needs for supplies, materials, and equipment during that year which will have to be required through competitive bidding.

(b) The Finance and Administration Cabinet shall have power, with the approval of the secretary of the Finance and Administration Cabinet, to transfer between departments, to salvage, to exchange, and to condemn supplies, equipment, and real property.

(c) The Finance and Administration Cabinet shall attempt in every practicable way to ensure that state agencies are fulfilling their business needs through the application of the best value criteria.

(2) The Finance and Administration Cabinet shall recommend regulations, rules, and procedures and shall have supervision over all purchases by the various spending agencies, except as otherwise provided by law, and, subject to the approval of the secretary of the Finance and Administration Cabinet, shall promulgate administrative regulations to govern purchasing by or for all these agencies. The cabinet shall publish a manual of procedures which shall be incorporated by reference as an administrative regulation pursuant to KRS Chapter 13A. This manual shall be distributed to agencies and shall be revised upon issuance of amendments to these procedures. No purchase or contract shall be binding on the state or any agency thereof unless approved by the Finance and Administration Cabinet or made under general administrative regulations promulgated by the cabinet.

(3) The Finance and Administration Cabinet shall purchase or otherwise acquire, or, with the approval of the secretary, may delegate and control the purchase and acquisition of the combined requirements of all spending agencies of the state, including, but not limited to, interests in real property, contractual services, rentals of all types, supplies, materials, equipment, and services.

(4) The Finance and Administration Cabinet shall sell, trade, or otherwise dispose of any interest in real property of the state which is not needed, or has become unsuitable for public use, or would be more suitable to the public's interest if used in another manner, as determined by the secretary of the Finance and Administration Cabinet. The determination of the secretary of the Finance and Administration Cabinet shall be set forth in an order and shall be reached only after review of a written request by the agency desiring to dispose of the property. This request shall describe the property and state the reasons why the agency believes the property should be disposed. All instruments required by law to be recorded which convey any interest in any real property so disposed of shall be executed and signed by the secretary of the Finance and Administration Cabinet and approved by the Governor. Unless the secretary of the Finance and Administration Cabinet deems it in the best interest of the state to proceed otherwise, all interests in real property shall be sold either by invitation of sealed bids or by public auction. The selling price of any interest in real property shall not be less than the appraised value thereof as determined by the cabinet, or the Transportation Cabinet for the requirements of that cabinet.

(5) The Finance and Administration Cabinet shall sell, trade, or otherwise dispose of all personal property of the state that is not needed, or has become unsuitable for public use, or would be more suitable to the public's interest if used in another manner, or, with the approval of the secretary, may delegate the sale, trade, or other disposal of the personal property. The amount paid for this real property shall not exceed the appraised value as determined by the cabinet or the Transportation Cabinet (for such requirements of that cabinet), or the value set by eminent domain procedure. Subject to the provisions of this code, real property or any interest therein may be purchased, leased, or otherwise acquired from any officer or employee of any agency of the state upon a finding by the Finance and Administration Cabinet, based upon a written application by the head of the agency requesting the purchase, and approved by the secretary of the Finance and Administration Cabinet and the Governor, that the employee has not either himself or herself, or through any other person, influenced or attempted to influence either the agency requesting the acquisition of the property or the Finance and Administration Cabinet in connection with such acquisition. Whenever such an acquisition is consummated, the request and finding shall be recorded and kept by the Secretary of State along with the other documents recorded pursuant to the provisions of KRS Chapter 56.

(10) The Finance and Administration Cabinet shall maintain records of all purchases and sales made under its authority and shall make periodic summary reports of all transactions to the secretary of the Finance and Administration Cabinet, the Governor, and the General Assembly. The Finance and Administration Cabinet shall also report trends in costs and prices, including savings realized through improved practices, to the above authorities. The Finance and Administration Cabinet shall also compile an annual report of state purchases by all spending agencies in the state's statewide accounting and reporting system. The report format shall include, but not be limited to, dollar amount, volume, type of purchase, and vendor.

(11) For capital construction projects, subject to the provisions of this code ***and Section 7 of this Act***, the ***procurement***~~[bidding]~~ may be on whichever of the following ***alternative project delivery*** methods, in the judgment of the secretary of the Finance and Administration Cabinet ***after first considering the traditional design-bid-build project delivery method***, offers the ***best value***~~[lowest real cost]~~ to the taxpayer:

(b) A ***construction management-at-risk basis***~~[package system commonly referred to as "turnkey";~~

All specifications shall be written to promote competition. ***Nothing in this section shall prohibit the procurement of phased bidding or construction manager-agency services.***

(12) The Finance and Administration Cabinet shall have control and supervision over all purchases of energy-consuming equipment, supplies, and related equipment purchased or acquired by any agency of the state as provided in this code, and shall promulgate administrative regulations to designate the manner in which an energy-consuming item will be purchased so as to promote energy conservation and acquisition of energy efficient products. The Finance and Administration Cabinet, in consultation with the Cabinet for Economic Development, shall conduct a thorough economic feasibility analysis on any major energy-using component of at least three million (3,000,000) BTU's per hour heat input and shall issue a certificate of economic feasibility prior to the Finance and Administration Cabinet's purchasing or retrofitting any such component that utilizes any fuel other than coal. The economic feasibility analysis shall consist of life-cycle cost comparisons of a component that would utilize coal and one(s) that would utilize any fuel other than coal. For the analysis, the Finance and Administration Cabinet shall provide detailed estimates of equipment purchase price, installation cost, annual operation and maintenance costs, and usage patterns of energy-using components.

Section 4. KRS 45A.075 is amended to read as follows:

Except as otherwise authorized by law, all state contracts shall be awarded by:

(1) Competitive sealed bidding, pursuant to KRS 45A.080; or

(2) Competitive negotiation, pursuant to KRS 45A.085 and 45A.090 ***or Section 7 of this Act***; or

(3) Noncompetitive negotiation, pursuant to KRS 45A.095; or

(4) Small purchase procedures, pursuant to KRS 45A.100.

Section 5. KRS 45A.085 is amended to read as follows:

(1) When, under administrative regulations promulgated by the secretary ***or under Section 7 of this Act***, the purchasing officer determines in writing that the use of competitive sealed bidding is not practicable, and except as provided in KRS 45A.095 and 45A.100, a contract may be awarded by competitive negotiation.

(2) Adequate public notice of the request for proposals shall be given in the same manner and circumstances as provided in KRS 45A.080(3).

(3) Contracts ***other than contracts for projects utilizing an alternative project delivery method under Section 7 of this Act*** may be competitively negotiated when it is determined in writing by the purchasing officer that the bids received by competitive sealed bidding either are unreasonable as to all or part of the requirements, or were not independently reached in open competition, and for which each competitive bidder has been notified of the intention to negotiate and is given reasonable opportunity to negotiate.

Section 6. KRS 45A.090 is amended to read as follows:

(1) In the event that all bids submitted pursuant to competitive sealed bidding under KRS 45A.080 result in bid prices in excess of the funds available for the purchase, and the chief purchasing officer determines in writing:

(a) That there are no additional funds available from any source so as to permit an award to the responsive and responsible bidder whose bid offers the best value; and

(b) The best interest of the state will not permit the delay attendant to a resolicitation under revised specifications, or for revised quantities, under competitive sealed bidding as provided in KRS 45A.080,

(2) Where there is more than one (1) bidder, competitive negotiations pursuant to KRS 45A.085***(3)*** shall be conducted with the three (3) (two (2) if there are only two (2)) bidders determined in writing to be the most responsive and responsible bidders, based on criteria contained in the bid invitation. A request for proposal may allow for the payment of stipends for the technical proposal phase provided that the amount of the stipends and the terms under which stipends are to be paid are stated in the request for proposal.

SECTION 9. A NEW SECTION OF KRS CHAPTER 45A IS CREATED TO READ AS FOLLOWS:

The entity selected under KRS 45A.810 to draft the preliminary project design or specifications that forms the basis of a request for proposal for a project utilizing the design-build project delivery method shall not be eligible to act as an offeror to the request for proposal for procuring a design-build team for that project.

Then each offeror's respective score for the guaranteed maximum price shall be added. The offeror with the highest point total in the final phase shall receive the contract award unless the guaranteed maximum price proposal is in excess of the authorized budget. If two (2) or more of the offerors achieve the same highest point total at the end of the final phase scoring, the purchasing officer shall request best-and-final proposals from each offeror.

(d) If the guaranteed maximum price of the offeror with the highest point total in the final phase is greater than the amount of funds appropriated for the project, then competitive negotiations may be conducted with the offerors under the following restrictions:

1. If discussion pertaining to the revision of the specifications or quantities are held, the offerors shall be afforded an opportunity to take part in such discussions; and

2. Written revisions of the specifications shall be made available to each of the offerors and shall provide for an expeditious response.

3. Information derived from revised maximum guaranteed price proposals shall not be disclosed to competing offerors.

(2) For architectural, engineering, and engineering-related ***construction*** services procured under ***Section 7 of this Act and*** KRS 45A.825, the secretary of the procuring agency, the procuring officer, and each voting member of the selection committee shall sign separate certificates, devised by the procuring agency, that shall provide the signatory with the option of certifying that, to the best of his knowledge, he is either aware or unaware of circumstances that may constitute a violation of this chapter occurring in the procurement process. Any employee of the Auditor of Public Accounts, who served as a nonvoting member of the selection committee and who attended any committee proceeding, may participate in the preparation of a report for filing with the Government Contract Review Committee certifying that the applicable procedural provisions of subsections (4), (6), (7), and (8) of KRS 45A.825 were or were not met. WHEREAS, as awareness about domestic violence and sexual assault has grown, so has the recognition that these crimes have a major impact in the workplace; and

WHEREAS, domestic violence and sexual assault adversely affect not only the victim and the victim's family but also the victim's employer, managers, and co-workers through the loss of productivity, increased absenteeism, increased health care costs, and employee turnover; and

WHEREAS, the Commonwealth of Kentucky, as an employer, is committed not only to providing a work environment for its employees that is free of violence and intimidation, but also to creating a sensitive and safe environment for those employees who are the victims of domestic violence or sexual assault; and

WHEREAS, the Governor and First Lady have developed a model policy for the executive branch, as set forth in the document "Domestic Violence and Sexual Assault in the Public Workplace: *A Kentucky Model Policy*"; and

WHEREAS, the model policy for the executive branch consists of: (1) zero tolerance toward perpetrators; (2) assistance for victims who need time off for medical appointments, legal assistance, court appearances, relocation, or other arrangements for their personal safety, or who have performance problems as a direct result of the crime against them; and (3) use of prevention and intervention strategies to prevent or minimize the occurrence and devastating effects of these crimes; and

WHEREAS, the Governor, in Executive Order 2001-1084, dated August 24, 2001, established certain principles for program cabinets to follow in implementing the model policy; and

WHEREAS, the Secretary of State, the Attorney General, the State Auditor, the State Treasurer, and the Commissioner of Agriculture have also implemented the policy; and

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Legislative Research Commission is hereby urged to join the executive branch and the statewide constitutional officers in adopting for its employees the following provisions of the Governor's Executive Order 2001-1084 relating to implementation of the Kentucky Model Policy for domestic violence and sexual assault in the public workplace:

"(1) The Commonwealth of Kentucky declares that domestic violence and sexual assault are strictly prohibited and constitute a major violation of state policy. Domestic violence and sexual assault include, but are not limited to harassment or the display of violence or threatening behavior that may result in physical or emotional injury to any state employee while in state offices, facilities, work sites, vehicles, or while conducting state business.

(2) All employees who are victims of domestic or sexual violence should have access to immediate assistance. This assistance shall, at a minimum, include: crisis intervention information provided in a private environment for victims and a workplace safety plan that has as its purpose the reduction of risk to the victim and other employees.

(3) All employees deserve consideration when seeking to protect themselves from abuse. All program agencies should allow adjustment of work schedules and the use of accrued or unpaid leave in order to allow a victimized employee to obtain medical treatment, legal assistance, or make other arrangements to ensure safety.

(4) State employees who commit acts of domestic or sexual violence shall be held accountable for their action. Agencies shall take prompt and appropriate disciplinary action against any employee who: misuses state resources to perpetrate domestic or sexual violence; harasses, threatens, or commits an act of domestic or sexual violence in the workplace or while conducting state business or using state resources; is convicted of a crime of domestic violence or a sex crime while on state business or using state resources, or is adjudicated as having violated a civil order of protection due to an incident of domestic or sexual violence when such action has a direct connection to the individual's duties as a state employee.

(5) Penalizing or disciplining employees solely based on their status as a victim of domestic and sexual violence is inappropriate and will not be tolerated.

(6) Agencies shall post resource information on domestic violence and sexual assault in locations where employees can obtain it without having to request it."

(3) In the absence of malice, fraud, or gross negligence, any insurer and any authorized employee of an insurer shall not be subject to civil liability for libel, slander, or any other relevant tort, and no civil cause of action of any nature shall arise against the insurer or authorized employee, for submission of the information required by subsection (2) of this section, including submission of inaccurate or incomplete information.

Section 2. KRS 186A.040 is amended to read as follows:

(1) The Department of Vehicle Regulation shall provide and receive information on the insurance status of vehicles registered in the Commonwealth of Kentucky ***pursuant to Sections 1 and 4 of this Act***. The department shall provide appropriate insurance information to the Governor's Office for Technology for inclusion in the AVIS database ***to assist in identifying uninsured motor vehicles***.

(2) ***(a)*** Upon notification to the Department of Vehicle Regulation from an insurance company of cancellation or nonrenewal of a policy pursuant to KRS 304.39-085, ***or on and after January 1, 2005, if the vehicle identification number (VIN) of a personal motor vehicle does not appear in the database created by Section 1 of this Act for two (2) consecutive reporting months,*** the department shall immediately make a determination as to the notification of the insured. Notification to the insured shall state that the insured's policy is no longer valid and that the insured shall have thirty (30) days to show proof of insurance to the county clerk. The department shall further inform the insured that if evidence of insurance is not received within thirty (30) days the department shall revoke the registration of the motor vehicle until:

1.[~~(a)~~] The person presents proof of insurance to the county clerk and pays the reinstatement fee required by KRS 186.180;

2.[~~(b)~~] The person presents proof in the form of an affidavit stating, under penalty of perjury as set forth in KRS 523.030, that the failure to maintain motor vehicle insurance on the vehicle specified in the department's notification is the result of the inoperable condition of the motor vehicle;

3.[~~(c)~~] The person presents proof in the form of an affidavit stating, under penalty of perjury as set forth in KRS 523.030, that the failure to maintain motor vehicle insurance on the vehicle specified in the department's notification is the result of the seasonal nature of the vehicle. The affidavit shall explain that when the vehicle is out of dormancy and when the seasonal use of the vehicle is resumed, the proper security will be obtained; or

4.[~~(d)~~] The person presents proof in the form of an affidavit stating, under penalty of perjury as set forth in KRS 523.030, that he or she requires a registered motor vehicle in order to carry out his or her employment and that the motor vehicle that he or she drives during the course of his or her employment meets the security requirement of subtitle 39 of KRS Chapter 304. The person shall also declare in the affidavit that he or she will operate a motor vehicle only in the course of his or her employment. If a person has his or her motor vehicle registration revoked in accordance with this subsection three (3) times within any twelve (12) month period, the revocations shall constitute a violation of KRS 304.39-080. The department shall notify the county attorney to begin prosecution for violation of subtitle 39 of KRS Chapter 304.

(b)[~~(3)~~] The Department of Vehicle Regulation shall be responsible for notification to the appropriate county attorney that a motor vehicle is not properly insured, if the insured does not respond to notification set out by *paragraph (a) of this* subsection[~~ (2) of this section~~]. The notice that the department gives to the county attorney in accordance with *paragraph (a) of this* subsection[~~ (2) of this section~~] shall include a certified copy of the person's driving record which shall include:

1.[~~(a)~~] The notice that the department received from an insurance company that a person's motor vehicle insurance policy has been canceled or has not been renewed; and

2.[~~(b)~~] A dated notice that the department sent to the person requiring the person to present proof of insurance to the county clerk.

Upon notification by the department, a county attorney shall immediately begin prosecution of the person who had his or her motor vehicle registration revoked three (3) times within any twelve (12) month period in accordance with *paragraph (a) of this* subsection[~~ (2) of this section~~].

(c)[~~(4)~~]The certified copies sent by the department described in *paragraph (b) of this* subsection[~~ (3) of this section~~], shall be prima facie evidence of a violation of KRS 304.39-080.

(d)[~~(5)~~] If the insured provides proof of insurance to the clerk within the thirty (30) day notification period, the department shall ensure action is taken to denote a valid insurance policy is in force.

(3) (a) In developing the mechanism to electronically transfer information pursuant to Section 1 of this Act, the commissioner of the Department of Vehicle Regulation shall consult with the commissioner of the Department of Insurance and insurers of personal motor vehicles to adopt a standardized system of organizing, recording, and transferring the information so as to minimize insurer administrative expenses. The commissioner shall to the maximum extent possible utilize nationally recognized electronic data information systems such as those developed by the American National Standards Institute or the American Association of Motor Vehicle Administrators.

(b) Notwithstanding any other provision of law, information obtained by the department pursuant to Section 1 of this Act shall not be subject to the Kentucky Open Records Act, KRS 61.872 to 61.884, and shall not be disclosed, used, sold, accessed, utilized in any manner, or released by the department to any person, corporation, or state and local agency, except in response to a specific, individual request for the information authorized pursuant to the federal Driver's Privacy Protection Act, 18 U.S.C. secs. 2721 et seq. The department shall institute measures to ensure that only authorized persons are permitted to access the information for the purposes specified by this section. Persons who knowingly release or disclose information from the database created by Section 1 of this Act for a purpose other than those described as authorized by this section or to a person not entitled to receive it shall be guilty of a Class A misdemeanor for each release or disclosure.

(2) If AVIS does not list the vehicle identification number of the personal motor vehicle as an insured vehicle, the county clerk may process the application if the applicant has an insurance card that indicates the required security is currently in full force on the personal motor vehicle if the card was issued no more than forty-five (45) days before the application is submitted to the county clerk.

Section 4. KRS 304.39-085 is amended to read as follows:

(1) Every authorized insurance company shall, within one (1) calendar week following the end of its accounting month, send to the Department of Vehicle Regulation a list of all persons insured by it whose policy was terminated by either cancellation or nonrenewal during such accounting month, except those persons whose nonrenewal was at the end of a policy with a term of six (6) months or longer and who failed to make a payment for the renewal of the policy. Such list shall include a description of each vehicle insured under such terminating policy.

(2) It shall be lawful for an authorized insurance company to present the information required by subsection (1) of this section by compatible computer tape approved by the Department of Vehicle Regulation.

Section 5. KRS 304.39-117 is amended to read as follows:

(1) Each insurer issuing an insurance contract which provides security covering a motor vehicle shall provide to the insured, in compliance with administrative regulations promulgated by the department, written proof in the form of an insurance card that the insured has in effect an insurance contract providing security in conformity with this subtitle.

(2) The owner shall keep the card in his motor vehicle as prima facie evidence***, except as provided in subsection (3) of this section,*** that the required security is currently in full force and effect, and shall show the card to a peace officer upon request.

(3) On and after January 1, 2005, as to personal motor vehicles as defined in Section 1 of this Act, the card and the database created by Section 1 of this Act shall be evidence to a peace officer who requests the card if the peace officer has access to the database through AVIS. If AVIS does not list the vehicle identification number of the personal motor vehicle as an insured vehicle, the peace officer may accept an insurance card as evidence that the required security is currently in full force and effect on the personal motor vehicle if the card was issued no more than forty-five (45) days before the date on which the peace officer requests the card.

Section 6. KRS 186.021 is amended to read as follows:

(1) Except as provided in subsection (2) of this section, a county clerk shall not issue a replacement plate, decal, or registration certificate as provided in KRS 186.180, or a registration for renewal to any person who on January 1 of any year owned a motor vehicle on which state, county, city, urban-county government, school, or special taxing district ad valorem taxes are delinquent.

(2) Pursuant to KRS 134.810(4), the owner as defined in KRS 186.010(7)(a) and (c) on January 1 of any year shall be liable for taxes due on a motor vehicle. A person other than the owner of record who applies to a county clerk to transfer the registration of a motor vehicle may pay any delinquent ad valorem taxes due on the motor vehicle to facilitate the county clerk's transferring registration of the motor vehicle. The person applying shall not be required to pay delinquent ad valorem taxes due on any other motor vehicle owned by the owner of record from which he is purchasing his motor vehicle as a condition of registration.

(3) A county clerk shall not issue a replacement plate, decal, or registration certificate as provided in KRS 186.180, or a registration renewal for any motor vehicle that is not insured in compliance with KRS 304.39-080. Each applicant for registration renewal shall present proof of compliance to the county clerk in a manner prescribed in administrative regulations issued by the Department of Insurance. ***On and after January 1, 2005, if the motor vehicle is a personal motor vehicle as defined in Section 1 of this Act, proof of insurance shall be determined by the county clerk as provided in Section 3 of this Act.***

Section 7. KRS 186.180 is amended to read as follows:

(1) (a) If the owner loses his copy of a registration or transfer receipt, he may obtain a duplicate from the county clerk who issued the present owner's copy of the receipt by presenting the clerk proof of insurance on the motor vehicle in compliance with KRS 304.39-080, and by filing an affidavit, upon a form furnished by the cabinet. The owner shall pay to the clerk a fee of three dollars ($3), except proof of insurance shall not be required for duplicates applied for by motor vehicle dealers as defined in KRS 190.010.

(b) When the owner's copy of any registration or transfer receipt shows that the spaces provided thereon for noting and discharging security interests have been exhausted, the owner may apply to the county clerk who issued the receipt in order to obtain a duplicate thereof. The owner shall surrender his copy of the current receipt to the clerk and provide proof of insurance on the motor vehicle in compliance with KRS 304.39-080, before a duplicate may be issued. The owner shall pay the clerk a fee of three dollars ($3), except proof of insurance shall not be required for duplicates applied for by motor vehicle dealers as defined in KRS 190.010.

(c) Any security interest which has been discharged as shown by the records of the clerk or upon the owner's copy of the current receipt shall be omitted from the duplicate receipt to be issued by the clerk.

(2) If the owner loses a registration plate, he shall surrender his registration receipt to the county clerk from whom it was obtained and file a written statement as to the loss of the plate. Upon presenting the clerk proof of insurance on the motor vehicle in compliance with KRS 304.39-080, and upon the payment of the sum of three dollars ($3) for each plate and a fee of three dollars ($3) to the clerk for his services, the owner shall be issued another registration receipt and a plate or plates which shall bear a different number from that of the lost plate. The clerk shall retain the owner's statement and a copy of the owner's proof of insurance, and shall make a notation on the triplicate copy of the surrendered registration receipt stating the number of the registration receipt replacing it. The original copy of the surrendered receipt shall be forwarded to the cabinet. The cabinet shall forthwith cancel the registration corresponding to the number of the lost plate. The cancellation shall be reported by the cabinet to the commissioner of the Department of State Police. Any person finding a lost registration plate shall deliver it to the Transportation Cabinet or to any county clerk for forwarding it to the cabinet.

(3) If the owner moves from one (1) county into another county of the Commonwealth, he may obtain a registration plate bearing the name of the county of residence. In order to obtain a new registration plate, the owner shall surrender his current registration receipt and current registration plate to the county clerk. Upon being provided with proof of insurance on the motor vehicle in compliance with KRS 304.39-080, the clerk shall provide the owner with a new registration receipt and plate bearing the county name. The surrendered receipt and plate shall be forwarded to the Transportation Cabinet.

The fee for this registration shall be five dollars ($5) of which the clerk shall be entitled to three dollars ($3) and the cabinet shall be entitled to two dollars ($2).

(4) If the owner's registration is revoked as a result of the provisions set forth in KRS 186A.040, the owner may have his registration reinstated by the county clerk who issued the present owner's copy of the receipt by presenting the clerk proof of:

(a) Insurance on the motor vehicle in compliance with KRS 304.39-080 and by filing an affidavit upon a form furnished by the cabinet; or

(b) A valid compliance or exemption certificate in compliance with KRS 224.20-720 or issued under the authority of an air pollution control district under KRS 224.20-760.

(5) The owner of a motor vehicle that has the vehicle's registration revoked under KRS 186.290 shall pay to the clerk a fee of twenty dollars ($20), which shall be equally divided between the county clerk and the cabinet.

(6) On and after January 1, 2005, if the motor vehicle is a personal motor vehicle as defined in Section 1 of this Act, proof of insurance required under this section shall be determined by the county clerk as provided in Section 3 of this Act.

Section 8. KRS 186.190 is amended to read as follows:

(2) A person shall not purchase, sell, or trade any motor vehicle without delivering to the county clerk of the county in which the sale or trade is made the title, and a notarized affidavit if required and available under KRS 138.450 attesting to the total and actual consideration paid or to be paid for the motor vehicle. Any unexpired registration shall remain valid upon transfer of the vehicle to the new owner. Except for transactions handled by a motor vehicle dealer licensed pursuant to KRS Chapter 190, the person who is purchasing the vehicle shall present proof of insurance in compliance with KRS 304.39-080 to the county clerk before the clerk transfers the registration on the vehicle. Proof of insurance shall be in the manner prescribed in administrative regulations promulgated by the Department of Insurance pursuant to KRS Chapter 13A. ***On and after January 1, 2005, if the motor vehicle is a personal motor vehicle as defined in Section 1 of this Act, proof of insurance shall be determined by the county clerk as provided in Section 3 of this Act.***

(3) Upon delivery of the title, and a notarized affidavit if required and available under KRS 138.450 attesting to the total and actual consideration paid or to be paid for the motor vehicle to the county clerk of the county in which the sale or trade was made, the seller shall pay to the county clerk a transfer fee of one dollar ($1), which shall be remitted to the Transportation Cabinet. If an affidavit is required, and available, the signatures on the affidavit shall be individually notarized before the county clerk shall issue to the purchaser a transfer of registration bearing the same data and information as contained on the original registration receipt, except the change in name and address. The seller shall pay to the county clerk a fee of three dollars ($3) for his services.

(4) When a county clerk issues to a purchaser a transfer of registration in a county other than the one (1) in which the motor vehicle was originally registered, the clerk shall immediately forward one (1) copy of the transfer of registration to the clerk of the county of original registration.

(5) If the owner junks or otherwise renders a motor vehicle unfit for future use, he shall deliver the registration plate and registration receipt to the county clerk of the county in which the motor vehicle is junked. The county clerk shall return the plate and motor vehicle registration receipt to the Transportation Cabinet. The owner shall pay to the county clerk one dollar ($1) for his services.

(7) The motor vehicle registration receipt issued by the clerk under this section shall contain information required by the Department of Vehicle Regulation.

Section 9. KRS 186A.100 is amended to read as follows:

(1) A motor vehicle dealer licensed under KRS 186.070 who sells a vehicle for use upon the highways of this state shall, unless the vehicle is bearing a license plate issued therefor in the name of the purchaser at the time it is delivered to the purchaser, equip the vehicle with a temporary tag executed in the manner prescribed below, which shall be valid for thirty (30) days from the date the vehicle is delivered to the purchaser. The cost of the tag shall be two dollars ($2), of which the clerk shall retain one dollar ($1). A motor vehicle dealer licensed under KRS 186.070 shall apply to the county clerk of the county in which the dealer maintains his principal place of business for issuance of temporary tags. Application shall be made for such tags on forms supplied to the county clerk by the Transportation Cabinet.

(2) The county clerk of any county who receives a proper application for issuance of temporary tags shall record the number of each tag issued upon the application of the dealer for such tags, or if a group of consecutively numbered temporary tags are issued to a dealer in connection with a single application, record the beginning and ending numbers of the group on the application.

(3) The clerk shall retain, for a period of two (2) years, one (1) copy of the dealer's temporary tag application, and ensure that it reflects the numbers appearing on the tags issued with respect to such application.

(4) If the owner of a motor vehicle submits to the county clerk a properly completed application for Kentucky certificate of title and registration pursuant to KRS 186A.120, any motor vehicle required to be registered and titled in Kentucky, that is not currently registered and titled in Kentucky, may be equipped with a temporary tag, which shall be valid for thirty (30) days from the date of issuance, issued by the county clerk for the purpose of operating the vehicle in Kentucky while assembling the necessary documents in order to title and register the vehicle in Kentucky. The Transportation Cabinet may establish administrative regulations governing this section.

(5) The county clerk may issue a temporary tag to the owner of a motor vehicle that is currently registered and titled in Kentucky. A temporary tag authorized by this subsection shall be used for emergency or unusual purposes as determined by the clerk for the purpose of maintaining the owner's current registration. A temporary tag authorized by this subsection may only be issued by the county clerk and shall be valid for a period of between twenty-four (24) hours and seven (7) days, as determined is necessary by the clerk. A county clerk shall not issue a temporary tag authorized by this subsection unless the owner of the motor vehicle applying for the tag presents proof of motor vehicle insurance pursuant to KRS 304.39-080. ***On and after January 1, 2005, if the motor vehicle is a personal motor vehicle as defined in Section 1 of this Act, proof of insurance shall be determined by the county clerk as provided in Section 3 of this Act.*** A temporary tag issued pursuant to this subsection shall not be reissued by the county clerk for the same owner and same motor vehicle within one (1) year of issuance of a temporary tag.

HB 225, AN ACT relating to annuities.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.15-315 is amended to read as follows:

(1) This section shall be known as the "Standard Nonforfeiture Law for Individual Deferred Annuities."

(2) This section shall not apply to any reinsurance group annuity purchased under a retirement plan or plan of deferred compensation established or maintained by an employer (including a partnership or sole proprietorship) or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under Section 408 of the Internal Revenue Code, as now or hereafter amended, premium deposit fund, variable annuity, investment annuity, immediate annuity, any deferred annuity contract after annuity payments have commenced, or reversionary annuity, nor to any contract which shall be delivered outside this state through an agent or other representative of the insurer issuing the contract.

(3) In the case of contracts issued on or after the operative date of this section as defined in subsection (12) of this section, no contract of annuity, except as stated in subsection (2) of this section, shall be delivered or issued for delivery in this state unless it contains in substance the following provisions, or corresponding provisions which in the opinion of the commissioner are at least as favorable to the contract holder, upon cessation of payment of considerations under the contract.

(a) That upon cessation of payment of considerations under a contract, the insurer will grant a paid-up annuity benefit on a plan stipulated in the contract of such value as is specified in subsections (5), (6), (7), (8) and (10) of this section.

(b) If a contract provides for a lump sum settlement at maturity, or at any other time, that upon surrender of the contract at or prior to the commencement of any annuity payments, the insurer will pay in lieu of any paid-up annuity benefit a cash surrender benefit of such amount as is specified in subsections (5), (6), (8) and (10) of this section. The insurer shall reserve the right to defer the payment of such cash surrender benefit for a period of six (6) months after demand therefor with surrender of the contract.

(c) A statement of the mortality table, if any, and interest rates used in calculating any minimum paid-up annuity, cash surrender or death benefits that are guaranteed under the contract, together with sufficient information to determine the amounts of such benefits.

(d) A statement that any paid-up annuity, cash surrender or death benefits that may be available under the contract are not less than the minimum benefits required by any statute of the state in which the contract is delivered and an explanation of the manner in which such benefits are altered by the existence of any additional amounts credited by the insurer to the contract, any indebtedness to the insurer on the contract or any prior withdrawals from or partial surrenders of the contract.

Notwithstanding the requirements of this subsection, any deferred annuity contract may provide that if no considerations have been received under a contract for a period of two (2) full years and the portion of the paid-up annuity benefit at maturity on the plan stipulated in the contract arising from considerations paid prior to such period would be less than twenty dollars ($20) monthly, the insurer may at its option terminate such contract by payment in cash of the then present value of such portion of the paid-up annuity benefit, calculated on the basis of the mortality table, if any, and interest rate specified in the contract for determining the paid-up annuity benefit, and by such payment shall be relieved of any further obligation under such contract.

(4) The minimum values as specified in subsections (5), (6), (7), (8) and (10) of this section of any paid-up annuity, cash surrender or death benefits available under an annuity contract shall be based upon minimum nonforfeiture amounts as

defined in this section.

(a) With respect to contracts providing for flexible considerations, the minimum nonforfeiture amount at any time at or prior to the commencement of any annuity payments shall be equal to an accumulation up to such time at a rate of interest of three percent (3%) per annum of percentages of the net considerations (as hereinafter defined) paid prior to such time, decreased by the sum of

1. Any prior withdrawals from or partial surrenders of the contract accumulated at a rate of interest of three percent (3%) per annum; and
2. The amount of any indebtedness to the insurer on the contract, including interest due and accrued;

and increased by any existing additional amounts credited by the insurer to the contract. The net considerations for a given contract year used to define the minimum nonforfeiture amount shall be an amount not less than zero and shall be equal to the corresponding gross consideration credited to the contract during that contract year less an annual contract charge of thirty dollars ($30) and less a collection charge of one dollar and twenty-five cents ($1.25) per consideration credited to the contract during that contract year. The percentages of net considerations shall be sixty-five percent (65%) of the net consideration for the first contract year and eighty-seven and one-half percent (87.5%) of the net considerations for the second and later contract years. Notwithstanding the provisions of the preceding sentence, the percentage shall be sixty-five percent (65%) of the portion of the total net consideration for any renewal contract year which exceeds by not more than two (2) times the sum of those portions of the net considerations in all prior contract years for which the percentage was sixty-five percent (65%).

(b) ***Notwithstanding any other provision of this subsection, for any contract issued on or after July 1, 2003, and before July 1, 2005, the interest rate at which net considerations, prior withdrawals, and partial surrenders shall be accumulated for the purpose of determining nonforfeiture amounts shall be no less than one and one-half percent (1.5%) per annum.***

(c) With respect to contracts providing for fixed scheduled considerations, minimum nonforfeiture amounts shall be calculated on the assumption that considerations are paid annually in advance and shall be defined as for contracts with flexible considerations which are paid annually with two (2) exceptions:

1. The portion of the net consideration for the first contract year to be accumulated shall be the sum of sixty-five percent (65%) of the net consideration for the first contract year plus twenty-two and one-half percent (22.5%) of the excess of the net consideration for the first contract year over the lesser of the net considerations for the second and third contract years.
2. The annual contract charge shall be the lesser of,
    a. Thirty dollars ($30), or
    b. Ten percent (10%) of the gross annual consideration.

(d)[~~(c)~~] With respect to contracts providing for a single consideration, minimum nonforfeiture amounts shall be defined as for contracts with flexible considerations except that the percentage of net consideration used to determine the minimum nonforfeiture amount shall be equal to ninety percent (90%) and the net consideration shall be the gross consideration less a contract charge of seventy-five dollars ($75).

(5) Any paid-up annuity benefit available under a contract shall be such that its present value on the date annuity payments are to commence is at least equal to the minimum nonforfeiture amount on that date. Such present value shall be computed using the mortality table, if any, and the interest rate specified in the contract for determining the minimum paid-up annuity benefits guaranteed in the contract.

(6) For contracts which provide cash surrender benefits, such cash surrender benefits available prior to maturity shall not be less than the present value as of the date of surrender of that portion of the maturity value of the paid-up annuity benefit which would be provided under the contract at maturity arising from considerations paid prior to the time of cash surrender reduced by the amount appropriate to reflect any prior withdrawals from or partial surrenders of the contract, such present value being calculated on the basis of an interest rate not more than one percent (1%) higher than the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, decreased by the amount of any indebtedness to the insurer on the contract, including interest due and accrued, and increased by any existing additional amounts credited by the insurer to the contract. In no event shall any cash surrender benefit be less than the minimum nonforfeiture amount at that time. The death benefit under such contracts shall be at least equal to the cash surrender benefit.

(7) For contracts which do not provide cash surrender benefits, the present value of any paid-up annuity benefit available as a nonforfeiture option at any time prior to maturity shall not be less than the present value of that portion of the maturity value of the paid-up annuity benefit provided under the contract arising from considerations paid prior to the time the contract is surrendered in exchange for, or changed to, a deferred paid-up annuity, such present value being calculated for the period prior to the maturity date on the basis of the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, and increased by any existing additional amounts credited by the insurer to the contract. For contracts which do not provide any death benefits prior to the commencement of any annuity payments, such present values shall be calculated on the basis of such interest rate and the mortality table specified in the

contract for determining the maturity value of the paid-up annuity benefit. However, in no event shall the present value of a paid-up annuity benefit be less than the minimum nonforfeiture amount at that time.

(8) For the purpose of determining the benefits calculated under subsections (6) and (7) of this section, in the case of annuity contracts under which an election may be made to have annuity payments commence at optional maturity dates, the maturity date shall be deemed to be the latest date for which election shall be permitted by the contract, but shall not be deemed to be later than the anniversary of the contract next following the annuitant's seventieth birthday or the tenth anniversary of the contract, whichever is later.

(9) Any contract which does not provide cash surrender benefits or does not provide death benefits at least equal to the minimum nonforfeiture amount prior to the commencement of any annuity payments shall include a statement in a prominent place in the contract that such benefits are not provided.

(10) Any paid-up annuity, cash surrender or death benefits available at any time, other than on the contract anniversary under any contract with fixed scheduled considerations, shall be calculated with allowance for the lapse of time and the payment of any scheduled considerations beyond the beginning of the contract year in which cessation of payment of considerations under the contract occurs.

(11) For any contract which provides, within the same contract by rider or supplemental contract provision, both annuity benefits and life insurance benefits that are in excess of the greater of cash surrender benefits or a return of the gross considerations with interest, the minimum nonforfeiture benefits shall be equal to the sum of the minimum nonforfeiture benefits for the annuity portion and the minimum nonforfeiture benefits, if any, for the life insurance portion computed as if each portion were a separate contract. Notwithstanding the provisions of subsections (5), (6), (7), (8), and (10) of this section, additional benefits payable

(a) In the event of total and permanent disability,

(b) As reversionary annuity or deferred reversionary annuity benefits, or

(c) As other policy benefits additional to life insurance, endowment and annuity benefits, and considerations for all such additional benefits,

shall be disregarded in ascertaining the minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits that may be required by this section. The inclusion of such additional benefits shall not be required in any paid-up benefits, unless such additional benefits separately would require minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits.

(12) After June 17, 1978, any insurer may file with the commissioner a written notice of its election to comply with the provisions of this section after a specified date before June 17, 1980. After the filing of such notice, then upon such specified date, this section shall become operative with respect to annuity contracts thereafter issued by such insurer. If an insurer makes no such election, the operative date of this section for such insurer shall be June 17, 1980.

Any person, other than a party to the transaction, who conducts the settlement conference and receives or handles money shall be deemed a "settlement agent" subject to the applicable requirements of Sections 6 to 15 of this Act.

(9) "Settlement statement" means the statement of receipts and disbursements for a transaction related to real estate,

including but not limited to a statement prescribed under the Real Estate Settlement Procedures Act of 1974 (RESPA), 12 U.S.C. Sec. 2601 et seq., as amended, and the regulations thereunder.

SECTION 7. A NEW SECTION OF KRS CHAPTER 382 IS CREATED TO READ AS FOLLOWS:

Sections 6 to 15 of this Act shall apply only to transactions involving the cash purchase of or lending on the security of real estate located in this Commonwealth consisting of one (1) to four (4) residential dwelling units.

SECTION 8. A NEW SECTION OF KRS CHAPTER 382 IS CREATED TO READ AS FOLLOWS:

(1) A person shall not act in the capacity of a settlement agent, and a lender, seller, purchaser, or borrower may not contract with any person to act in the capacity of a settlement agent with respect to real estate settlements in this Commonwealth unless the person is licensed as an attorney in Kentucky, the person is licensed as a title insurance agent under KRS Chapter 304, the person is licensed as a real estate broker under KRS Chapter 324, or the person is a financial institution authorized to do business in this Commonwealth under any of the provisions of KRS Chapters 287 and 290, or under federal law, or is a subsidiary or affiliate of such financial institution. A title insurance agent not acting in the capacity of a settlement agent shall not be subject to the provisions of Sections 6 to 15 of this Act.

(4) All settlement statements for transactions related to real estate governed by Sections 6 to 15 of this Act shall be in writing and shall identify, by name and business address, the settlement agent.

SECTION 9. A NEW SECTION OF KRS CHAPTER 382 IS CREATED TO READ AS FOLLOWS:

All contracts, including new construction purchase contracts, involving the purchase of real estate consisting of one (1) to four (4) residential dwelling units shall include in bold face, ten-point type the following language:

"*Role of Settlement Agent: You are encouraged to use the services of a settlement agent registered under Section 13 of this Act in the closing of your transaction. The settlement agent's role in closing your transaction involves the coordination of numerous administrative and clerical functions relating to the collection of documents and the collection and disbursement of funds required to carry out the terms of the contract between the parties. If part of the purchase price is financed, your lender will instruct the settlement agent as to the signing and recording of loan documents and the disbursement of loan proceeds. No settlement agent can provide legal advice to any party to the transaction except a settlement agent who is engaged in the private practice of law in Kentucky and who has been retained or engaged by a party to the transaction for the purpose of providing legal services to that party.*

Escrow, closing and settlement service guidelines: If a Supreme Court Rule defines what is the unauthorized practice of law in connection with furnishing escrow, settlement, or closing services and such rule has been set forth in a pamphlet issued by the Kentucky Bar Association, as a party to a real estate transaction you are entitled to receive a copy of the pamphlet from your settlement agent, upon request, in accordance with the provisions of Section 6 to 15 of this Act.

Title Insurance: A title insurance policy is not the same as a homeowner's insurance policy. If you are financing the purchase of real estate, your lender may require you to purchase a "lender's title insurance policy," which will protect the lender up to the amount of your loan. You should understand that this form of title insurance does not protect your interests in the real estate you are purchasing. You are encouraged to seek advice from a title insurance agent for an explanation of the benefits of title insurance regardless of whether you are financing or paying cash for the purchase of your real estate. In either instance an "owner's title insurance policy" which will protect your interests is recommended, but is not required."

SECTION 10. A NEW SECTION OF KRS CHAPTER 382 IS CREATED TO READ AS FOLLOWS:

(1) All funds deposited with the settlement agent in connection with an escrow, settlement, closing, or earnest money deposit shall be submitted for collection to or deposited in a separate fiduciary trust account or accounts in a qualified financial institution no later than the close of the next business day, in accordance with the following requirements:

(a) The funds shall be the property of the person or persons entitled to them under the provisions of the escrow, settlement, earnest money deposit, or closing agreement and shall be segregated for each depository by escrow, settlement, earnest money deposit, or closing in the records of the settlement agent in a manner that permits the funds to be identified on an individual basis; and

(2) Funds held in a post-closing escrow account shall be disbursed only pursuant to a written instruction or agreement specifying how and to whom such funds may be disbursed.

(3) Any interest received on funds deposited in connection with any escrow, settlement, earnest money deposit, or closing shall be paid, net of administrative costs, to the depositing party, unless the instructions for the funds or a governing

(4) Disbursements may be made out of an escrow, settlement, or closing account only if deposits directly relating to the transaction disbursed against, in amounts at least equal to the disbursement, have first been made.

SECTION 14. A NEW SECTION OF KRS CHAPTER 382 IS CREATED TO READ AS FOLLOWS:

(1) If the commissioner receives complaints or knows or has reasonable cause to believe that a settlement agent licensed by a licensing authority has willfully violated any provision of Sections 6 to 15 of this Act, or any administrative regulation promulgated under Sections 6 to 15 of this Act, the commissioner shall refer complaints and other relevant information in writing to the appropriate licensing authority which shall immediately review the matter and take appropriate action allowed the licensing authority under this section or under any other law or regulation.

(2) If, after notice and the opportunity to be heard in compliance with KRS Chapter 13B, a licensing authority determines that a settlement agent licensed by the licensing authority has willfully violated any provision of Sections 6 to 15 of this Act, or any administrative regulation promulgated under Sections 6 to 15 of this Act, the licensing authority may order one (1) or more of the following:

(b) Revocation or suspension of the applicable licenses; and

(c) Restitution to a party to the real estate transaction to be made by the person violating any provision of Sections 6 to 15 of this Act in the amount of any actual, direct financial loss.

Notwithstanding any provision contained in this section to the contrary, as to that portion of any complaint by a party to the real estate transaction arising under Sections 6 to 15 of this Act or any administrative regulation promulgated under Sections 6 to 15 of this Act relating to the unauthorized practice of law, the Kentucky Bar Association, after complying with applicable law and regulations relating to unauthorized practice of law complaints and concluding that the activity was not authorized by statute or administrative regulation, may refer that portion of the complaint to the Attorney General of Kentucky or a Commonwealth's Attorney who shall have the power, in addition to any other powers conferred on him by law, to seek the issuance of a temporary or permanent injunction or restraining order against any person violating any provision of Sections 6 to 15 of this Act or any administrative regulation promulgated under Sections 6 to 15 of this Act.

Nor does such fact directly or indirectly imply approval of the registrant by the commissioner or the Commonwealth of Kentucky. It is unlawful to make or cause to be made to any prospective customer or client any representation inconsistent with this subsection.

(3) Any person who willfully transacts business in this state in violation of subsection (1) of this section shall have no right to collect, receive, or retain any interest or charges whatsoever on a loan contract, but the unpaid principal of the loan shall be paid in full.

(2) A license under this chapter shall expire June 30 next after the date of issuance if it is not renewed.

(3) A license may be renewed by paying the annual fee for renewing a license which is three hundred fifty dollars ($350) for the main office and two hundred fifty dollars ($250) for each branch office in Kentucky, and submitting an annual report of activity as prescribed by the commissioner, and any other information required by the commissioner.

(4) The information and payment shall be received by the commissioner on or before June 20 prior to the June 30 expiration date. SECTION 6. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

(1) Beginning July 1, 2004, and annually thereafter, no mortgage loan broker and no loan officer shall originate mortgage loans in Kentucky unless such mortgage loan broker or loan officer is registered with the department and has been issued a certificate of registration by the department. The department shall maintain a registry of all mortgage loan brokers and loan officers originating mortgage loans in Kentucky. The department shall issue a certificate of registration to all registered mortgage loan brokers and loan officers.

(2) The registration shall:

(a) Be on a form prescribed by the commissioner;

(b) Be accompanied by a registration fee in the amount of fifty dollars ($50) which shall be used solely by the department to establish and maintain the registry system required by this section and any excess funds shall be retained by the department and shall not lapse to the general fund;

(c) In the case of initial registrations of loan officers, be accompanied by satisfactory evidence that the applicant has successfully completed twelve (12) classroom hours of education courses related directly to the mortgage loan process or brokerage business, as approved by the commissioner. This paragraph shall not apply to renewals of existing certificates of registration; and

(d) Beginning July 1, 2005, in the case of renewals of certificate of registrations by registered mortgage loan brokers and registered loan officers, be accompanied by satisfactory evidence that the individual has successfully met the continuing education requirements of Section 7 of this Act and by a renewal fee in the amount of fifty dollars ($50). The renewal fee shall be used solely by the department to establish and maintain the registry system required by this section and any excess funds shall be retained by the department and shall not lapse to the general fund.

(3) All mortgage loan brokers and loan officers subject to the registration requirements of this section shall also be subject to KRS 294.090(1), (3), (6), (7), (8), (10), (11), and (12), 294.220(1) and (2), and 294.990.

SECTION 7. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

(1) Beginning July 1, 2004, all registered mortgage loan brokers and registered loan officers shall complete at least twelve (12) hours of continuing professional education, a minimum of six (6) of which must be classroom hours, by June 30, 2005, and annually thereafter.

(2) Up to twelve (12) hours of continuing professional education may be carried forward from one (1) continuing education year to the next continuing education year. The continuing education year shall begin on July 1 and end on June 30 of the following year.

(3) Fifty (50) minutes of classroom contact shall equal one (1) hour of continuing professional education. Each continuing professional education course, other than classroom hours, shall equal the number of hours approved and designated by the Department of Financial Institutions for that course. Course sponsors shall maintain records of attendees for two (2) years after completion of the course.

(4) Every registered mortgage loan broker and every registered loan officer subject to this section shall furnish to the commissioner written certification as to each continuing professional education course satisfactorily completed. The certification shall be signed by the teacher or sponsoring organization of the course showing the number of hours of the course and the number of hours attended. The certification shall be on a form prescribed by the commissioner.

(5) Only courses approved by the department shall qualify to satisfy the continuing professional education requirement of this section.

(6) An individual teaching any approved continuing professional education course shall qualify for the same number of hours of continuing professional education as would be granted to a mortgage loan broker or loan officer taking and satisfactorily completing the course.

(7) For good cause shown, the commissioner may grant an extension during which the continuing education requirement of this section may be completed, but the extension may not exceed one (1) year. What constitutes good cause for the extension of time rests within the discretion of the commissioner.

(8) The certificate of registration of any mortgage loan broker and any loan officer failing to comply with the continuing professional education requirements of this section and who has not been granted an extension of time to comply in accordance with subsection (7) of this section shall terminate and shall be promptly surrendered to the commissioner without demand. The mortgage loan broker or loan officer shall not originate any mortgage loans while not registered. The commissioner may reinstate the certificate of registration if the mortgage loan broker or loan officer submits proof of compliance with the professional education requirements and pays a reinstatement fee in the amount of two hundred and fifty dollars ($250).

SECTION 8. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

(1) The commissioner may, after notice and an opportunity to be heard, deny, suspend, or revoke the registration or license of a mortgage loan company, mortgage loan broker, or a loan officer, if the commissioner finds that the mortgage loan company, mortgage loan broker, or loan officer:

(a) Does not meet or has failed to comply with the provisions of Section 6 or 7 of this Act;

(b) Has been found guilty of fraud in connection with any transaction governed by this chapter, or is the subject of an administrative cease and desist order or similar order, or a permanent or temporary injunction of any court of competent jurisdiction entered under any other federal or state act applicable to the registrant. The commissioner may not institute a proceeding under this subsection more than one (1) year from the date of the order or injunction relied on, and he may not enter an order under this subsection on the basis of an injunction entered under any other state act unless that order or injunction was based on facts which would currently constitute grounds for an order under this section;

(c) Has made any misrepresentations or false statements to, or concealed any essential or material fact from, any person in the course of acting as a mortgage loan broker or loan officer, or has engaged in a course of business which has worked or tended to work a fraud upon any person or would so operate;

(d) Has been convicted of or pled guilty to any felony crime;

(e) Has failed to comply with the requirements of this chapter and the administrative regulations of the commissioner promulgated thereunder;

(f) Has knowingly or recklessly hired a person who has had a license or registration denied, revoked, or suspended under this section; or

(g) Has knowingly made or caused to be made to the commissioner any false representation of material fact or has suppressed or withheld from the commissioner any information which the mortgage loan broker or loan officer possesses, and which if submitted by the mortgage loan broker or the loan officer would have rendered the mortgage loan broker or loan officer ineligible to be registered or licensed under this chapter.

(2) Persons whose registration or license has been denied, suspended, or revoked under this section are prohibited from participating in any business activity of a registrant or licensee under this chapter and from engaging in any business activity on the premises where a licensee or registrant under this chapter is conducting its business.

(3) Whenever the commissioner revokes or suspends a license or registration issued pursuant to this chapter, the commissioner shall execute a written order to that effect. The commissioner shall serve the written order upon the licensee or registrant, which order shall be sent by registered mail, return receipt requested, postage prepaid, to the principal business address of such licensee or registrant, as set forth in the records of the commissioner, and shall be deemed to have been received three (3) business days following mailing thereof.

(4) Any person who continues to participate in any business activity covered by this chapter after such person's registration or license has been revoked, suspended, or denied shall be subject to the penalties of KRS 294.990 and shall be considered to be in violation of KRS 367.170.

(5) The provisions of this section shall be in addition to any other penalties or remedies available, including the penalties of KRS 294.990.

SECTION 9. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

A mortgage loan broker may act as agent for the person or persons, if an individual or individuals, attempting to obtain a mortgage loan. The mortgage loan broker shall clearly and conspicuously disclose to the person or persons attempting to obtain a mortgage loan whether the mortgage loan broker is acting as an agent for that person or persons, in a separate writing, and provide such disclosure to the person or persons attempting to obtain the mortgage loan before any personal financial information may be obtained by the mortgage loan broker. If a mortgage loan broker is obtaining personal information from the person or persons obtaining the mortgage loan over the telephone, the mortgage loan broker shall give the disclosure verbally at that time and mail the written disclosure within two (2) business days.

SECTION 12. A NEW SECTION OF KRS CHAPTER 360 IS CREATED TO READ AS FOLLOWS:

(1) The following definitions apply for the purposes of this section:

(a) "High-cost home loan" means a loan other than an open-end credit plan or a reverse mortgage transaction in which:

1. The principal amount of the loan is greater than fifteen thousand dollars ($15,000) and does not exceed two hundred thousand dollars ($200,000);

2. The borrower is a natural person;

3. The debt is incurred by the borrower primarily for personal, family, or household purposes;

4. The loan is secured by a mortgage on residential real property or secured by collateral which has a mortgage lien interest in residential real property, which is or will be occupied by the borrower as the borrower's principal dwelling; and

5. Without regard to whether the loan transaction is or may be a "residential mortgage transaction" as defined in 12 CFR 226.2(a)(24), as amended from time to time, the annual percentage rate of the loan at the time the loan is consummated is such that the loan is considered a "mortgage" under section 152 of the Home Ownership and Equity Protection Act of 1994, Pub. Law 103-325, 15 U.S.C. § 1602(aa), as the same may be amended from time to time, and regulations adopted pursuant thereto by the Federal Reserve Board, including 12 CFR 226.32, as the same may be amended from time to time.

(b) "Lender" means any person who funds or negotiates the terms of a high-cost home loan or acts as a mortgage broker or lender, finance company, or retail installment seller with respect to a high-cost home loan. However, any person who purchases or is otherwise assigned a high-cost home loan shall be subject to an action for violation of this section only if the violation for which the action or proceeding is brought is apparent on the face of the disclosure or the underlying promissory note.

(2) A high-cost home loan shall be subject to the following limitations:

(a) A high-cost home loan may not contain a provision which permits the lender to charge or collect prepayment fees or penalties more than thirty-six (36) months after the loan closing or which exceed three percent (3%) of the amount prepaid during the first twelve (12) months, two percent (2%) of the amount prepaid during the second twelve (12) months, or one percent (1%) of the amount prepaid during the third twelve (12) months.

(b) A high-cost home loan may not contain a provision which permits the lender, in its sole discretion, to accelerate the indebtedness. This provision does not apply when repayment of the loan has been accelerated by default, pursuant to a due-on-sale provision, or pursuant to some other provision of the loan documents unrelated to the payment schedule.

(c) A high-cost home loan may not contain a scheduled payment that is more than twice as large as the average of earlier scheduled payments. This provision does not apply when the payment schedule is adjusted to the seasonal or irregular income of the borrower.

(d) A high-cost home loan may not contain a payment schedule with regular periodic payments that cause the principal balance to increase.

(e) A high-cost home loan may not contain a provision which increases the interest rate after default. This provision does not apply to interest rate changes in a variable rate loan otherwise consistent with the provisions of the loan documents, provided the change in the interest rate is not triggered by the event of default or the acceleration of the indebtedness.

(f) A high-cost home loan may not include terms under which more than two (2) periodic payments required under the loan are consolidated and paid in advance from the loan proceeds provided to the borrower.

(g) A lender may not charge a borrower any fees to modify, renew, extend, or amend a high-cost home loan or to defer any payment due under the terms of a high-cost home loan, unless the fees are less than one-half (1/2) of any fees that would be charged for a refinance or unless the borrower is in default and it is in the borrower's best interest.

(h) A lender may not make a high-cost home loan unless the borrower has been provided the following notice or a substantially similar notice, in writing, not later than the time that notice provided by 12 CFR 226.31(c), as amended from time to time, is required:

NOTICE TO BORROWER

IF YOU OBTAIN THIS LOAN, THE LENDER WILL HAVE A MORTGAGE ON YOUR HOME. YOU COULD LOSE YOUR HOME AND ANY MONEY YOU PUT INTO IT IF YOU DO NOT MEET YOUR OBLIGATIONS UNDER THE LOAN.

MORTGAGE LOAN RATES AND CLOSING COSTS AND FEES VARY BASED ON MANY FACTORS, INCLUDING YOUR PARTICULAR CREDIT AND FINANCIAL CIRCUMSTANCES, YOUR EMPLOYMENT HISTORY, THE LOAN-TO-VALUE REQUESTED AND THE TYPE OF PROPERTY THAT WILL SECURE YOUR LOAN. THE LOAN RATE AND FEES COULD ALSO VARY BASED ON WHICH LENDER OR BROKER YOU SELECT. YOU SHOULD SHOP AROUND AND COMPARE LOAN RATES AND FEES.

YOU SHOULD ALSO CONSIDER CONSULTING A QUALIFIED INDEPENDENT CREDIT COUNSELOR OR OTHER EXPERIENCED FINANCIAL ADVISOR REGARDING THE RATE, FEES AND PROVISIONS OF THIS MORTGAGE LOAN BEFORE YOU PROCEED. YOU SHOULD CONTACT THE UNITED STATES DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR A LIST OF CREDIT COUNSELORS AVAILABLE IN YOUR AREA.

YOU ARE NOT REQUIRED TO COMPLETE THIS LOAN AGREEMENT MERELY BECAUSE YOU HAVE

RECEIVED THESE DISCLOSURES OR HAVE SIGNED A LOAN APPLICATION.

REMEMBER, PROPERTY TAXES AND HOMEOWNER'S INSURANCE ARE YOUR RESPONSIBILITY. NOT ALL LENDERS PROVIDE ESCROW SERVICES FOR THESE PAYMENTS. YOU SHOULD ASK YOUR LENDER ABOUT THESE SERVICES.

ALSO, YOUR PAYMENTS ON EXISTING DEBTS CONTRIBUTE TO YOUR CREDIT RATINGS. YOU SHOULD NOT ACCEPT ANY ADVICE TO IGNORE YOUR REGULAR PAYMENTS TO YOUR EXISTING CREDITORS.

(i) A lender shall not make a high-cost home loan unless the lender has made available to the borrower a videotape or other similar audio-video media format such as DVD or CD, approved by the Department of Financial Institutions, which explains the borrower's rights and responsibilities with regard to this section or high-cost home loans. A lender shall have available for viewing at least one (1) copy of the video in the principal office and each branch office of the lender.

(j) A lender may not make a high-cost home loan unless the lender reasonably believes at the time the loan is consummated that one (1) or more of the borrowers, when considered individually or collectively, will be able to make the scheduled payments to repay the loan based upon a consideration of their current and expected income, current obligations, current employment status, and other financial resources, other than the borrower's equity in the dwelling which secures repayment of the loan. A borrower shall be presumed to be able to make the scheduled payments to repay the loan if, at the time the loan is consummated, the borrower's total monthly debts, including amounts owed under the loan, do not exceed fifty percent (50%) of the borrower's monthly gross income as verified by the credit application, the borrower's financial statement, a credit report, financial information provided to the lender by or on behalf of the borrower, or any other reasonable means. No presumption of inability to make the scheduled payments to repay the obligation shall arise solely from the fact that, at the time the loan is consummated, the borrower's total monthly debts, including amounts owed under the loan, exceed fifty percent (50%) of the borrower's monthly gross income.

(k) If the proceeds of the high-cost home loan are used to refinance an existing high-cost home loan held by the same lender as noteholder, the lender may not directly or indirectly finance:

1. Any prepayment fees or penalties payable by the borrower; or

2. Points and fees, excluding those provided for in 12 CFR 226.4(c)(7), which in the aggregate are in excess of four percent (4%) of the total amount financed.

(l) A lender or mortgage loan broker may not, within one (1) year of the consummation of a high-cost home loan, charge a borrower points and fees in connection with a high-cost home loan if the proceeds of the high-cost home loan are used to refinance an existing high-cost home loan on which points were charged. A lender may not, at any time, charge a borrower points and fees in addition to those allowed by 12 CFR 226.4(c)(7) if the proceeds of the high-cost home loan are used to refinance an existing high-cost home loan, on which points were charged, held by the same lender as noteholder. However, points and fees in accordance with this section may be charged on any proceeds of a high-cost home loan which are in excess of the amount refinanced on the existing high-cost home loan.

(m) A lender may not pay a contractor under a home-improvement contract from the proceeds of a high-cost home loan other than by an instrument payable to the borrower or jointly to the borrower and the contractor, or at the election of the borrower, through a third-party escrow agent in accordance with terms established in a written agreement signed by the borrower, the lender, and the contractor prior to the disbursement.

(n) A lender shall not refinance, replace, or consolidate a zero interest rate or low interest rate loan made by a governmental or nonprofit lender with a high-cost home loan. For purposes of this paragraph, a low interest rate loan is defined as a loan that carries a current interest rate that is two (2) percentage points or more below the current yield on United States Treasury securities with a comparable maturity.

(o) A lender shall not finance single premium credit life, credit accident, credit health, credit disability, or credit loss of income insurance in connection with a high-cost home loan.

(p) A lender shall not make a high-cost home loan subject to a mandatory arbitration clause that is oppressive, unfair, unconscionable, or substantially in derogation of the rights of consumers. Arbitration clauses that comply with the standards set forth in the Statement of Principles of the National Consumer Dispute Advisory Committee of the American Arbitration Association in effect on the effective date of this Act shall be presumed not to violate this paragraph.

(q) A lender shall not charge a late payment fee on a high-cost home loan except in accordance with the following:

1. The late payment fee may not be in excess of five percent (5%) of the amount of the payment past due or ten dollars ($10), whichever is greater;

2. The late payment fee may only be assessed for a payment past due fifteen (15) days or more; and

3. The late payment fee may only be charged once with respect to a single late payment.

(r) A lender may not charge a borrower a fee in excess of ten dollars ($10) or actual costs, whichever is greater, per

request for a written payoff calculation on a high-cost home loan for the first two (2) requests by a borrower in a calendar year.

(s) A lender shall not initiate a foreclosure or other judicial process to terminate a borrower's interest in residential real property subject to a high-cost home loan without first providing the borrower, at least thirty (30) days prior to the initiation of any process, written notice of default and of the borrower's right to cure. The notice shall include a statement of the amount needed to be paid by the borrower in order to cure the default and the date by which payment is due to cure the default. If the amount needed to be paid will change during the thirty (30) day notice period, the notice shall provide information sufficient to enable a calculation of the daily change.

(t) A lender shall not recommend or encourage default on an existing loan or other debt in connection with the closing of a high-cost home loan that refinances all or a portion of the existing loan or debt.

(3) Except as provided in paragraph (e) of subsection (2) of this section, the making of a high-cost home loan which violates any provisions of subsection (2) of this section is usurious, subject to the penalties of this chapter, and unlawful as an unfair and deceptive act or practice in or affecting commerce in violation of the provisions of KRS 367.170. The provisions of this section shall apply to any person who in bad faith attempts to avoid the application of this section by:

(a) The structuring of a loan transaction as an open-end credit plan for the purpose and with the intent of evading the provisions of this section when the loan would have been a high-cost home loan if the loan had been structured as a closed-end loan; or

(b) Dividing any loan transaction into separate parts for the purpose and with the intent of evading the provisions of this section; or

(c) Any other such subterfuge.

The Attorney General, the commissioner of the Department of Financial Institutions, or any party to a high-cost home loan may enforce the provisions of this section. Any person seeking damages or penalties under the provisions of this section may recover damages under either this chapter or KRS Chapter 367, but not both.

(4) A lender of a high-cost home loan who, when acting in good faith, fails to comply with subsection (2) of this section, will not be deemed to have violated this section if the lender establishes that either:

(a) Within thirty (30) days of the loan closing the borrower is notified of the compliance failure, appropriate restitution is made, and whatever adjustments are necessary are made, at the choice of the borrower, to the loan to either:

1. Make the high-cost home loan satisfy the requirements of subsection (2) of this section; or

2. Change the terms of the loan in a manner beneficial to the borrower so that the loan will no longer be considered a high-cost home loan subject to the provisions of this section; or

(b) The compliance failure was not intentional and resulted from a bona fide error notwithstanding the maintenance of procedures reasonably adopted to avoid such errors, and within sixty (60) days after the discovery of the compliance failure, the borrower is notified of the compliance failure, appropriate restitution is made, and whatever adjustments are necessary are made to the loan to either, at the choice of the borrower, make the high-cost home loan satisfy the requirements of subsection (2) of this section or change the terms of the loan in a manner beneficial to the borrower so that the loan will no longer be considered a high-cost home loan subject to the provisions of this section. Examples of a bona fide error include clerical, calculation, computer malfunction and programming, and printing errors.

(c) For purposes of this subsection, "appropriate restitution" means the reimbursement by the lender of any points, fees, interest, or other charges made by the lender and received from the borrower necessary to put the borrower in the same position as he or she would have been had the loan, as adjusted in accordance with paragraphs (a) and (b) of this subsection, been originally made.

(5) For purposes of this section, any extension of credit shall be deemed to have been made in the Commonwealth of Kentucky, and therefore subject to the provisions of this section, if the lender offers or agrees in Kentucky to lend to a borrower, who is a resident of Kentucky, on real property located within the Commonwealth of Kentucky, or if such borrower accepts or makes the offer in Kentucky to borrow, regardless of the situs of the contract as specified therein. Any oral or written solicitation or communication to lend originating outside of Kentucky, but forwarded to and received in Kentucky by a borrower who is a resident of Kentucky, shall be deemed to be an offer or agreement to lend in Kentucky and, therefore, subject to this section. Any oral or written solicitation or communication to borrow originating within Kentucky, from a borrower who is a resident of Kentucky, but forwarded to and received by a lender outside of Kentucky, shall be deemed to be an acceptance or offer to borrow in Kentucky. Any oral or written offer, acceptance, solicitation, or communication to lend or borrow, made in Kentucky to, or received in Kentucky from, a borrower who is not a resident of Kentucky, shall be subject to the provisions of this section, applicable federal law, law of the situs of the contract, or law of the residence of the borrower, as the parties may elect. The provisions of this section shall be severable and if any phrase, clause, sentence, or provision is declared to be invalid, the validity of the remainder of this section shall not be affected thereby.

(b) The amount of the consideration received by the corporation for all shares of the corporation that have been issued without par value except such part of the consideration as has been allocated to surplus in a manner permitted by law; and

(c) Such amounts not included in paragraphs (a) and (b) of this subsection as have been transferred to stated capital of the corporation, whether through the issuance of stock dividends, resolution of the bank's board of directors under applicable corporate law or otherwise by law;[~~ and~~]

(13) "Surplus" means the amount of consideration received by the corporation for all shares issued without par value that has not been allocated to capital stock or the amount of consideration received by the corporation in excess of par value for all shares with a par value or both***;***

(14) "Municipality" means a county, city, or urban-county government; and

(15) "Political subdivision" means a municipality, school district, or other municipal authority.

SECTION 11. A NEW SECTION OF KRS CHAPTER 287 IS CREATED TO READ AS FOLLOWS:

(1) All political subdivisions of the Commonwealth shall be prohibited from enacting and from enforcing ordinances, resolutions, and regulations pertaining to the financial or lending activities of persons or entities which:

(a) Are subject to the jurisdiction of the department or the provisions of this chapter;

(b) Are subject to the jurisdiction or regulatory supervision of the Board of Governors of the Federal Reserve System, the Office of the Comptroller of the Currency, the Office of Thrift Supervision, the National Credit Union Administration, the Farm Credit Administration, the Federal Deposit Insurance Corporation, or the United States Department of Housing and Urban Development; or

(c) Originate, purchase, sell, assign, securitize, assist, facilitate, or service property interests or obligations created by financial transactions or loans made, executed, or originated by persons or entities referred to in paragraph (a) or (b) of this subsection.

(2) The requirements of this section shall apply to all ordinances, resolutions, or regulations pertaining to lending activities, including any ordinances, resolutions, or regulations which limit or disqualify persons or entities from doing business with a political subdivision based upon financial or lending activities or the imposition of additional reporting requirements or other obligations on such persons or entities seeking to do business with a political subdivision.

(3) Any provision of this chapter preempted by federal law with respect to a national bank or federal savings association shall not apply to the same extent to an operating subsidiary of a national bank or federal savings association.

(4) The provisions of this chapter shall be interpreted and applied to the fullest extent practicable in a manner consistent with applicable federal laws and regulations and with applicable policies and orders of federal regulatory agencies and shall not be deemed to constitute an attempt to override federal law.

SECTION 12. A NEW SECTION OF KRS CHAPTER 360 IS CREATED TO READ AS FOLLOWS:

(1) The following definitions apply for the purposes of this section:

(a) "High-cost home loan" means a loan other than an open-end credit plan or a reverse mortgage transaction in which:

1. The principal amount of the loan is greater than fifteen thousand dollars ($15,000) and does not exceed two hundred thousand dollars ($200,000);

2. The borrower is a natural person;

3. The debt is incurred by the borrower primarily for personal, family, or household purposes;

4. The loan is secured by a mortgage on residential real property or secured by collateral which has a mortgage lien interest in residential real property, which is or will be occupied by the borrower as the borrower's principal dwelling; and

5. Without regard to whether the loan transaction is or may be a "residential mortgage transaction" as defined in 12 CFR 226.2(a)(24), as amended from time to time, the annual percentage rate of the loan at the time the loan is consummated is such that the loan is considered a "mortgage" under section 152 of the Home Ownership and Equity Protection Act of 1994, Pub. Law 103-325, 15 U.S.C. § 1602(aa), as the same may be amended from time to time, and regulations adopted pursuant thereto by the Federal Reserve Board, including 12 CFR 226.32, as the same may be amended from time to time.

(b) "Lender" means any person who funds or negotiates the terms of a high-cost home loan or acts as a mortgage broker or lender, finance company, or retail installment seller with respect to a high-cost home loan. However, any person who purchases or is otherwise assigned a high-cost home loan shall be subject to an action for violation of this section only if the violation for which the action or proceeding is brought is apparent on the face of the disclosure or the underlying promissory note.

(2) A high-cost home loan shall be subject to the following limitations:

(a) A high-cost home loan may not contain a provision which permits the lender to charge or collect prepayment fees or penalties more than thirty-six (36) months after the loan closing or which exceed three percent (3%) of the amount prepaid during the first twelve (12) months, two percent (2%) of the amount prepaid during the second twelve (12) months, or one percent (1%) of the amount prepaid during the third twelve (12) months.

(b) A high-cost home loan may not contain a provision which permits the lender, in its sole discretion, to accelerate the indebtedness. This provision does not apply when repayment of the loan has been accelerated by default, pursuant to a due-on-sale provision, or pursuant to some other provision of the loan documents unrelated to the payment schedule.

(c) A high-cost home loan may not contain a scheduled payment that is more than twice as large as the average of earlier scheduled payments. This provision does not apply when the payment schedule is adjusted to the seasonal or irregular income of the borrower.

(d) A high-cost home loan may not contain a payment schedule with regular periodic payments that cause the principal balance to increase.

(e) A high-cost home loan may not contain a provision which increases the interest rate after default. This provision does not apply to interest rate changes in a variable rate loan otherwise consistent with the provisions of the loan documents, provided the change in the interest rate is not triggered by the event of default or the acceleration of the indebtedness.

(f) A high-cost home loan may not include terms under which more than two (2) periodic payments required under the loan are consolidated and paid in advance from the loan proceeds provided to the borrower.

(g) A lender may not charge a borrower any fees to modify, renew, extend, or amend a high-cost home loan or to defer any payment due under the terms of a high-cost home loan, unless the fees are less than one-half (1/2) of any fees that would be charged for a refinance or unless the borrower is in default and it is in the borrower's best interest.

(h) A lender may not make a high-cost home loan unless the borrower has been provided the following notice or a substantially similar notice, in writing, not later than the time that notice provided by 12 CFR 226.31(c), as amended from time to time, is required:

NOTICE TO BORROWER

IF YOU OBTAIN THIS LOAN, THE LENDER WILL HAVE A MORTGAGE ON YOUR HOME. YOU COULD LOSE YOUR HOME AND ANY MONEY YOU PUT INTO IT IF YOU DO NOT MEET YOUR OBLIGATIONS UNDER THE LOAN.

MORTGAGE LOAN RATES AND CLOSING COSTS AND FEES VARY BASED ON MANY FACTORS, INCLUDING YOUR PARTICULAR CREDIT AND FINANCIAL CIRCUMSTANCES, YOUR EMPLOYMENT HISTORY, THE LOAN-TO-VALUE REQUESTED AND THE TYPE OF PROPERTY THAT WILL SECURE YOUR LOAN. THE LOAN RATE AND FEES COULD ALSO VARY BASED ON WHICH LENDER OR BROKER YOU SELECT. YOU SHOULD SHOP AROUND AND COMPARE LOAN RATES AND FEES.

YOU SHOULD ALSO CONSIDER CONSULTING A QUALIFIED INDEPENDENT CREDIT COUNSELOR OR OTHER EXPERIENCED FINANCIAL ADVISOR REGARDING THE RATE, FEES AND PROVISIONS OF THIS MORTGAGE LOAN BEFORE YOU PROCEED. YOU SHOULD CONTACT THE UNITED STATES DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR A LIST OF CREDIT COUNSELORS AVAILABLE IN YOUR AREA.

YOU ARE NOT REQUIRED TO COMPLETE THIS LOAN AGREEMENT MERELY BECAUSE YOU HAVE RECEIVED THESE DISCLOSURES OR HAVE SIGNED A LOAN APPLICATION.

REMEMBER, PROPERTY TAXES AND HOMEOWNER'S INSURANCE ARE YOUR RESPONSIBILITY. NOT ALL LENDERS PROVIDE ESCROW SERVICES FOR THESE PAYMENTS. YOU SHOULD ASK YOUR LENDER ABOUT THESE SERVICES.

ALSO, YOUR PAYMENTS ON EXISTING DEBTS CONTRIBUTE TO YOUR CREDIT RATINGS. YOU SHOULD NOT ACCEPT ANY ADVICE TO IGNORE YOUR REGULAR PAYMENTS TO YOUR EXISTING CREDITORS.

(i) A lender may not make a high-cost home loan unless the lender reasonably believes at the time the loan is consummated that one (1) or more of the borrowers, when considered individually or collectively, will be able to make the scheduled payments to repay the loan based upon a consideration of their current and expected income, current obligations, current employment status, and other financial resources, other than the borrower's equity in the dwelling which secures repayment of the loan. A borrower shall be presumed to be able to make the scheduled payments to repay the loan if, at the time the loan is consummated, the borrower's total monthly debts, including amounts owed under the loan, do not exceed fifty percent (50%) of the borrower's monthly gross income as verified by the credit application, the borrower's financial statement, a credit report,

financial information provided to the lender by or on behalf of the borrower, or any other reasonable means. No presumption of inability to make the scheduled payments to repay the obligation shall arise solely from the fact that, at the time the loan is consummated, the borrower's total monthly debts, including amounts owed under the loan, exceed fifty percent (50%) of the borrower's monthly gross income.

(j) If the proceeds of the high-cost home loan are used to refinance an existing high-cost home loan held by the same lender as noteholder, the lender may not directly or indirectly finance:

1. Any prepayment fees or penalties payable by the borrower; or

2. Points and fees, excluding those provided for in 12 CFR 226.4(c)(7), which in the aggregate are in excess of four percent (4%) of the total amount financed.

(k) A lender or mortgage loan broker may not, within one (1) year of the consummation of a high-cost home loan, charge a borrower points and fees in connection with a high-cost home loan if the proceeds of the high-cost home loan are used to refinance an existing high-cost home loan on which points were charged. A lender may not, at any time, charge a borrower points and fees in addition to those allowed by 12 CFR 226.4(c)(7) if the proceeds of the high-cost home loan are used to refinance an existing high-cost home loan, on which points were charged, held by the same lender as noteholder. However, points and fees in accordance with this section may be charged on any proceeds of a high-cost home loan which are in excess of the amount refinanced on the existing high-cost home loan.

(l) A lender may not pay a contractor under a home-improvement contract from the proceeds of a high-cost home loan other than by an instrument payable to the borrower or jointly to the borrower and the contractor, or at the election of the borrower, through a third-party escrow agent in accordance with terms established in a written agreement signed by the borrower, the lender, and the contractor prior to the disbursement.

(m) A lender shall not refinance, replace, or consolidate a zero interest rate or low interest rate loan made by a governmental or nonprofit lender with a high-cost home loan. For purposes of this paragraph, a low interest rate loan is defined as a loan that carries a current interest rate that is two (2) percentage points or more below the current yield on United States Treasury securities with a comparable maturity.

(n) A lender shall not finance single premium credit life, credit accident, credit health, credit disability, or credit loss of income insurance in connection with a high-cost home loan.

(o) A lender shall not make a high-cost home loan unless the lender has made available to the borrower a videotape, or other similar audio-video media format such as DVD or CD, approved by the Department of Financial Institutions, which explains the borrower's rights and responsibilities with regard to this section or high-cost home loans. A lender shall have available for viewing at least one (1) copy of the video in the principal office and each branch office of the lender.

(p) A lender shall not make a high-cost home loan subject to a mandatory arbitration clause that is oppressive, unfair, unconscionable, or substantially in derogation of the rights of consumers. Arbitration clauses that comply with the standards set forth in the Statement of Principles of the National Consumer Dispute Advisory Committee of the American Arbitration Association in effect on the effective date of this Act shall be presumed not to violate this subsection.

(q) A lender shall not charge a late payment fee on a high-cost home loan except in accordance with the following:

1. The late payment fee may not be in excess of five percent (5%) of the amount of the payment past due or ten dollars ($10), whichever is greater;

2. The late payment fee may only be assessed for a payment past due fifteen (15) days or more; and

3. The late payment fee may only be charged once with respect to a single late payment.

(r) A lender may not charge a borrower a fee in excess of ten dollars ($10) or actual costs, whichever is greater, per request for a written payoff calculation on a high-cost home loan for the first two (2) requests by a borrower in a calendar year.

(s) A lender shall not initiate a foreclosure or other judicial process to terminate a borrower's interest in residential real property subject to a high-cost home loan without first providing the borrower, at least thirty (30) days prior to the initiation of any process, written notice of default and of the borrower's right to cure. The notice shall include a statement of the amount needed to be paid by the borrower in order to cure the default and the date by which the payment is due to cure the default. If the amount needed to be paid will change during the thirty (30) day notice period, the notice shall provide information sufficient to enable a calculation of the daily change.

(t) A lender shall not recommend or encourage default on an existing loan or other debt in connection with the closing of a high-cost home loan that refinances all or a portion of the existing loan or debt.

(3) Except as provided in paragraph (e) of subsection (2) of this section, the making of a high-cost home loan which violates any provisions of subsection (2) of this section is usurious, subject to the penalties of this chapter, and unlawful as an unfair and deceptive act or practice in or affecting commerce in violation of the provisions of KRS 367.170. The provisions of this section shall apply to any person who in bad faith attempts to avoid the application of

this section by:

(a) The structuring of a loan transaction as an open-end credit plan for the purpose and with the intent of evading the provisions of this section when the loan would have been a high-cost home loan if the loan had been structured as a closed-end loan; or

(b) Dividing any loan transaction into separate parts for the purpose and with the intent of evading the provisions of this section; or

(c) Any other such subterfuge.

The Attorney General, the commissioner of the Department of Financial Institutions, or any party to a high-cost home loan may enforce the provisions of this section. Any person seeking damages or penalties under the provisions of this section may recover damages under either this chapter or KRS Chapter 367, but not both.

(4) A lender of a high-cost home loan who, when acting in good faith, fails to comply with subsection (2) of this section, will not be deemed to have violated this section if the lender establishes that either:

(a) Within thirty (30) days of the loan closing the borrower is notified of the compliance failure, appropriate restitution is made, and whatever adjustments are necessary are made, at the choice of the borrower, to the loan to either:

1. Make the high-cost home loan satisfy the requirements of subsection (2) of this section; or

2. Change the terms of the loan in a manner beneficial to the borrower so that the loan will no longer be considered a high-cost home loan subject to the provisions of this section; or

(b) The compliance failure was not intentional and resulted from a bona fide error notwithstanding the maintenance of procedures reasonably adopted to avoid such errors, and within sixty (60) days after the discovery of the compliance failure, the borrower is notified of the compliance failure, appropriate restitution is made, and whatever adjustments are necessary are made to the loan to either, at the choice of the borrower, make the high-cost home loan satisfy the requirements of subsection (2) of this section or change the terms of the loan in a manner beneficial to the borrower so that the loan will no longer be considered a high-cost home loan subject to the provisions of this section. Examples of a bona fide error include clerical, calculation, computer malfunction and programming, and printing errors.

(c) For purposes of this subsection, "appropriate restitution" means the reimbursement by the lender of any points, fees, interest, or other charges made by the lender and received from the borrower necessary to put the borrower in the same position as he or she would have been had the loan, as adjusted in accordance with paragraphs (a) and (b) of this subsection, been originally made.

(5) For purposes of this section, any extension of credit shall be deemed to have been made in the Commonwealth of Kentucky, and therefore subject to the provisions of this section, if the lender offers or agrees in Kentucky to lend to a borrower, who is a resident of Kentucky, on real property located within the Commonwealth of Kentucky, or if such borrower accepts or makes the offer in Kentucky to borrow, regardless of the situs of the contract as specified therein. Any oral or written solicitation or communication to lend originating outside of Kentucky, but forwarded to and received in Kentucky by a borrower who is a resident of Kentucky, shall be deemed to be an offer or agreement to lend in Kentucky and, therefore, subject to this section. Any oral or written solicitation or communication to borrow originating within Kentucky, from a borrower who is a resident of Kentucky, but forwarded to and received by a lender outside of Kentucky, shall be deemed to be an acceptance or offer to borrow in Kentucky. Any oral or written offer, acceptance, solicitation, or communication to lend or borrow, made in Kentucky to, or received in Kentucky from, a borrower who is not a resident of Kentucky, shall be subject to the provisions of this section, applicable federal law, law of the situs of the contract, or law of the residence of the borrower, as the parties may elect. The provisions of this section shall be severable and if any phrase, clause, sentence, or provision is declared to be invalid, the validity of the remainder of this section shall not be affected thereby.

Section 13. KRS 367.410 is amended to read as follows:

As used in KRS 367.410 to 367.450, unless the context otherwise requires:

"Home solicitation sale" means a sale of goods or services*, including consumer loans,* in which the seller or a person acting for him engages in a personal solicitation of the sale at a residence of the buyer and the buyer's agreement or offer to purchase is there given to the seller or a person acting for him. It does not include a sale made pursuant to prior negotiations between the parties*, by telephone initiated by the buyer or* at a business establishment at a fixed location where goods or services*, including loans,* are offered or exhibited for sale.

Section 14. KRS 367.420 is amended to read as follows:

(1) Except *for home solicitation sales on loans in which a security interest is taken in the principal dwelling of the buyer as provided in subsection (6) of this section, and except* as provided in subsection (5) *for other goods and services, including all other consumer loans*, in addition to any right otherwise to revoke an offer, the buyer has the right to cancel a home solicitation sale until midnight of the third business day after the day on which the buyer signs an agreement or offer to purchase which complies with this part.

(2) Cancellation occurs when the buyer gives written notice of cancellation to the seller at the address stated in the agreement

or offer to purchase.

(3) Notice of cancellation, if given by mail, is given when it is deposited in a mailbox properly addressed and postage prepaid.

(4) Notice of cancellation given by the buyer need not take a particular form and is sufficient if it indicates by any form of written expression the intention of the buyer not to be bound by the home solicitation sale.

(5) The buyer may not cancel a home solicitation sale if the buyer requests the seller to provide goods or services without delay because of an emergency, and

(a) The seller in good faith makes a substantial beginning of performance of the contract before the buyer gives notice of cancellation, and

(b) In the case of goods, the goods cannot be returned to the seller in substantially as good condition as when received by the buyer.

(6) For home solicitation sales on loans in which a security interest is taken in the principal dwelling of the buyer, the buyer shall have the right to rescind or cancel the transaction until midnight of the third business day following the later of the consummation of the loan transaction or the delivery of the material disclosures required under the Truth in Lending Act, 15 U.S.C. 1601 et seq.

SECTION 15. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

(1) For purposes of this section, "physical location" means an actual office where the business of mortgage lending or the business of taking or soliciting mortgage loan applications is conducted. The office shall have a street address. A post office box or similar designation shall not meet the requirements of this section. The office shall be accessible to the general public as a place of business and shall hold itself open on a regular basis during posted hours, unless the office is in the residence of the mortgage loan broker and proof of residence has been submitted as required by subsection (7) of Section 4 of this Act.

(2) (a) Each mortgage loan broker licensed under this chapter shall maintain a physical location in this state.

(b) Any mortgage loan broker licensed under this chapter who, on the effective date of this Act, does not maintain a physical location in this state shall have ninety (90) days after the effective date of this Act in which to establish one. After the ninety (90) day period, a mortgage loan broker licensed under this chapter on the effective date of this Act shall not transact business in Kentucky if the licensed mortgage loan broker does not maintain a physical location in this state.

(3) The license certificate of a mortgage loan broker shall be at all times prominently displayed at the mortgage loan broker's physical location.

HB 369, AN ACT relating to state risk.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 44.055 is amended to read as follows:

(1) Any state agency, as defined in KRS Chapter 12, may in its discretion, for the protection of the public and its employees, expend state funds to purchase policies of insurance of all kinds deemed advisable covering vehicles, including boats, owned by the state and operated by state employees when in the conduct of official business. The commissioner of insurance, upon recommendation of the secretary of the Finance and Administration Cabinet, shall initiate and be responsible for the purchase of a blanket liability insurance policy to cover the officers and employees of the several state agencies and shall determine, by administrative regulation, the policy limits that shall be applicable to the persons covered in each such affected agency[~~ not to exceed the limit prescribed in KRS 44.070~~].

(2) Nothing contained in this section shall be construed to be a waiver of sovereign immunity and claims against the Commonwealth, its agencies, officers, employees, or insurers may be asserted only in the manner set forth in KRS 44.070 to 44.160.

(3) Policies authorized by this section shall be purchased only from insurers authorized to do business in this state and shall be countersigned by a licensed resident agent.

Section 2. KRS 56.080 is amended to read as follows:

Before July 1 of each year, the Department of Insurance shall reconsider its appraisal and valuation of ***all real property***[~~public buildings~~] and personal property belonging to or under the control and use of the state or any state agency, and shall certify any changes in value to the agency that has the custody or control of the property. The appraisal and valuation shall equal the amount that the Department of Insurance deems necessary to replace the property at the time of the appraisal, which may be less actual depreciation.

Section 3. KRS 56.090 is amended to read as follows:

Before July 1 of each year the Department of Insurance shall fix, upon ***all real property***[~~each public building~~] and[~~ upon~~] each class of personal property belonging to or controlled or used by the state or any agency of the state, the rate of premium that the Department of Insurance deems to be the average rate charged by responsible insurance companies doing business in this state for insurance against damage by fire and other hazards upon property of like kind and degree of risk. The premium and insurance shall be calculated upon ***one-hundred percent (100%)***[~~ninety percent (90%)~~] of the valuation ***of all real property and each class of personal property***. Before July 1 of each year the Department of Insurance shall certify to the State Treasurer the premium to be charged against each agency of the state.

Section 4. KRS 56.100 is amended to read as follows:

(1) Each fiscal year the State Treasurer shall deduct from any funds in his hands payable to an agency for the care and maintenance of ***real and personal***[~~public buildings or~~] property, an amount equal to the premiums certified to him as chargeable against that agency. The amount so debited shall be credited to an account kept by the State Treasurer and known as the state fire and tornado insurance fund. No premium shall be charged on any one (1) subject of risk upon a valuation of more than ***one million dollars ($1,000,000)***[~~five hundred thousand dollars ($500,000)~~] unless the Department of Insurance has contracted for reinsurance that limits the liability of the fund to ***one million dollars ($1,000,000)***[~~five hundred thousand dollars ($500,000)~~] upon such subject of risk.

(2) The department shall prescribe a certificate setting forth the terms and conditions of coverage under the state fire and tornado insurance fund. Different forms of certificates may be used for different risks. Such certificates may contain such terms and conditions as the department may prescribe, including, but not limited to, a deductible in order that there be fair allocation of significant losses and the elimination of unnecessary costs in administering the state fire and tornado insurance fund.

Section 5. KRS 56.120 is amended to read as follows:

When the amount of damage has been determined, the State Treasurer shall debit the account of the state fire and tornado insurance fund by that amount and credit[~~ with~~] an equal amount ***to*** the account of the agency that has control or custody of the property damaged, and upon warrant from the Finance and Administration Cabinet, the Treasurer shall pay to the agency the amount so credited to it, for the purpose of repairing the damage or reconstructing or replacing the damaged or destroyed property. If the agency deems it impracticable or undesirable to use the money for repair, reconstruction, or replacement of the property damaged or destroyed, it may, with the approval of the Finance and Administration Cabinet, and subject to the provisions of KRS 56.491, expend said funds for the acquisition, repair, construction, or reconstruction of property similar to the property damaged or destroyed. No debit, credit, or payment made on account of the damage to any one (1) subject of risk, by any one (1) loss, shall be in excess of ***one million dollars ($1,000,000)***[~~five hundred thousand dollars ($500,000)~~], unless the Department of Insurance has effected reinsurance upon the subject of risk such as to limit the liability of the state fire and tornado insurance fund to ***one million dollars ($1,000,000)***[~~five hundred thousand dollars ($500,000)~~], and unless the excess over this amount has actually been paid into the fund by the reinsuring company or companies.

Section 6. KRS 56.140 is amended to read as follows:

(1) The State Treasurer, with approval of every investment by the Finance and Administration Cabinet, may invest the state fire and tornado insurance fund in ***compliance with KRS 42.500***[~~:~~

~~(a) Obligations of the United States government, its agencies, and Kentucky cities of the first, second, third, and fourth classes;~~

~~(b) Warrants issued on the State Treasurer;~~

~~(c) State bonds, including bridge revenue bonds issued under KRS 180.010 to 180.250;~~

~~(d) Bonds or other evidences of indebtedness of any domestic corporation that is an agent or instrumentality of the state or of any city, county, or school district of the state, secured by a mortgage on real estate in Kentucky that has been conveyed to the corporation by any city, county, school district, or state educational institution, and which the corporation has leased and given the option to lease to the city, county, school district, or state educational institution, with option in the lessee to purchase the property, or an interest therein, on the payment of the aggregate sum of the bond issue, plus the expenses incident to the issuance of the bonds and the formation and dissolution of the corporation, subject to credit of the amounts paid as rental for such property; and~~

~~(e) School bonds issued by cities under KRS 162.120 to 162.290~~].

(2) The Finance and Administration Cabinet shall not approve investments on which there has ever been a default in payment of principal or interest preceding the date of acceptance by the State Treasurer.

(3) All income from investments credited to the state fire and tornado insurance fund shall be credited to that fund.

Section 7. KRS 56.150 is amended to read as follows:

The Department of Insurance and the State Treasurer may employ such assistance and incur such expenses as are necessary to carry out the purposes of KRS 56.070 to 56.180, subject to approval in advance by the Finance and Administration Cabinet. All such expenses may be debited against the state fire and tornado insurance fund, and paid on warrant of the Finance and Administration Cabinet***.***[~~, but~~] The total of such expenses during any fiscal year shall not exceed ten percent (10%) of the total ***calculated standard premiums, prior to the application of any experience credits,***[~~receipts of the fund~~] during the same fiscal year. If such expenses are incurred at a time when there is not a sufficient amount in the fund to pay them, they shall constitute a prior claim to be paid out of the first ***premium*** receipts of the fund thereafter before any damages on account of insured losses are paid.

Section 8. KRS 56.160 is amended to read as follows:

With the approval of the Finance and Administration Cabinet, the Department of Insurance may contract with any responsible ***property and casualty insurer***[~~fire and tornado insurance or reinsurance company~~] authorized to do business in Kentucky to reinsure any subject of risk of which the total valuation has been fixed at over ***one million dollars ($1,000,000)***[~~five hundred thousand dollars ($500,000)~~] in such a way as to limit the net liability of the state fire and tornado insurance fund with respect to such subject of risk to ***one million dollars ($1,000,000)***[~~five hundred thousand dollars ($500,000)~~]. The premium for reinsurance shall be paid out of the state fire and tornado insurance fund, on warrant of the Finance and Administration Cabinet.

Section 9. KRS 56.170 is amended to read as follows:

If the Department of Insurance becomes aware of a hazard in any building owned or occupied by the state or any agency thereof, the Department may make recommendations regarding the removal or correction of the hazard to the agency having control or custody of the building[~~The Department of Insurance shall annually have an inspection made of each building and its contents owned by the state or any agency thereof, for the purpose of determining the unnecessary causes of a fire hazard therein, and shall make recommendations to the agency having control or custody of the building relative to the removal or correction of the hazard~~]. Reasonable differences in the premium chargeable against the agency on account of the building and its contents may be made contingent upon compliance with such recommendations.

Section 10. KRS 304.44-010 is amended to read as follows:

As used in this subtitle, unless the context requires otherwise:

(1) "Department" means the Department of Insurance;

(2) "Mine subsidence" means the collapse of underground coal mines resulting in direct damage to a structure. It does not include loss caused by earthquake, landslide, water seepage, volcanic eruption, or collapse of storm, and sewer drains;

The premium charged for coverage shall be the same as the premium level set by the administrator. The insurer shall not be required to write a policy for mine subsidence coverage in excess of the amount reimbursable from the fund as authorized by this subtitle.

Section 12. KRS 304.44-050 is amended to read as follows:

All insurers writing property insurance covering structures in this state shall enter into a reinsurance agreement with the administrator in which each insurer agrees to cede to the administrator one hundred percent (100%), up to ***two***[~~one~~] hundred thousand dollars ***($200,000)***[~~($100,000)~~], of any subsidence insurance coverage issued and, in consideration of the ceding commission retained by the insurer, agrees to undertake adjustment of losses, and payment of taxes, and to absorb all other expenses of the insurer necessary for sale of policies and administration of the mine subsidence insurance program. The administrator shall agree to reimburse the insurer from the fund for all amounts paid policyholders for claims resulting from subsidence and shall pay from the fund all costs of administration incurred by the administrator, but an insurer is not required to pay any claim for any loss insured under this subtitle except to the extent that the amount available in the mine subsidence insurance fund is sufficient to reimburse the insurer for such claim. Claims made under the provisions of the subtitle shall not be deemed to constitute a debt, liability, or obligation of the Commonwealth or any political subdivision thereof or a pledge of the faith and credit of the Commonwealth or any political subdivision except to the extent the fund has accumulated reserves from premiums, state or federal grants, investment income, or state appropriations.

HB 379, AN ACT relating to insurance rate filings.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.13-051 is amended to read as follows:

(1) ***(a)*** In a competitive market, every insurer shall file with the commissioner rates and supplementary information to be

used in this state for ***medical malpractice risks, other*** commercial risks as designated by the commissioner and for all personal risks. The rates and supplementary rate information shall be filed not later than fifteen (15) days after the date of first use of the rates, unless the commissioner finds after a hearing that an insurer's rates require closer supervision because of the insurer's financial condition. On a finding, rates for both personal and commercial risks, supplementary rate information, and supporting information shall be filed with the commissioner at least thirty (30) days before the effective date of the rates. An order shall expire no later than one (1) year after it is issued.

(b) The commissioner may, when the commissioner deems it in the public interest, hold a public hearing on any filing under this subsection within thirty (30) days after all rates and supplementary rate information have been filed. The commissioner may extend the thirty (30) day period by an additional thirty (30) day period.

(c) As to medical malpractice insurance, at the time of filing a proposed rate increase with the commissioner, the insurer shall notify each policyholder that the insurer has filed a proposed rate increase. The notice shall state the percentage by which the policyholder's current premium is anticipated to increase if the proposed rate increase is approved as filed.

(2) In a noncompetitive market, every insurer shall file with the commissioner all rates for that market, supplementary rate information, and supporting information at least thirty (30) days before the proposed effective date of the rates. On application of the filer, the commissioner may authorize an earlier effective date.

(3) Any rate filing in effect at the time the commissioner determines that competition does not exist pursuant to KRS 304.13-041 shall be deemed to be effective until disapproved pursuant to the procedures and rating standards of this chapter.

(4) Every insurer shall file with the commissioner all rating manuals and underwriting rules that it uses in this state not later than fifteen (15) days after they become effective. Manuals, rules, and guidelines must be adhered to until amended. The commissioner may exempt an insurer from filing supporting information if it files by reference, with or without deviation, to a filing which is in effect for another insurer or an advisory organization.

(5) (a) No insurer shall place into effect any rates, manuals, or underwriting rules which it proposes to use pursuant to subsection (1) or (4) of this section if the rates, manuals or underwriting rules will result in an increase or decrease of more than twenty-five percent (25%) from the insurer's then existing rates for any classification of risks in any of its rating territories within a twelve (12) month period of time.

(b) Any insurer which proposes to change its then existing rates, manuals, or underwriting rules so as to effectively increase or decrease the rates of any classification of risks within any rating territory more than twenty-five percent (25%) within a twelve (12) month period shall file all the rates and supplemental rating information which shall not become effective until approved by the commissioner.

(6) Rates and supplemental rating information for a residual market mechanism shall not become effective until approved by the commissioner.

(7) The commissioner shall review filings made in accordance with subsections (2), (5)(b) and (6) of this section as soon as reasonably possible after they have been made in order to determine whether they meet the applicable requirements of this chapter. Each filing shall be on file for a waiting period of thirty (30) days before it becomes effective, which period may be extended by the commissioner for an additional period not to exceed thirty (30) days if he gives written notice within the waiting period to the insurer which made the filing that additional time is needed for consideration of the filing. The commissioner may, when he deems it to be in the public interest, hold a public hearing on any filing before the filing becomes effective to determine whether the filing meets the requirements of this subtitle. In the event that a hearing is held under the provisions of this subsection, the waiting periods specified in this subsection shall not begin to run until thirty (30) days after the close of the hearing. The burden of establishing that the filing under consideration meets the requirements of this subtitle is on the insurer which makes the filing. A filing shall be deemed to meet the requirements of this subtitle unless disapproved by the commissioner within the waiting period or any extension thereof.

(8) At any hearing concerning an increase in worker's compensation rates conducted pursuant to subsection (7), the commissioner may approve a rate other than one that has been proposed by the filer if it is justified by the evidence presented at the hearing.

HB 388, AN ACT relating to the discharge of a security interest.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 186.045 is amended to read as follows:

(1) ***A perfected security interest in a motor vehicle that has been satisfied by payment in full shall be deemed to have been discharged if one (1) or both of the following events has occurred:***

(a) The funds to pay in full and discharge the security interest have been provided to the secured party in the form of a cashier check, certified check, or wire transfer; or

(b) The debt has been paid to a secured party who is no longer in existence or has failed to file the necessary documents to discharge the lien.

(2) If payment in full has been made under subsection (1)(a) of this section, the discharge of the lien shall be made not

later than ten (10) days from the receipt of the payment.

(3) ***When a security interest has been paid in full and a termination statement or discharge has not been filed, the debtor may petition the Circuit Court in the county of the debtor's residence to order the discharge of the security interest. The debtor shall present written evidence to the Circuit Court that the security interest has been paid in full. If the evidence presented to the Circuit Court proves to the court's satisfaction that the security interest has been paid in full, the court shall order the security interest discharged. A copy of the court's order shall immediately be sent to the county clerk in the county where the security interest was originally filed and the county clerk shall immediately discharge the security interest and remove the lien information from AVIS in accordance with the provisions of this section.***

(4) Whenever a security interest has been discharged, other than by proceedings under Part 6 of Article 9 of KRS Chapter 355 or similar proceedings, the secured party shall deliver a termination statement in the manner required by KRS 355.9-513 to the county clerk of the county in which the title lien statement was submitted. The secured party shall also deliver a copy of the termination statement to the debtor or the debtor's transferee. For failure to file the termination statement within the allowable time, the secured party shall be subject to the penalty provided in KRS 186.990(1). ***Except as provided in subsection (3) of this section,*** within five (5) days after the receipt of such documents, the county clerk shall note the filing in the index, in language prescribed by the cabinet, that the termination statement has been filed. Upon presentation of the owner's title showing ***a***[~~such~~] security interest to the county clerk where the termination statement was submitted, and with the copy of the termination statement submitted by the secured party, the clerk shall discharge the security interest by noting on ***the***[~~such~~] title that the termination statement has been filed and place the seal of the county clerk thereon. The clerk shall return the owner's title to the owner. The county clerk shall then file the termination statement in the place from which the title lien statement was removed. Termination statements ***shall***[~~must~~] be retained in the clerk's files for a period of two (2) years subsequent to the date of filing ***a***[~~such~~] statement, at which time they may be destroyed. The fee for these services are included in the provisions of KRS 186A.190.

(5)[~~(2)~~] Upon presentation of ***an***[~~the~~] owner's title showing ***a***[~~such~~] security interest to the county clerk of a county where the termination statement was not delivered, the county clerk[~~ of that county~~] shall access the automated system to determine whether a record of termination of the security interest has been entered into the automated system by the county clerk where the termination statement was delivered by the secured party as provided in KRS 186A.210. If ***a***[~~such~~] record of termination has been entered into the automated system, the county clerk of the county where the termination statement was not delivered, shall note the discharge of the security interest on the certificate of title by noting that the termination statement has been delivered, the county where it was delivered, and placing the seal of the county clerk thereon and may rely on the automated system to do so. If ***a***[~~such~~] record of termination has not been entered into the automated system,[~~ in no case shall~~] the county clerk of the county other than where the termination statement was delivered ***shall not***[~~,~~] make any notation upon the certificate of title that the security interest has been discharged or that a termination statement has been delivered to the county where the title lien statement was submitted.

(6)[~~(3)~~] Whenever any secured party repossesses a vehicle titled in ***Kentucky***[~~this Commonwealth~~], for which a security interest is in existence at the time of repossession, and disposes of ***the***[~~such~~] vehicle pursuant to the provisions of KRS Chapter 355, he ***shall***[~~must~~] present, within fifteen (15) days after such disposition, an affidavit in ***a*** form prescribed by the department and a termination statement or proof that ***a***[~~such~~] termination statement has been filed. The new owner shall pay all applicable fees for titling and transferring the vehicle to the county clerk. Upon receipt of such documents, the county clerk who issued the lien shall then omit from the title he makes application for any information relating to the security interest under which the vehicle was repossessed or any security interest subordinate thereto. However, any security interest, as shown by such title which is superior to the one under which the vehicle was repossessed, ***shall***[~~must~~] be shown on the title issued by the clerk unless the prior secured party has discharged ***the***[~~such~~] security interest in ***the***[~~such~~] clerk's office or proof of termination is submitted***, if the***[~~in case such~~] prior security interest was discharged in another clerk's office.

(7)[~~(4)~~] Whenever any vehicle brought into ***Kentucky***[~~this Commonwealth~~] is required to be titled ***and the***[~~in this Commonwealth and such~~] vehicle is then subject to a security interest in another state as shown by the out-of-state documents presented to the clerk, the county clerk is prohibited from processing the application for title on the vehicle unless the owner obtains from the secured party a financing statement or title lien statement and presents same to the clerk along with the fees required in KRS 186A.190. The clerk shall note the out-of-state security interest on the certificate of title. This provision does not apply to vehicles required to be registered in Kentucky under forced registration provisions under KRS 186.145.

(8)[~~(5)~~] The fees provided for in this section are in addition to any state fee provided for by law.

(9)[~~(6)~~] Any person violating any provision of this section or any person refusing to surrender a certificate of title registration and ownership or transfer certificate upon request of any person entitled thereto, is subject to the penalties provided in subsection (1) of KRS 186.990.

(10)[~~(7)~~] The county clerk is prohibited from noting any security interest on a certificate of title on any vehicle subject to the provisions of KRS Chapter 186A if a certificate of title therefor is presented to him which has all the spaces provided thereon for noting security interests fully exhausted. The owner ***is responsible for ensuring***[~~must see to it~~] that a discharge is noted on the certificate of title for each security interest and then a duplicate title as provided for in KRS 186A.180

shall[~~must~~] be obtained from the clerk by the owner of the vehicle.

(11)[~~(8)~~] Security interests in vehicles sold to or owned by residents of other states ***shall***[~~must~~] be perfected in the state of ***the***[~~such~~] nonresident and repossession of the vehicle ***shall***[~~must~~] be taken pursuant to the laws of ***that***[~~such~~] state, unless***:***[~~ the vehicle~~]

(a) ***The vehicle*** is principally operated in Kentucky***;***[~~ and~~]

(b) ***The vehicle*** is properly titled ***in Kentucky***[~~herein~~] under KRS Chapter 186A***;*** and

(c) The security interest is authorized to be noted on the certificate of title by the county clerk under KRS Chapter 186A.

Section 2. KRS 186A.190 is amended to read as follows:

(1) Except as provided in subsection (4) of this section, the perfection and discharge of a security interest in any property for which has been issued a Kentucky certificate of title shall be by notation on the certificate of title. The notation of the security interest on the certificate of title shall be in accordance with this chapter and shall remain effective from the date on which the security interest is noted on the certificate of title for a period of seven (7) years, or, in the case of a manufactured home, for a period of thirty (30) years, or until discharged under this chapter and KRS Chapter 186. The filing of a continuation statement within the six (6) months preceding the expiration of the initial period of a notation's effectiveness extends the expiration date for seven (7) additional years.

(2) Except as provided in subsection (4) of this section, the notation of security interests relating to property required to be titled in Kentucky through the county clerk shall be done in the office of the county clerk of the county in which the debtor resides. If the debtor is other than a natural person, the following provisions govern the determination of the county of the debtor's residence:

(a) A partnership shall be deemed a resident of the county in which its principal place of business in this state is located. If the debtor does not have a place of business in this state, then the debtor shall be deemed a nonresident for purposes of filing in this state;

(b) A limited partnership organized under KRS Chapter 362 shall be deemed a resident of the county in which its office is located, as set forth in its certificate of limited partnership or most recent amendment thereto filed pursuant to KRS Chapter 362. If such office is not located in this state, the debtor shall be deemed a nonresident for purposes of filing in this state;

(c) A limited partnership not organized under the laws of this state and authorized to do business in this state under KRS Chapter 362 shall be deemed a resident of the county in which the office of its process agent is located, as set forth in the designation or most recent amendment thereto filed with the Secretary of State of the Commonwealth of Kentucky;

(d) A corporation organized under KRS Chapter 271B, 273, or 274 or a limited liability company organized under KRS Chapter 275 shall be deemed a resident of the county in which its registered office is located, as set forth in its most recent corporate filing with the Secretary of State which officially designates its current registered office;

(e) A corporation not organized under the laws of this state, but authorized to transact or do business in this state under KRS Chapter 271B, 273, or 274, or a limited liability company not organized under the laws of this state, but authorized to transact business in this state under KRS Chapter 275, shall be deemed a resident of the county in which its registered office is located, as set forth in its most recent filing with the Secretary of State which officially designates its current registered office;

(f) A cooperative corporation or association organized under KRS Chapter 272 shall be deemed a resident of the county in which its principal business is transacted, as set forth in its articles of incorporation or most recent amendment thereto filed with the Secretary of State of the Commonwealth of Kentucky;

(g) A cooperative corporation organized under KRS Chapter 279 shall be deemed a resident of the county in which its principal office is located, as set forth in its articles of incorporation or most recent amendment thereto filed with the Secretary of State of the Commonwealth of Kentucky;

(h) A business trust organized under KRS Chapter 386 shall be deemed a resident of the county in which its principal place of business is located, as evidenced by the recordation of its declaration of trust in that county pursuant to KRS Chapter 386;

(i) A credit union organized under KRS Chapter 290 shall be deemed a resident of the county in which its principal place of business is located, as set forth in its articles of incorporation or most recent amendment thereto filed with the Secretary of State of the Commonwealth of Kentucky; and

(j) Any other organization (defined in KRS 355.1-201) shall be deemed a resident of the county in which its principal place of business in this state is located, except that any limited partnership or corporation not organized under the laws of this state and not authorized to transact or do business in this state shall be deemed a nonresident for purposes of filing in this state. If the organization does not have a place of business in this state, then it shall be deemed a nonresident for purposes of filing in this state.

If the debtor does not reside in the Commonwealth, the notation of the security interest shall be done in the office of the county clerk in which the property is principally situated or operated. Notwithstanding the existence of any filed financing statement under the provisions of KRS Chapter 355 relating to any property registered or titled in Kentucky,[~~ the sole means of~~] perfecting and discharging a security interest in property for which a certificate of title is required by this chapter is by notation on ***the***[~~such~~] property's certificate of title ***under the provisions of this chapter or in accordance with the provisions of subsection (3) of Section 1 of this Act***. In other respects the security interest is governed by the provisions of KRS Chapter 355.

(3) Except as provided in subsection (4) of this section, before ownership of property subject to a lien evidenced by notation on the certificate of title may be transferred, the transferor shall obtain the release of the prior liens in his name against the property being transferred. Once a security interest has been noted on the owner's title, ***a***[~~no~~] subsequent title ***shall not***[~~may~~] be issued by any county clerk free of ***the***[~~such~~] notation unless the owner's title is presented to the clerk and it has been noted thereon[~~,~~] that the security interest has been discharged. If this requirement is met, information relating to any security interest shown on the title as having been discharged may be omitted from the title to be issued by the clerk. ***If information relating to the discharge of a security interest is presented to a clerk under the provisions of subsection (3) of Section 1 of this Act, the clerk shall immediately discharge the security interest and remove the lien information from AVIS.***

(4) Notwithstanding subsections (1), (2), and (3) of this section, a county clerk shall, following inspection of the vehicle by the sheriff, to determine that the vehicle has not been stolen, issue a new title to a vehicle, clear of all prior liens, to a person after he provides to the county clerk an affidavit devised by the Transportation Cabinet and completed by the person. In the affidavit, the person shall attest that:

(a) He possesses the vehicle;

(b) A debt on the vehicle was owed him for more than thirty (30) days before he provided the notices required by paragraphs (c) and (d) of this subsection;

(c) More than fourteen (14) days before presenting the affidavit to the county clerk, the person attempted to notify the owner of the vehicle and all known lienholders, including those noted on the title, by certified mail, return receipt requested, of his name, address, and telephone number as well as his intention to obtain a new title, clear of all prior liens, unless the owner or a lienholder objected in writing;

(d) More than fourteen (14) days before presenting the affidavit to the county clerk, the person had published a legal notice stating his intention to obtain title to the vehicle. The legal notice appeared at least twice in a seven (7) day period in a newspaper published, and with a statewide circulation, in Kentucky. The legal notice stated:

1. The person's name, address, and telephone number;
2. The owner's name;
3. The names of all known lienholders, including those noted on the title;
4. The vehicle's make, model, and year; and
5. The person's intention to obtain title to the vehicle unless the owner or a lienholder objects in writing within fourteen (14) days after the last publication of the legal notice; and

(e) Neither the owner nor a lienholder has objected in writing to the person's right to obtain title to the vehicle.

(5) No more than two (2) active security interests may be noted upon a certificate of title.

(6) In noting a security interest upon a certificate of title, the county clerk shall ensure that the certificate of title bears the lienholder's name, mailing address and zip code, the date the lien was noted, the notation number, and the county in which the security interest was noted. The clerk shall obtain the information required by this subsection for notation upon the certificate of title from the title lien statement described in KRS 186A.195 to be provided to the county clerk by the secured party.

(7) For all the costs incurred in the notation and discharge of a security interest on the certificate of title, the county clerk shall receive the fee prescribed by KRS 64.012. The fee prescribed by this subsection shall be paid at the time of submittal of the title lien statement described in KRS 186A.195.

(8) A copy of the application, certified by the county clerk, indicating the lien will be noted on the certificate of title shall be forwarded to the lienholder.

Section 3. KRS 186A.210 is amended to read as follows:

(1) When a security interest has been discharged under the provisions of subsection (3) of Section 1 of this Act, the county clerk shall immediately discharge the security interest and remove the lien information from AVIS.

(2) When[~~Whenever~~] a security interest[~~ to a vehicle~~] has been discharged as provided by KRS 186.045***(5)***[~~(2)~~], the county clerk of a county that is operating under automated procedures shall, upon receiving a termination statement, within five (5) days enter the record of termination into the automated system. The automated system shall be programmed to allow a county clerk in a county where the termination statement was not received to access the automated system to determine the county and date that the record of termination was entered into the automated system. The clerk of the county where the termination statement was received shall then release the lien recorded upon the title in the manner directed by the Department of Vehicle Regulation, and take such other action with respect to a termination as is directed by the

Department of Vehicle Regulation.

Section 4. KRS 138.470 is amended to read as follows:

(2) "Board-approved massage program" means one which meets minimum standards for training and curriculum as determined by the board;

(3) "Feldenkrais Method" means a system of somatic education in which touch and words are used to eliminate faulty habits, learn new patterns of self-organization and action, and improve a person's own functional movement patterns. The method is based on principles of physics, biomechanics and an understanding of, or learning about, human development. The practice is federally trademarked and requires permission from the Feldenkrais Guild to use the term and methodology;

(4) "Massage therapist" means a person who is licensed by the board to administer massage or massage therapy to the public for compensation;

(7) "Trager Approach" means a form of movement education that uses subtle directed movements and the skilled touch of a practitioner. The Trager Approach combines physical movement with sensory awareness and internal imagery designed to increase the client's self-awareness and generate physiological changes in the body tissues so as to allow the client to experience a new way of moving his or her body. The practice is federally trademarked.

Section 2. KRE 608 is amended to read as follows:

(a) Opinion and reputation evidence of character. The credibility of a witness may be attacked or supported by evidence in the form of opinion or reputation, but subject to ***these limitations:***

(2) Evidence of truthful character is admissible only after the character of the witness for truthfulness has been attacked by opinion or reputation evidence or otherwise[~~general reputation in the community~~].

(b) Specific instances of conduct. Specific instances of the conduct of a witness, for the purpose of attacking or supporting the witness' credibility, other than conviction of crime as provided in KRE 609, may not be proved by extrinsic evidence. They may, however, in the discretion of the court, if probative of truthfulness or untruthfulness, be inquired into on cross-examination of the witness:

(1) Concerning the witness' character for truthfulness or untruthfulness; or

(2) Concerning the character for truthfulness or untruthfulness of another witness as to which character the witness being cross-examined has testified.

The giving of testimony, whether by an accused or by any other witness, does not operate as a waiver of the accused's or the witness' privilege against self-incrimination when examined with respect to matters which relate only to credibility.

HB 303, AN ACT relating to Veterans Day.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 158.070 is amended to read as follows:

(1) The minimum school term shall be one hundred eighty-five (185) days, including no less than the equivalent of one hundred seventy-five (175) six (6) hour instructional days. A board of education may extend its term beyond the minimum term.

(2) The local board of education, upon recommendation of the local school district superintendent, shall adopt a school calendar for the upcoming school year that establishes the opening and closing dates of the school term, beginning and ending dates of each school month, instructional days, and days on which schools shall be dismissed. The local board may schedule days for breaks in the school calendar that shall not be counted as a part of the minimum school term.

(3) Any local board of education operating its schools on a year-round school program basis shall conform with administrative regulations promulgated and adopted by the Kentucky Board of Education upon the recommendation of the commissioner of education, which regulations must be in conformity with the following criteria:

(a) The year-round school program shall be operated on a fiscal year beginning July 1 and ending June 30;

(b) A pupil's required attendance in school shall be for at least the minimum instructional term; and

(c) No teacher shall be required to teach more than the minimum term during the school year.

(4) (a) Each local board of education shall use four (4) days of the minimum school term for professional development and collegial planning activities for the professional staff without the presence of pupils pursuant to the requirements of KRS 156.095. At the discretion of the superintendent, one (1) day of professional development may be used for district-wide activities and for training that is mandated by federal or state law. The use of three (3) days shall be planned by each school council, except that the district is encouraged to provide technical assistance and leadership to school councils to maximize existing resources and to encourage shared planning.

(b) A local board may approve a school's flexible professional development plan that permits teachers or other certified personnel within a school to participate in professional development activities outside the days scheduled in the school calendar or the regularly scheduled hours in the school work day and receive credit towards the four (4) day professional development requirement within the minimum one hundred eighty-five (185) days that a teacher shall be employed.

1. A flexible schedule option shall be reflected in the school's professional development component within the school improvement plan or consolidated plan and approved by the local board. Credit for approved professional development activities may be accumulated in periods of time other than full day segments.

2. No teacher or administrator shall be permitted to count participation in a professional development activity under the flexible schedule option unless the activity is related to the teacher's classroom assignment and content area, or the administrator's job requirements, or is required by the school improvement or consolidated plan, or is tied to the teacher's or the administrator's individual growth plan. The supervisor shall give prior approval and shall monitor compliance with the requirements of this paragraph. In the case of teachers, a professional development committee or the school council by council policy may be responsible for reviewing requests for approval.

(c) The local board of each school district may use up to a maximum of four (4) days of the minimum school term for holidays; provided, however, any holiday which occurs on Saturday may be observed on the preceding Friday.

(d) Each local board may use two (2) days for planning activities without the presence of pupils.

(e) Each local board may use the number of days deemed necessary for:

1. National or state disaster or mourning when proclaimed by the President of the United States or the Governor of the Commonwealth of Kentucky;

2. Local disaster which would endanger the health or safety of children; and

3. Mourning when so designated by the local board of education and approved by the Kentucky Board of Education upon recommendation of the commissioner of education.

(5) The Kentucky Board of Education, upon recommendation of the commissioner of education, shall adopt administrative regulations governing the use of school days, including days missed from the regular school day as a result of local disaster, as defined in subsection (4)(e)2. of this section, and regulations setting forth the guidelines and procedures to be observed for the approval of the days utilized for the opening and closing of school and the days utilized for professional development and planning activities for the professional staff.

(6) (a) In setting the school calendar, school may be closed for two (2) consecutive days for the purpose of permitting

professional school employees to attend statewide professional meetings. These two (2) days for statewide professional meetings may be scheduled to begin with the first Thursday after Easter, or upon request of the statewide professional education association having the largest paid membership, the commissioner of education may designate alternate dates. If schools are scheduled to operate during days designated for the statewide professional meeting, the school district shall permit teachers who are delegates to attend as compensated professional leave time and shall employ substitute teachers in their absence. The commissioner of education shall designate one (1) additional day during the school year when schools shall be closed to permit professional school employees to participate in regional or district professional meetings. These three (3) days so designated for attendance at professional meetings shall not be counted as a part of the minimum school term. School shall be closed on the day of a regular election, and may be closed on the day of a primary election, and those days may be used for professional development activities, professional meetings, or parent-teacher conferences.

(b) All schools shall be closed on the third Monday of January in observance of the birthday of Martin Luther King, Jr. Districts may:

1. Designate the day as one (1) of the four (4) holidays permitted under subsection (4)(c) of this section; or

2. Not include the day in the minimum school term specified in subsection (1) of this section.

(c) All schools shall be closed on the eleventh day of November in observance of Veterans Day. Districts may:

1. Designate the day as one (1) of the four (4) holidays permitted under subsection (4)(c) of this section; or

2. Not include the day in the minimum school term specified in subsection (1) of this section.

If Veterans Day falls on a Saturday, the preceding Friday shall be observed as the holiday, and if it falls on a Sunday, the following Monday shall be observed as the holiday.

(7) Students applying for excused absence for attendance at the Kentucky State Fair shall be granted one (1) day of excused absence.

(8) Schools shall provide continuing education for those students who are determined to need additional time to achieve the outcomes defined in KRS 158.6451, and schools shall not be limited to the minimum school term in providing this education. Continuing education time may include extended days, extended weeks, or extended years. A local board of education may adopt a policy requiring its students to participate in continuing education. The local policy shall set out the conditions under which attendance will be required and any exceptions which are provided. The Kentucky Board of Education shall promulgate administrative regulations establishing criteria for the allotment of grants to local school districts and shall include criteria by which the commissioner of education may approve a district's request for a waiver to use an alternative service delivery option, including providing services during the school day on a limited basis. These grants shall be allotted to school districts to provide instructional programs for pupils who are identified as needing additional time to achieve the outcomes defined in KRS 158.6451. A school district that has a school operating a model early reading program under KRS 158.792 may use a portion of its grant money as part of the matching funds to provide individualized or small group reading instruction to qualified students outside of the regular classroom during the school day.

(9) Notwithstanding any other statute, each school term shall include no less than the equivalent of the minimum number of instructional days required by this section.

(10) Notwithstanding the provisions of KRS 158.060(3) and the provisions of subsection (1) of this section, a school district shall arrange bus schedules so that all buses arrive in sufficient time to provide breakfast prior to the instructional day. In the event of an unforeseen bus delay, the administrator of a school that participates in the Federal School Breakfast Program may authorize up to fifteen (15) minutes of the six (6) hour instructional day if necessary to provide the opportunity for children to eat breakfast not to exceed eight (8) times during the school year within a school building.

HB 19, AN ACT relating to death certificates.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 213.076 is amended to read as follows:

(1) A certificate of death or a provisional certificate of death for each death which occurs in the Commonwealth shall be filed with the cabinet or as otherwise directed by the state registrar prior to final disposition, and it shall be registered if it has been completed and filed in accordance with this section. The funeral director, or person acting as such, who first takes custody of a dead body shall be responsible for filing the certificate of death. The funeral director, or person acting as such, shall obtain the required personal and statistical particulars from the person best qualified to supply them over the signature and address of the informant. The funeral director, or person acting as such, shall within five (5) days of the death, present the certificate to the attending physician, if any, or to the health officer or coroner as directed by the state registrar, for the medical certificate of the cause of death and other particulars necessary to complete the record as required by this chapter.

(a) It shall be unlawful for an institution to release a dead human body until the funeral director, or person acting as such, has completed and filed with the local registrar or person in charge of the institution, a provisional certificate of death. If death occurs outside an institution, the provisional certificate shall be filed with the local registrar by the funeral director, or person acting as such, prior to final disposition of the dead body. A copy of the provisional certificate of death signed by the person with whom it was filed, shall constitute authority for the possession, transportation, and, except for cremation, final disposition of the body.

(b) All persons having in their possession a completed provisional certificate of death shall file the certificate at not more than weekly intervals with the local registrar.

(c) If the place of death is unknown but the dead body is found in the Commonwealth, the certificate of death shall be completed and filed in accordance with this section. The place where the body is found shall be shown as the place of death. If the date of death is unknown, it shall be determined by approximation subject to amendment upon completion of any postmortem examination required to be performed.

(d) If death occurs in a moving conveyance in the United States and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, and the place where it is first removed shall be considered the place of death. If a death occurs on a moving conveyance while in international waters or air space or in a foreign country or its air space, and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, but the certificate shall show the actual place of death insofar as can be determined.

(2) If any certificate of death is incomplete or unsatisfactory, the state registrar shall call attention to the defects in the certificate and require the person responsible for the entry to complete or correct it. The state registrar may also require additional information about the circumstances and medical conditions surrounding a death in order to properly code and classify the underlying cause.

(3) The medical certification shall be completed, signed, and returned to the funeral director within five (5) working days after presentation to the physician, dentist, or chiropractor in charge of the patient's care for the illness or condition which resulted in death, except when inquiry is required by KRS 72.400 to 72.475. In such cases, ***and if the cause of death is unknown or under investigation, the cause of death shall be shown as such on the certificate. A supplemental report providing the medical information omitted from the original certificate shall be filed by the certifier with the State Registrar within five (5) days after receiving results of the inquiry as required by KRS 72.400 to 72.475. The supplemental report shall be made a part of the existing death certificate. Such report shall be considered an amendment, and the death certificate shall be marked "Amended"***[~~the coroner shall complete and sign the certificate within five (5) days after receiving results of the inquiry as required by KRS 72.400 to 72.475~~]. In the absence of the physician, dentist, or chiropractor, or with such person's approval, the certificate may be completed and signed by his associate physician, dentist, or chiropractor, or the chief medical officer of the institution in which death occurred, or the physician who performed an autopsy upon the decedent, or a physician employed by the local health department, if the individual has access to the medical history of the case and death is due to natural causes.

(4) If death occurs more than thirty-six (36) hours after the decedent was last treated or attended by a physician, dentist, or chiropractor, the case shall be referred to the coroner for investigation to determine and certify the cause of death. In the event that a coroner is not available to sign the certificate and there is no duly appointed deputy, the county judge/executive shall appoint a competent person to investigate the death and certify to its cause.

(5) (a) The physician, dentist, chiropractor, or coroner who certifies to the cause of death shall return the certificate to the funeral director, or person acting as such, who, in turn, shall file the certificate directly with the Office of Vital Statistics. Any certified copies of the record requested at the time of filing shall be issued in not more than two (2) working days.

(b) In the case of a death in which diabetes was an underlying cause or contributing condition, diabetes shall be listed in the appropriate location on the death certificate by the physician, dentist, chiropractor, or coroner who certifies to the cause of death.

(c) In the case of a death in which diabetes was an immediate, underlying, or contributing cause of or condition leading to death, the physician, dentist, chiropractor, or coroner who certifies to the cause of death shall check "yes" for each of the following questions on the death certificate:

1. "Did the deceased have diabetes?"; and
2. "Was diabetes an immediate, underlying, or contributing cause of or condition leading to death?".

(6) The Office of Vital Statistics shall provide self-addressed, color-coded envelopes for the funeral homes in the Commonwealth of Kentucky.

(7) Three (3) free verification-of-death statements shall be provided to the funeral director by the Office of Vital Statistics for every death in the Commonwealth of Kentucky.

(8) The body of any person whose death occurs in Kentucky shall not be interred, deposited in a vault or tomb, cremated, or otherwise disposed of, or removed from or into any registration district, until a provisional certificate of death has been filed with the local registrar of the registration district in which the death occurs. If the death occurred from a disease declared by the Cabinet for Health Services to be infectious, contagious, or communicable and dangerous to the public

health, no permit for the removal or other disposition of the body shall be granted by the registrar except under conditions prescribed by the Cabinet for Health Services and the local health department. The Cabinet for Health Services shall identify by regulation those communicable diseases which require blood and body fluid precautions. If a person who has been diagnosed as being infected with a communicable disease for which blood and body fluid precautions are required, dies within a health facility as defined in KRS 216B.015, the facility shall notify any embalmer or funeral director to whom the body will be transported of the need for such precautions. The notice shall be provided by including the statement "Blood and Body Fluid Precautions" on the provisional report-of-death form as prescribed by the Cabinet for Health Services. Lack of this notice shall not relieve any embalmer or funeral director from taking universal blood and body fluid precautions as are recommended by the United States Department of Health and Human Services, Centers for Disease Control for Morticians' Services. No embalmer or funeral director shall charge more for embalming the remains of a person with a communicable disease which requires blood and body fluid precautions than the price for embalming services listed on the price list funeral providers are required to maintain and provide to consumers pursuant to 16 C.F.R. Sec. 453.2 (1988).

(9) A burial-transit permit for the final disposition issued under the law of another state which accompanies a dead body or fetus brought into the Commonwealth shall be the authority for final disposition of the body or fetus in the Commonwealth and may be accepted in lieu of a certificate of death. There shall be noted on the face of the record made for return to the local registrar that the body was shipped to Kentucky for interment and the actual place of death.

(10) Nothing in this section shall be construed to delay, beyond a reasonable time, the interment or other disposition of a body unless the services of the coroner or the health officer are required or the Department for Public Health deems it necessary for the protection of the public health. If compliance with this section would result in unreasonable delay in the disposition of the body the funeral director, or person acting as such, shall file with the local registrar or deputy registrar prior to interment a provisional certificate of death which shall contain the name, date, and place of death of the deceased, the name of the medical certifier, and an agreement to furnish within ten (10) days a complete and satisfactory certificate of death.

(11) No sexton or other person in charge of any place in which interment or other disposition of dead bodies is made shall inter or allow interment or other disposition of a dead body or fetus unless it is accompanied by a copy of the provisional certificate of death. The sexton, or if there is no sexton, the funeral director, or person acting as such, shall enter on the provisional certificate over his signature, the date, place, and manner of final disposition and file the certificate within five (5) days with the local registrar.

(12) Authorization for disinterment, transportation, and reinterment or other disposition shall be required prior to disinterment of any human remains. The authorization shall be issued by the state registrar upon proper application. The provisions of this subsection shall apply to all manners of disposition except cremation and without regard for the time and place of death. The provisions of KRS 381.765 shall not apply to remains removed for scientific study and the advancement of knowledge.

(13) After a death certificate has been on file for five (5) years, it may not be changed in any manner except upon order of a court. Prior to that time, requests for corrections, amendments, or additions shall be accompanied by prima facie evidence which supports the requested change.

HB 74, AN ACT relating to the insurance premium tax.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 91A.080 is amended to read as follows:

(1) The legislative body of each city, county, or urban-county government which elects to impose and collect license fees or taxes upon insurance companies for the privilege of engaging in the business of insurance may enact or change its license fee or rate of tax to be effective July 1 of each year on a prospective basis only and shall file with the commissioner of insurance at least one hundred (100) days prior to the effective date, a copy of all ordinances and amendments which impose any such license fee or tax. No less than eighty-five (85) days prior to the effective date, the commissioner of insurance shall promptly notify each insurance company engaged in the business of insurance in the Commonwealth of those city, county, or urban-county governments which have elected to impose the license fees or taxes and the current amount of the license fee or rate of tax.

(2) Any license fee or tax imposed by a city, county, or urban-county government upon an insurance company with respect to life insurance policies, may be based upon the first year's premiums, and, if so based, shall be applied to the amount of the premiums actually collected within each calendar quarter upon the lives of persons residing within the corporate limits of the city, county, or urban-county government.

(3) Any license fee or tax imposed by a city, county, or urban-county government upon any insurance company with respect to any policy which is not a life insurance policy shall be based upon the premiums actually collected by the company within each calendar quarter on risks located within the corporate limits of the city, county, or urban-county government on those classes of business which the company is authorized to transact, less all premiums returned to policyholders. In determining the amount of license fee or tax to be collected and to be paid to the city, county, or urban-county government, the insurance company shall use the tax rate effective on the first day of the policy term. When an insurance company collects a premium as a result of a change in the policy during the policy term, the tax rate used shall be the rate in effect on the effective date of the policy change. With respect to premiums returned to policyholders, the license fee or tax shall be returned by the insurance company to the policyholder pro rata on the unexpired amount of the premium at the same rate at which it was collected and shall be taken as a credit by the insurance company on its next quarterly report to the city, county, or urban-county government. Any license fee or tax imposed upon premium receipts shall not include premiums received for insuring employers against liability for personal injuries to their employees, or the death of their employees, caused thereby, under the provisions of the Workers' Compensation Act.

(4) The Department of Insurance shall, by administrative regulation, provide for a reasonable collection fee to be retained by the insurance company or its agent as compensation for collecting the tax, except that the collection fee shall not be more than fifteen percent (15%) of the fee or tax collected and remitted to the city, county or urban-county government or two percent (2%) of the premiums subject to the tax, whichever is less. To facilitate computation, collection, and remittance of the fee or tax and collection fee provided in this section, the fees or taxes set out in subsection (1), (2), or (3) of this section, together with the collection fee in this section, may be rounded off to the nearest dollar amount.

(5) Pursuant to KRS 304.3-270, if any other state retaliates against any Kentucky domiciliary insurer because of the requirements of this section, the commissioner of insurance shall impose an equal tax upon the premiums written in this state by insurers domiciled in the other state.

(6) Accounting and reporting procedures for collection and reporting of the fees or taxes and the collection fee herein provided shall be determined by administrative regulations promulgated by the Department of Insurance.

(7) Upon written request of the legislative body of any city, county, or urban-county government, at the expense of the requesting city, county, or urban-county government, which shall be paid in advance by the city, county, or urban-county government to the Department of Insurance, the Department of Insurance shall examine, or cause to be examined by contract with qualified auditors, the books or records of the insurance companies or agents subject to the fee or tax to determine whether the fee or tax is being properly collected and remitted, and the findings of the examination shall be reported to the city, county, or urban-county government. Willful failure to properly collect and remit the fee or tax imposed by a city, county, or urban-county government pursuant to the authority granted by this section shall constitute grounds for the revocation of the license issued to an insurance company or agent under the provisions of KRS Chapter 304.

(8) The license fees or taxes provided for by subsections (2) and (3) of this section shall be due thirty (30) days after the end of each calendar quarter. Annually, by March 31, each insurer shall furnish each city, county, or urban-county government to which the tax or fee is remitted with a breakdown of all collections in the preceding calendar year for the following categories of insurance:

 (a) Casualty;

 (b) Automobile;

 (c) Inland marine;

 (d) Fire and allied perils;

 (e) Health; and

 (f) Life.

(9) Any license fee or tax not paid on or before the due date shall bear interest at the tax interest rate as defined in KRS 131.010(6) from the date due until paid. Such interest payable to the city, county, or urban-county government is separate of penalties provided for in subsection (7) of this section. No city, county, or urban-county government may impose any penalties other than those provided for in this subsection.

(10) No license fee or tax imposed under this section shall apply to premiums received on policies of group health insurance provided for state employees under KRS 18A.225.

(11) No county may impose the tax authorized by this section upon the premiums received on policies issued to public service companies which pay ad valorem taxes.

(12) (a) Insurance companies which pay license fees or taxes pursuant to this section shall credit city license fees or taxes against the same license fees or taxes levied by the county, when the license fees or taxes are levied by the county on or after July 13, 1990.

(b) If a county imposed and collected the license fee or tax authorized by this section before July 1, 2000, then insurance companies that pay license fees or taxes under this section shall not credit against the county license fee or tax that portion of a city license fee or tax that becomes effective for the first time on or after July 1, 2000, or is increased effective on or after July 1, 2000. The provisions of this paragraph shall expire on June 30, 2002, unless extended by the General Assembly.

(13) No license fee or tax imposed under this section shall apply to premiums received on health insurance policies issued to individuals nor to policies issued through Kentucky Access created in KRS 304.17B-005.

(14) No license fee or tax imposed under this section shall apply to premiums paid to insurers of municipal bonds, leases, or other debt instruments issued by or on behalf of a city, county, charter county government, urban-county government, consolidated local government, special district, nonprofit corporation, or other political subdivision of the Commonwealth of Kentucky.

(2) In counties containing a city of the first class, an urban-county form of government, or a consolidated local government, the amount, if any, allowed for the necessary office expenses of each officer shall be approved by the fiscal court in counties containing a city of the first class, by the legislative body in counties containing an urban-county form of government, or by the legislative council in a consolidated local government. This approval shall be signed by the county judge/executive in a county containing a city of the first class, the executive authority in a county having an urban-county form of government, or the mayor in a consolidated local government. Approval by the fiscal court, urban-county legislative body, or legislative council of a consolidated local government under this subsection shall not include oversight of expenditure of the funds. This oversight shall be retained by the Office of the Controller created pursuant to KRS 42.0201. A certified copy of the orders, and of any subsequent changes made therein, shall, as soon as entered, be forwarded to the Finance and Administration Cabinet.

(3) Each officer shall, on the first day of each month, send to the Finance and Administration Cabinet a statement, subscribed and sworn to by him, showing the amount of money received or collected by or for him the preceding month as fees or compensation for official duties and shall, with these statements, send to the Finance and Administration Cabinet the amount so collected or received. The Finance and Administration Cabinet may extend the time for filing the statement and making the payment for a period not exceeding ten (10) days in any month.

(4) The salary of each officer and his deputies and assistants and his office expenses shall be paid semimonthly by the State Treasurer upon the warrant of the Finance and Administration Cabinet made payable to the officer. If seventy-five percent (75%) of the amount paid into the State Treasury in any month by any of such officers is not sufficient to pay the salaries and expenses of his office for that month, the deficit may be made up out of the amount paid in any succeeding month; but in no event shall the amount allowed by the Finance and Administration Cabinet to any officer for salaries and expenses exceed seventy-five percent (75%) of the amount paid to the Finance and Administration Cabinet by the officer during his official term.

(5) In counties containing a city of the first class, an urban-county form of government, or a consolidated local government, the number of deputies and assistants allowed to each officer and the compensation allowed to each deputy and assistant shall be approved at reasonable amounts upon motion of each officer by the fiscal court in counties containing a city of the first class, by the legislative council in a consolidated local government, and by the legislative body in counties containing an urban-county form of government. A certified copy of the orders, and of any subsequent changes made therein, shall, as soon as entered, be forwarded to the Finance and Administration Cabinet.

(7) The Office of the Controller shall recognize the amount allowed for necessary office expenses of each officer under subsection (2) of this section as the official budget for the office. The Office of the Controller shall use professional judgment in creating the appropriate fund and account structure to ensure that the offices do not exceed annual approved budgetary amounts or expend more than the resources available for the term of office.

A commissioner shall be eligible for reappointment upon the expiration of his term. A vacancy shall be filled for the balance of the unexpired term in the same manner as that prescribed for the appointment of the person who has ceased to hold office. Each commissioner shall receive the same compensation, which shall not be more than five hundred dollars ($500) per year, to be fixed by the commission and to be paid out of commission funds***, except that a commissioner representing a federal agency shall serve without compensation***. Each commissioner shall furnish a bond for faithful performance of his official duties. This bond shall not be less than five thousand dollars ($5,000); the amount shall be fixed by the commission; and its cost shall be paid by the commission.

(6) Each commissioner may be removed by the official by whom he was appointed, for cause, after hearing by the appointing official and after at least ten (10) days' notice in writing has been given to the commissioner, which notice shall embrace the charges preferred against him. The finding of the appointing official shall be final and removal results in vacancy in the office. ***A federal agency shall determine its own appointment and removal procedures for its representative.***

Section 5. KRS 74.460 is amended to read as follows:

The commission shall organize by appointing a chairman from its own members and a secretary and a treasurer, who need not be commissioners. The secretary shall keep a record of all proceedings of the commission which shall be available for inspection as other public records. The commission shall adopt its own rules of procedure and provide for its meetings. The commission shall have full and complete supervision, management, and control of the sources of supply of water as provided in the ordinances or resolutions for acquiring and operating them, and in their maintenance, operation, and extension. The commission may contract with cities, water associations,[~~ or~~] water districts***, or federal agencies*** which are represented by the commission for furnishing a supply of water to the parties for a period not exceeding fifty (50) years and the governing bodies of the cities, water associations,[~~ or~~] water districts***, or federal agencies*** may enter into the contracts with the commission. For the purpose of acquiring all or any part of its sources of supply of water, the commission may purchase from cities, water associations,[~~ or~~] water districts***, or federal agencies*** which are represented by the commission for mutually agreed terms without regard to actual value any sources of supply of water separate and apart from the water distribution systems of the parties; and the cities, water associations,[~~ or~~] water districts***, or federal agencies*** may convey the sources of supply of water to the commission without any election or voter approval notwithstanding any provision of any other law to the contrary. If any city, water association, or water district has outstanding any obligations which by their terms are in any manner payable from the revenues of their waterworks distribution system, the proceeds received from any conveyance shall be sufficient to retire all of the outstanding obligations, including all interest accrued and to accrue thereon to the date of retirement thereof; and the proceeds when received shall be set aside in a special fund and used for that purpose. The commission may appoint or contract for the services of officers, agents, and employees, including engineers, attorneys, accountants, fiscal agents, and other professional persons, prescribe their duties, and fix their compensation.

Section 6. KRS 74.470 is amended to read as follows:

For the purpose of acquiring, either by purchase or construction, sources of supply of water or for making improvements and extensions to sources of supply of water, a commission may issue revenue bonds payable solely from the revenues to be derived pursuant to water supply contracts with the cities, water districts, water associations, ***federal agencies,*** political subdivisions, or other public bodies as provided in KRS 74.420 to 74.520. For that purpose the commission may issue revenue bonds and be vested with all of the powers, duties, and responsibilities, including the power of condemnation, delegated and granted to a "governmental agency" under the terms and provisions of KRS Chapter 58, as the law now exists or as it may hereafter be amended. Under the law, the term "governmental agency" means the "commission" and the term "public project" means "sources of supply of water."

Section 7. KRS 74.480 is amended to read as follows:

(1) When a commission has been created, the cities, water associations,[~~ or~~] water districts***, or federal agencies*** represented by the commission shall contract with the commission for water and the contracts may provide that the sources of supply of water of the commission shall be the exclusive water supply for the respective water distribution systems. These cities, water associations, or water districts shall establish charges and rates for water supplied by them to consumers sufficient at all times:

(a) To pay the principal of and interest on all outstanding obligations of the cities, water associations, or water districts which by their terms are payable in any manner from the revenues of their respective waterworks distribution systems; and

(b) To pay the cost of operation and maintenance of their respective waterworks distribution systems, including the payments to be made to the commission pursuant to contracts for the purchase of water by those cities, water associations, or water districts.

(2) The commission shall establish charges and rates for water supplied to those cities, water associations,[~~ or~~] water districts***, or federal agencies*** represented by the commission sufficient at all times:

(a) To pay the principal of and interest on the revenue bonds issued by the commission under the provisions of KRS 74.420 to 74.520;

(b) To pay the cost of operation and maintenance of the sources of supply of water; and

(c) To provide an adequate fund for renewals, replacements, and reserves.

Contracts entered into between the commission and the cities, water associations, or water districts shall include covenants for the establishment of rates and charges as provided in this section.

Section 8. KRS 74.490 is amended to read as follows:

The commission shall also have the right to supply water to any city, water association, water district, political subdivision, ***federal agency*** or other public body, or any water distribution system regulated by the Public Service Commission, in addition to the cities, water associations,[~~ or~~] water districts***, or federal agencies*** which are represented by the commission, upon the payments, terms, and conditions mutually agreed upon. No capital expenditures shall be made by the commission for the purpose of furnishing water to the other party or parties. Any contract entered into to supply water to a city, water association, water district, ***federal agency,*** political subdivision, or other public body shall provide that payments to be made thereunder shall be solely from the revenues to be derived by the city, ***water association,*** water district, political subdivision, or other public body from the operation of the water works distribution system thereof; and the contract shall be a continuing, valid, and binding obligation of the city, ***water association, federal agency,*** water district, political subdivision, or other public body, payable from the revenues for a period of years, not to exceed fifty (50), as provided in the contract. Any contract shall not be a debt of any city, water association, water district, ***federal agency,*** political subdivision, or other public body within the meaning of any statutory or constitutional limitations.

Section 9. KRS 74.510 is amended to read as follows:

Since the activities of a commission created pursuant to KRS 74.420 to 74.520 are limited to the supply of water under contract to cities***, federal agencies,*** or to water distribution systems which are regulated by the Public Service Commission, including water districts and water associations, as provided in KRS 74.420 to 74.520, and such a commission has no authority to supply water to individual private consumers, such a commission shall not be deemed to constitute a "utility" or "person" within the meaning and application of KRS Chapter 278 and a commission shall not be subject to the jurisdiction of the Public Service Commission.

HB 56, AN ACT relating to mayoral candidates.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 83A.170 is amended to read as follows:

(1) In any city which has under the provisions of KRS 83A.045 or 83A.050 required nonpartisan city elections, or in any city of the second class operating under the city manager form of government pursuant to KRS 83A.150, no person shall be elected to city office except as provided in this section or as otherwise provided in this chapter relating to nonpartisan elections.

(2) No person shall be elected to city office without being nominated in the manner provided in this section at a nonpartisan primary election to be held at the time prescribed by KRS Chapters 116 to 121, except as otherwise provided in this chapter. Nonpartisan primary elections shall be conducted by the same officers, chosen and acting in the same manner, with the same rights and duties as in regular elections.

(3) Each applicant for nomination shall, not earlier than the first Wednesday after the first Monday in November of the year preceding the year in which the office will appear on the ballot and not later than the last date prescribed by the election law generally for filing notification and declaration forms with the county clerk as provided in KRS 83A.047, file a petition of nomination, which shall be in the form prescribed by the State Board of Elections signed by at least two (2) registered voters in the city. Each voter may sign individual petitions equal to the number of offices to be filled. If a voter signs petitions for more candidates than he is authorized, he shall be counted as a petitioner for the candidate whose petition is filed first.

(4) The county clerk shall examine the petition of each candidate to determine whether it is regular on its face. If there is an error, the county clerk shall notify the candidate by certified mail within twenty-four (24) hours of filing.

(5) Immediately upon expiration of the time for filing petitions, the county clerk shall have published in accordance with KRS Chapter 424 the names of the applicants as they will appear before the voters at the primary.

(6) Subsection (5) of this section shall not apply if it appears, immediately upon expiration of the time for filing petitions, that there are not more than two (2) applicants for nomination for each city office to be filled, or, when the nominations are for city legislative body members in cities electing legislative body members at large, and there are no more than twice the number of applicants for nomination for the number of offices to be filled. In that case, the applicants for nomination shall thereby be nominated and no drawing for ballot position nor primary election shall be held for that office.

(7) The ballot position of a candidate shall not be changed after the ballot position has been designated by the county clerk.

(8) If, before the ballots are printed, any candidate whose petition has been filed in the office of the county clerk dies or notifies the clerk in writing, signed and properly notarized, that he will not accept the nomination, the clerk shall not cause his name to be printed on the ballot.

(9) If, after the ballots are printed, any candidate whose name appears thereon shall withdraw pursuant to KRS 118.212 or die,

(a) Neither the precinct election officers nor the county board of elections shall tabulate or record the votes cast for the candidate.

(b) The county clerk shall provide notices to the precinct election officers who shall see that a notice is conspicuously displayed at the polling place advising voters of the change, and that votes for the candidate shall not be tabulated or recorded. (10) Names of applicants for each nomination shall be placed before the voters of the city. The voters shall be instructed to vote for one (1) candidate, except that they shall be instructed to vote for the number of legislative body members to be elected in cities nominating legislative body members at large. No party designation or emblem of any kind nor any sign indicating any applicant's political belief or party affiliation shall be used.

(11) Persons qualified to vote at a regular election shall be qualified to vote at a nonpartisan primary election and the law applicable to challenges made at a regular election shall be applicable to challenges made at a nonpartisan primary election.

(12) Votes shall be counted as provided in general election laws, pursuant to KRS Chapters 116 to 121, and the result shall be published as provided in KRS Chapter 424.

(13) The two (2) applicants receiving the highest number of votes for nomination for each city office shall be nominated; or where the nominations are for city legislative body members in cities electing legislative body members at large, there shall be nominated the number of applicants receiving the highest number of votes equal to twice the number of offices to be filled. ***If two (2) candidates are tied for the second highest number of votes in a mayoral election, the names of those two (2) candidates, plus the name of the candidate receiving the highest number of votes, shall be placed upon the ballot.***

(14) At the regular election following a nonpartisan primary election, the names of the successful nominees and candidates who have filed a petition of candidacy as provided in this chapter to fill a vacancy shall be placed before the voters.

(15) The nominee or candidate receiving the greater number of votes cast for each city office shall be elected.

(16) KRS Chapters 116 to 121 prescribing duties of county clerks and other public officers in the conduct of elections shall be applicable in all respects to nonpartisan city elections, except no election officer or other person within a polling place shall tell or indicate to a voter, by word of mouth or otherwise, the political affiliation of any candidate for city office.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 118 IS CREATED TO READ AS FOLLOWS:

(1) The Secretary of State, in conjunction with the Governor, shall prepare a state plan meeting the requirements of the Help America Vote Act of 2002, Pub. L. No. 107-252, for submission to the federal government.

(2) There is created within the general fund of the State Treasury the Election Reform fund, which is established for the purposes of carrying out election reform activities authorized by the Help America Vote Act. The fund shall consist of moneys appropriated to the fund by the General Assembly, federal funds provided under the Help America Vote Act, federal funds provided under any federal appropriations acts that are enacted to fund the Help America Vote Act, other amounts that may be appropriated by law, and any interest accruing thereon.

(3) The Secretary of State shall utilize the amounts in the Election Reform fund for the purposes of the Help America Vote Act.

Section 2. In order to implement the provisions of the Help America Vote Act and carry out the provisions of Section 1 of this Act, and to serve as the five percent (5%) state match for Kentucky's receipt of federal funds under the Help America Vote Act, there is appropriated from the general fund to the Election Reform fund established by Section 1 of this Act the sum of $2,100,000 in FY 2002-2003, and any funds unexpended by the Secretary of State from the Election Reform fund at the close of the fiscal year for which the funds were appropriated and otherwise made available to this fund pursuant to Section 1 of this Act, shall not lapse as provided by KRS 45.229, but shall be carried forward into the following fiscal year, and shall be used solely for the purposes specified in Section 1 of this Act. Section 3. Whereas the Help America Vote Act requires that states wishing to apply for federal funds in order to implement the provisions of the Act have an Election Reform fund established and have a state matching appropriation in place in order to qualify for federal funds, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

HB 363, AN ACT relating to independent candidates.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 118.315 is amended to read as follows:

(1) A candidate for any office to be voted for at any regular election may be nominated by a petition of electors qualified to vote for him, complying with the provisions of subsection (2) of this section. No person ***whose registration status***[~~who~~] is ***as*** a registered member of a political party shall be eligible to election as an independent candidate, nor shall any person be eligible to election as an independent candidate ***whose registration status***[~~who~~] was ***as*** a registered member of a political party on ***January 1***[~~December 31~~] immediately preceding the regular election for which the person seeks to be a candidate. This restriction shall not apply to candidates to those offices specified in KRS 118.105***(7)***[~~(5)~~], for supervisor of a soil and water conservation district, for candidates for mayor or legislative body in cities of the second to sixth class, or to candidates participating in nonpartisan elections.

(2) The form of the petition shall be prescribed by the State Board of Elections. It shall be signed by the candidate and by registered voters from the district or jurisdiction from which the candidate seeks nomination. The petition shall include a declaration, sworn to by the candidate, that he or she possesses all the constitutional and statutory requirements of the office for which the candidate has filed. Signatures for a petition of nomination for a candidate seeking any office shall not be solicited prior to the first Wednesday after the first Monday in November of the year preceding the year in which the office will appear on the ballot. A petition of nomination for a state officer, or any officer for whom all the electors of the state are entitled to vote, shall contain five thousand (5,000) petitioners; for a representative in Congress from any congressional district, or for any officer from any other district except as herein provided, four hundred (400) petitioners; for a county officer, member of the General Assembly, or Commonwealth's attorney, one hundred (100) petitioners; for a soil and water conservation district supervisor, twenty-five (25) petitioners; for a city officer, two (2) petitioners; and for an officer of a division less than a county, except as herein provided, twenty (20) petitioners. It shall not be necessary that the signatures of the petition be appended to one (1) paper. Each petitioner shall include his residence, Social Security number or date of birth, and post-office address. Failure of a voter to include his Social Security number or date of birth and address shall result in his signature not being counted. If any person joins in nominating, by petition, more than one (1) nominee for any office to be filled, he shall be counted as a petitioner for the candidate whose petition is filed first, except a petitioner for the nomination of candidates for soil and water conservation district supervisors may be counted for

every petition to which his signature is affixed.

(3) Titles, ranks, or spurious phrases shall not be accepted on the filing papers and shall not be printed on the ballots as part of the candidate's name; however, nicknames, initials, and contractions of given names may be accepted as the candidate's name.

(4) The Secretary of State and county clerks shall examine the petitions of all candidates who file with them to determine whether each petition is regular on its face. If there is an error, the Secretary of State or the county clerk shall notify the candidate by certified mail within twenty-four (24) hours of filing.

HJR 116, A JOINT RESOLUTION petitioning the United States Congress to propose an Amendment to the Constitution of the United States, for submission to the several States, to allow the people of the United States and the several States the freedom to exercise their religion in public places.

WHEREAS, the Ten Commandments appear over the bench where the United States Supreme Court Justices sit, thus showing the source from whence our laws and the government power of the state are derived; and

WHEREAS, America's colonial governments adopted the Ten Commandments not as an object of worship or an icon, but as the basis for their civil and criminal law, as illustrated on April 3, 1644, when the New Haven Colony Charter was adopted establishing that: "the judicial laws of God, as they were delivered to Moses be a rule to all courts in this jurisdiction"; and

WHEREAS, when signing the Declaration of Independence on August 2, 1776, Samuel Adams, the "Father of the Revolution" emphasized its Biblical presuppositions: "We have this day restored the Sovereign to whom all men ought to be obedient. He reigns in heaven and from the rising to the setting of the sun, let His kingdom come"; and

WHEREAS, on August 20, 1789, Congressman Fisher Ames from Massachusetts proposed the wording of the First Amendment which was adopted by the House of Representatives in the first session of the Congress of the United States; and his writings clearly demonstrate that the Framers never intended the First Amendment to be so interpreted as to remove the Bible from the public buildings: "We are spending less time in the classroom on the Bible which should be the principal text in our schools ..."; and

WHEREAS, in a letter dated August 18, 1790, President George Washington wrote to the Hebrew Congregation in Newport, Rhode Island, "All possess alike liberty if conscience and immunities of citizenship... May the children of the stock of Abraham, who dwell in this land, continue to merit and enjoy the good will of the other inhabitants; while every one shall sit in safety under his own vine and fig tree, and there shall be none to make him afraid"; and

WHEREAS, in his "Farewell Address" of September 19, 1796, George Washington pointed out the connection between the faith of the Nation and its political prosperity when he declared: "Of all the dispositions and habits which lead to political prosperity, religion and morality are indispensable supports ..."; and

WHEREAS, acknowledging the Bible as an integral part of the fabric of our society on September 11, 1777, the Continental Congress adopted a resolution to import 20,000 Bibles from Holland and Scotland, as the colonies were at war with England; and

WHEREAS, on May 29, 1845, the day before his death, President Andrew Jackson stated: "My lamp of life is nearly out, and the last glimmer has come. I am ready to depart when called. The Bible is true. The principles and statutes of the Holy Book have been the rule of my life, and I have tried to conform to its spirit as nearly as possible. Upon that sacred volume I rest my hope for eternal salvation, through the merits and blood of our blessed Lord and Savior, Jesus Christ"; and

WHEREAS, President John Quincy Adams, the sixth President of the United States, wrote concerning the civil function of the Mosaic law: "The law given from Sinai was a civil and municipal as well as a moral and religious code: it contained many statutes ...of universal application – laws essential to the existence of men in society and most of which have been enacted by every nation which ever professed any code of laws"; and

WHEREAS, in a June, 1778 letter to her son, John Quincy Adams, Abigail Adams reinforced noble values and a sense of ultimate accountability to God which she believed to be the foundation of true greatness: "Great learning and superior abilities, should you ever possess them, will be of little value and small estimation, unless virtue, honor, truth, and integrity are added to them. Adhere to those religious sentiments and principles which were early instilled into your mind, and remember that you are accountable to your Maker for all your words and actions"; and

WHEREAS, on February 29, 1892, the United States Supreme Court, in a unanimous decision, which has never been overruled, cited sixty-six organic authorities which show the Bible's singular influence on America: "There is no dissonance in these declarations. There is a universal language pervading them all having one meaning: they affirm and reaffirm that this is a religious nation. These are not individual sayings, declarations of private persons; they are organic utterances; they speak the voice of the entire group. These authorities were collected to support the historical conclusion that 'no purpose of action against religion can be imputed any legislation, state or nation, because this is a religious people. This is historically true. From the discovery of this continent to the present hour, there is a single voice making this affirmation ... we find everywhere a clear recognition of the same truth ...this is a Christian nation'"; and

WHEREAS, on May 7, 1911, President Woodrow Wilson, addressing the Tercentenary Celebration of the Translation of the Bible into the English language, stated, "Moreover, the Bible does what is so invaluable in human life – it classifies moral values. It apprises us that men are not judged according to their wits, but according to their characters – that the last of every man's reputation is his truthfulness, his squaring his conduct with the standards that he knew to be the standards of purity and rectitude. How many a man we appraise, ladies and gentlemen, as great today whom we do not admire as noble! A man may have great power and small character"; and "The Bible has had a critical impact upon the development of Western civilization. Western literature, art and music are filled with images and ideas that can be traced to its pages. More important, our moral tradition has been shaped by the laws and teachings it contains. It was a biblical view of man – one affirming the dignity and worth of the human person, made in the image of our Creator – that inspired the principles upon which the United States is founded. President Jackson called the Bible 'the rock on which our republic rests' because he knew that it shaped the Founding Fathers' concept of individual liberty and their vision of a free and just society. The Bible has not only influenced the development of our Nation's values and institutions, but also enriched the daily lives of millions of men and women who have looked to it for comfort, hope and guidance. On the American frontier, the Bible was often the only book a family owned. For those pioneers living far from any church or school, it served both as a source of religious instruction and as the primary text from which children learned to read. The historical speeches of Abraham Lincoln and Dr. Martin Luther King, Jr. provide compelling evidence of the role Scripture played in shaping the struggle against slavery and discrimination. Today the Bible continues to give courage and direction to those who seek truth and righteousness. In recognizing its enduring value, we recall the words of the prophet Isaiah, who declared 'The grass withereth, the flower fadeth; but the word of our God shall stand forever.' Containing revelations of God's intervention in human history, the Bible offers moving testimony to His love for mankind. Treasuring the Bible as a source of knowledge and inspiration, President Abraham Lincoln called this Great Book 'the best gift God has given to man.' President Lincoln believed that the Bible not only reveals the infinite goodness of our Creator, but also reminds us of our worth as individuals and our responsibilities toward one another"; and

WHEREAS, the First Amendment in the Bill of Rights states, "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peacefully to assemble, and to petition the Government for a redress of grievances"; and

WHEREAS, recent court rulings have prevented the displaying of the Ten Commandments and have been the cause of the removal of these documents from public buildings; and

WHEREAS, eighty percent of the people are in favor of displaying the Ten Commandments in public places; and

WHEREAS, the General Assembly finds the Ten Commandments to be the precedent legal code of the Commonwealth which has provided the foundation for many of the civil and criminal statutes enacted into law throughout the history of the Commonwealth; and

WHEREAS, under Article V of the Constitution of the United States, Amendments to said Constitution may be proposed by the United States Congress whenever two-thirds of both chambers deem it necessary;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. The General Assembly of the Commonwealth of Kentucky, a majority of all members of the chambers voting separately to concur herein, hereby petitions the United States Congress to propose an Amendment to the Constitution of the United States, for submission to the several States for ratification, to allow the people of the United States and the several States the freedom to exercise their religion in public places.

Section 2. The text of the proposed Amendment to the Constitution of the United States should read substantially as follows:

"Nothing in the Constitution shall be construed to prohibit or otherwise limit the practice of individual or group prayer, the reading or the posting of the Ten Commandments, the recital of the Pledge of Allegiance, and the display of the motto 'In God We Trust' or similar phrases from historical documents referencing God in any public place, including a school; nor shall it require any person to join in prayer or other religious activity."

Section 3. Certified copies of this joint resolution shall be transmitted by the Secretary of State to the Administrator of General Services of the United States, to the President of the United States Senate, to the Speaker of the House of Representatives of the United States, to each member of the Commonwealth's delegation to the Congress of the United States, and to the presiding officer of each house of each state legislature of the several States.

WHEREAS, employers and citizens alike, both inside and outside of the Commonwealth, are the beneficiaries of the cost savings to these industries; and

WHEREAS, undocumented Mexican nationals pay federal, state, and local taxes, including Social Security and Medicare but are not eligible for Social Security, Medicare, and most welfare benefits provided by federal, state, and local governments; and

WHEREAS, our great Nation has prospered on the shoulders of its immigrants since its creation; and

WHEREAS, undocumented Mexican nationals embody this spirit of our Nation and continue to give life to the American dream; and

WHEREAS, agreement on labor and immigration policies among the three countries has not achieved success parallel to that of trade; and

WHEREAS, not providing vehicle operator's licenses or nondriver's identification cards to undocumented Mexican nationals in the Commonwealth perpetuates and exacerbates the confusion in the state law enforcement community as to the correct identity of undocumented Mexican nationals, the growth of a black market for fraudulent documents, and the inability of undocumented Mexican nationals to access basic services such as opening a bank account, checking out a library book, or contracting for utilities services; and

WHEREAS, it is necessary to ensure the safety of the citizens and residents of the Commonwealth who travel on our roads and highways through driver training, testing, and licensing, and by mandating liability insurance coverage for those citizens and residents who operate motor vehicles;

The General Assembly authorizes the Department to develop and implement a facility replacement and renovation program to improve the quality of Workforce Development Cabinet facilities used by the Department and its clients; and to reduce departmental reliance on lease/rental properties. The Department is directed to coordinate this program with the Secretary of the Finance and Administration Cabinet. Proceeds acquired from the sale, transfer, or other disposition of existing facilities may be expended toward the purchase, construction, renovation, and equipping and furnishing of replacement facilities. Expenditures authorized by this provision are limited to the use of funds solely derived from the sale of Cabinet-owned facilities, which equity rights are shared between both the state and the federal government. Any project estimated to cost over $400,000 shall be reported to the Capital Projects and Bond Oversight Committee by the Secretary of the Finance and Administration Cabinet.

R. COAL SEVERANCE TAX PROJECTS

Notwithstanding KRS 42.4588(2) and (4), the following projects are authorized and appropriated from Local Government Economic Development Fund moneys from the respective single county fund pursuant to KRS 42.4592 or General Fund supported Bond Funds for public purposes in the following coal-producing counties in the manner and amounts enumerated. These projects are determined by the General Assembly to be important to the furtherance of the public policy objectives and economic development purposes for which the Local Government Economic Development Program was established. The amounts appropriated are estimates. Actual expenditures and encumbrances shall be limited to the actual receipts realized and available in the respective single county fund. These amounts are comprised of estimated receipts for fiscal year 2002-2003 and fiscal year 2003-2004 in combination with prior unobligated balances in the respective single county funds. To the extent that a county that is authorized to proceed with a project enumerated below receives more single county Local Government Economic Development Fund moneys than are appropriated in this Act, the county may direct those funds to offset a cost overrun on any of the projects enumerated below upon approval of the Commissioner of the Coal County Development Office.

Notwithstanding KRS 42.4592, funds from each single county fund that equals the amount of Bond Funds for the respective county shall be deposited to the General Fund in fiscal year 2003-2004. The Coal Severance Tax Projects Bonds shall not be issued prior to September 1, 2003. The Bond Funds totaling $10,602,992 are supported with General Fund debt service of $980,000 which is included in the Finance and Administration Cabinet Debt Service appropriation.

CAPITAL PROJECTS BUDGET PROVISIONS FOR PART II, CAPITAL PROJECTS

1. All appropriations to existing line-item capital construction projects expire on June 30, 2002, unless reauthorized in this Act with the following exceptions: (1) A construction contract for the project shall have been awarded by June 30, 2002; (2) Permanent financing or a short-term line of credit sufficient to cover the total authorized project scope shall have been obtained in the case of projects authorized for bonds; (3) Grant or loan agreements, if applicable, shall have been finalized and properly signed by all necessary parties; and (4) Any capital construction project authorized pursuant to actions approved by the 2000 General Assembly House Bill 507 (2000 Ky. Acts ch. 549, Part II, R. Community Development Projects or S. Coal Severance Tax Projects), unless expressly reauthorized or reallotted in this Act. Any capital construction project authorized pursuant to actions approved by the 2000 General Assembly House Bill 507 (2000 Ky. Acts ch. 549, Part II, R. Community Development Projects or S. Coal Severance Tax Projects), that is not expressly reauthorized or reallotted in this Act is deemed to be reauthorized. Notwithstanding the criteria set forth in this section, the disposition of 2000-2002 biennium nonstatutory appropriated maintenance pools funded from Capital Construction Investment Income shall remain subject to the provisions of KRS 45.770(4)(c) and (d) with the exception of the Cabinet for Families and Children. To facilitate the transfer of five buildings from the Cabinet for Families and Children to the Finance and Administration Cabinet, it is the intent of the General Assembly that any remaining balance in any currently authorized Cabinet for Families and Children non-bond funded project be credited to the Finance and Administration Cabinet Maintenance Pool. Purchases of major items of equipment require reauthorization if a purchase order has not been executed by June 30, 2002.

2. Bond projects authorized for the first time in this section which have debt service supported by state General Fund appropriations are authorized in the first year of the biennium. The full amount of annualized debt service has been included at the

beginning of fiscal year 2003-2004. Therefore, the sale of any permanent bonds to finance these projects shall occur after January 1, 2003.

3. If any authorized capital construction or major equipment projects are canceled, any General Fund appropriated debt service for those same projects shall lapse to the credit of the General Fund.

4. Notwithstanding KRS 45.750 to 45.810, the General Assembly has determined that certain individual capital projects identified in this Act as eligible for funding from the Emergency Repair, Maintenance, and Replacement Fund, the Capital Construction and Equipment Purchase Contingency Fund, or the Deferred Maintenance Fund require a direct appropriation from the Emergency Repair, Maintenance, and Replacement Fund, the Capital Construction and Equipment Purchase Contingency Fund, or the Deferred Maintenance Fund in this Act.

5. Investment income earned from bond proceeds beyond that which is required to satisfy Internal Revenue Service arbitrage rebates and penalties and excess bond proceeds upon the completion of a bond-financed capital project may be used to pay debt service according to the Internal Revenue Service Code and accompanying regulations. Notwithstanding KRS 48.010(13)(b), 48.720, or any section of this Act, any funds appropriated but not required to pay debt service because of this fund source substitution shall be credited to the Deferred Maintenance Pool Account each year. Unneeded debt service resulting from any other circumstance shall lapse in accordance with KRS 48.010(13)(b), 48.720, and other provisions of this Act except for the following: if the fund balance in the Emergency Repair, Maintenance, and Replacement Fund falls below $5,000,000 in fiscal year 2002-2003, any debt service lapse necessary to bring the fund balance to $5,000,000 in that fiscal year shall be credited to the Emergency Repair, Maintenance, and Replacement Fund. If the Emergency Repair, Maintenance, and Replacement Fund remains at $5,000,000 or above, the first $2,000,000 in fiscal year 2002-2003 in debt service lapse shall be deposited to the General Fund Surplus Account for the purpose of paying unbudgeted Necessary Government Expenses. No transfer to the Emergency Repair, Maintenance, and Replacement Fund, Deferred Maintenance Pool Account, or the General Fund Surplus Account shall be made based on the above provisions if the lapse from other General Fund accounts is insufficient to meet appropriations approved in other parts of this Act.

6. Investment income earned from funds credited to the Technology Trust Fund account in the Finance and Administration Cabinet shall accrue to the Capital Construction and Equipment Purchase Contingency Account established in KRS 45.770.

7. The Council on Postsecondary Education subheading in this Part includes a project entitled Fire/ Life Safety/ Infrastructure-Agency Bond Pool, L.1.a.. Agency Bonds, $80,000,000 in projects are authorized to be funded from Restricted Funds-supported bonds. This pool provides funding for individual projects to be recommended by the Council on Postsecondary Education to the Secretary of the Finance and Administration Cabinet from the project listings previously identified and recommended by the Council for funding in the 2002-2004 biennium.

Notwithstanding KRS 45.750 to 45.810, 45.812, 45.814, 45.816, and 45.818, capital construction projects at institutions of postsecondary education involving no state or Federal Funds may be authorized between regular sessions of the General Assembly if the projects receive prior approval from both the Council on Postsecondary Education and the Secretary of the Finance and Administration Cabinet, and the Capital Projects and Bond Oversight Committee receives prior notification.

8. The Research Challenge Trust Fund-Endowment Match capital project appropriation under the Council on Postsecondary Education (L.1.c.) shall be transferred to the Research Challenge Trust Fund as established in KRS 164.7911 and 164.7917.

9. The Regional University Excellence Trust Fund-Endowment Match capital project appropriation under the Council on Postsecondary Education (L.1.d.) shall be transferred to the Regional University Excellence Trust Fund as established in KRS 164.7911 and 164.7919.

10. Notwithstanding 2000 Ky. Acts ch. 549, Capital Projects Budget Provisions for Part II, Capital Projects, 10., pertaining to the Capital Renewal and Maintenance Pool, the matching requirement is extended until June 30, 2004. Each postsecondary education institution may access any unmatched funds allocated from the Capital Renewal and Maintenance Pool to that institution after entering into an agreement with the Council on Postsecondary Education agreeing to fulfill the matching requirement by June 30, 2004. The Council on Postsecondary Education shall develop guidelines for the agreements.

11. Before any economic development bonds are issued, the proposed bond issue shall be approved by the Secretary of the Finance and Administration Cabinet and the State Property and Buildings Commission under KRS 56.440 to 56.590. In addition to the terms and conditions of KRS 154.12-100, administration of the Economic Development Bond Program by the Secretary of the Cabinet for Economic Development is subject to the following guideline: project selection shall be documented when presented to the Secretary of the Finance and Administration Cabinet. Included in the documentation shall be the rationale for selection and expected economic development impact.

12. Inasmuch as the identification of specific projects in a variety of areas of the state government cannot be ascertained with absolute certainty at this time, amounts are appropriated for specific purposes to projects which are not individually identified in this Act in the following areas: Kentucky Infrastructure Authority Water and Sewer Projects Pool, Repair of State-Owned Dams, Land Acquisition, Property Demolition, Guaranteed Energy Savings projects, Purchase of Agricultural Conservation Easements (PACE), Wetland and Stream Mitigation, Phase I Tobacco Settlement Agricultural Development Initiative, Economic Development projects which shall include authorization for the High-Tech Construction Pool and the High-Tech Investment Pool, Infrastructure projects, Employment Services facilities projects authorized in this part of this Act, Asbestos

Abatement projects, Technology Trust Fund projects, systems, initiatives, and the Council on Postsecondary Education Agency Bond Pool and Capital Renewal and Maintenance Pool. Any projects estimated to cost over $400,000 and equipment estimated to cost over $100,000 shall be reported to the Capital Projects and Bond Oversight Committee. All moneys transferred to the Finance and Administration Cabinet for capital construction from any appropriations, including income from investments, shall be expended, accounted for, and otherwise treated in the same manner as funds appropriated directly to the Finance and Administration Cabinet for capital construction.

13. Notwithstanding KRS 42.560 or any other statute or provision of law to the contrary, all undisbursed funds in the Energy Assistance Trust Fund, the expenditure authority for which expired February 19, 1998, are hereby transferred and appropriated to the Energy Efficiency in State Government Buildings Revolving Loan Fund, contingent upon passage of enabling legislation. These funds represent receipts and accumulated interest thereon from the Stripper Well Settlement Agreement under the U.S. Department of Energy Stripper Well Exemption Litigation, as provided in KRS 42.560 to 42.566. These funds are appropriated as Restricted Funds in the Finance and Administration Cabinet's Capital Budget.

14. Notwithstanding KRS 154.33-600 to 154.33-609 or any other statute or provision of law to the contrary, all moneys appropriated by the 1998 General Assembly and added to or reauthorized by the 2000 General Assembly for the Red Fox golf course are hereby reauthorized and reallocated to a new entity entitled "The Perry/Knott County Recreational Authority" (PKCRA) with the following exception: the $700,000 originally appropriated by the 1998 General Assembly from the Letcher County/Single County Coal Severance tax money is hereby directed to be returned to Letcher County. The balance of funds remaining in the heretofore entitled Red Fox/Carr Fork golf course project are authorized to be directed to a public recreational project or projects including but not limited to a public golf course at a site or sites to be determined by the Authority. The recreational project or projects supported by these funds shall be administered through a new bi-county cooperative authority comprised of one member from each of Knott and Perry Counties who shall be appointed by the respective County Judge/Executive and three members who shall be appointed by the Governor. The new five member Board of the Authority shall develop, operate, and manage the project. This authorization shall supersede any previous authorization by the General Assembly and any memorandum of agreement or understanding that has been entered into among the Commonwealth, Perry, Knott, and Letcher counties.

15. The appropriation by the 2000 General Assembly in the amount of $2,000,000 in Bond Funds for fiscal year 2001-2002 (2000 Ky. Acts ch. 549, Part II, R. Community Development Projects, 1. Finance and Administration Cabinet, number 661, Aquaculture Infrastructure Components), in accordance with the provisions of Capital Projects Budget Provisions for Part II, Capital Projects, 4., of this Act, is reauthorized and reallocated in fiscal year 2002-2003 to be appropriated to Kentucky State University as follows: $600,000 to the Purchase Area Aquaculture Cooperative of which $450,000 is to be used for operating costs on the existing facility, education, initiatives to promote marketing and quality control, and other expenditures deemed appropriate under the Cooperative Agreement between Kentucky State University and the Purchase Area Aquaculture Cooperative and the remaining $150,000 is to be used to complete the Pond Cost Share Program for farmers that were deemed qualified but due to rankings did not get funded; $900,000 to the Kentucky State University Aquaculture Program of which $800,000 is to be used for shrimp research and development, and the remaining $100,000 is to be used for bass research and development; $400,000 to the Montgomery County Aquaculture Cooperative, to be spent on the purchase and installation of aquaculture processing equipment, education, and other expenditures deemed appropriate under the Cooperative Agreement between Kentucky State University and the Montgomery County Aquaculture Cooperative; and $100,000 to the Thoroughbred Shrimp Company in Franklin County for support and enhancement of its shrimp hatchery operations, including the purchase and installation of equipment and other expenditures deemed appropriate under the Cooperative Agreement between Kentucky State University and the Thoroughbred Shrimp Company in Franklin County.

PART III

GENERAL PROVISIONS

1. Restricted Funds designated in the biennial budget bills are classified in the state financial records and reports as the Agency Revenue Fund, State Enterprise Funds (State Parks, State Fair Board, Insurance Administration, and Kentucky Horse Park), Internal Services Funds (Fleet Management, Computer Services, Correctional Industries, Central Printing, Risk Management, and Property Management), and selected Fiduciary Funds (Unemployment Compensation and Other Expendable Trust Funds). Separate funds records and reports shall be maintained in a manner consistent with the branch budget bills.

The sources of Restricted Funds appropriations in this Act shall include all fees (which includes fees for room and board, athletics, and student activities) and rentals, admittances, sales, bond proceeds, licenses collected by law, gifts, subventions, contributions, income from investments, and other miscellaneous receipts produced or received by a budget unit, except as otherwise specifically provided, for the purposes, use, and benefit of the budget unit as authorized by law. Restricted Funds receipts shall be credited and allotted to the respective fund or account out of which a specified appropriation is made in this Act. All receipts of Restricted Funds shall be deposited in the State Treasury and credited to the proper account as provided in KRS Chapters 12, 42, 45, and 48.

The sources of Federal Funds appropriations in this Act shall include federal subventions, grants, contracts, or other Federal Funds received, income from investments, and other miscellaneous federal receipts received by a budget unit, except as otherwise provided, for the purposes, use, and benefit of the budget unit as authorized by law. Federal Funds receipts shall be credited and allotted to the respective fund account out of which a specified appropriation is made in this Act. All Federal Funds receipts shall be deposited in the State Treasury and credited to the proper account as provided in KRS Chapters 12, 42, 45, and

48.

2. If receipts received or credited to the Restricted Funds accounts or Federal Funds accounts of a budget unit during fiscal year 2002-2003 or fiscal year 2003-2004, and any balance forwarded to the credit of these same accounts from the previous fiscal year, exceed the appropriation made by specific sum for these accounts of the budget unit as provided in Part I, Operating Budget, of this Act for the fiscal year in which the excess occurs, the excess funds in the accounts of the budget unit shall become available for expenditure for the purpose of the account during the fiscal year only upon compliance with the conditions and procedures specified in KRS 48.400, 48.500, 48.600, 48.605, 48.610, 48.620, 48.630, 48.700, 48.705, 48.710, 48.720, 48.730, 48.800, and 48.810 and this Act, and with the authorization of the State Budget Director and approval of the Secretary of the Finance and Administration Cabinet.

Prior to authorizing the appropriation of any excess, unbudgeted Restricted Funds pursuant to this section, the State Budget Director and the Secretary of the Finance and Administration Cabinet shall review the adequacy of the General Fund Surplus Account with respect to its availability to support Necessary Government Expenses. In the event that General Fund Surplus Account moneys are determined by this review to be adequate to meet known or anticipated Necessary Government Expenses during fiscal year 2002-2003 or fiscal year 2003-2004, respectively, then the appropriation increase may be approved. In the event that the review contemplated in this section indicates that there are insufficient funds available or reasonably estimated to become available to the General Fund Surplus Account to meet known or projected Necessary Government Expenses for the fiscal years enumerated above, the State Budget Director, with the concurrence of the Secretary of the Finance and Administration Cabinet, may disapprove the request for additional Restricted Funds expenditure authority and may direct the excess Restricted Funds identified to the General Fund Surplus Account in order to meet Necessary Government Expense obligations. The results of any review shall be reported to the Interim Joint Committee on Appropriations and Revenue in accordance with KRS 48.400, 48.500, 48.600, 48.605, 48.610, 48.620, 48.630, 48.700, 48.705, 48.710, 48.720, 48.730, 48.800, and 48.810.

On or before the beginning of each fiscal year, and, if applicable, during each fiscal year, each budget unit shall document and submit to the Finance and Administration Cabinet, the Governor's Office for Policy and Management, and the Legislative Research Commission a record of Restricted Funds and Federal Funds for each budget unit showing the most current estimates of receipts by sources and expenditures by uses, a comparative statement of any revised estimated receipts and proposed expenditures with appropriation sums specified in the enacted Budget of the Commonwealth, and statements which explain the cause, source, and use for any variance which may exist.

Each budget unit shall submit its reports in print and electronic format consistent with the Restricted Funds and Federal Funds records contained in the fiscal biennium 2002-2004 Branch Budget Request Manual and according to the following schedule in each fiscal year: (1) On or before the beginning of each fiscal year; (2) On or before October 1; (3) On or before January 1; and (4) On or before April 1.

3. Funds appropriated in this Act shall not be expended for any purpose not specifically authorized by the General Assembly in this Act nor shall funds appropriated in this Act be transferred to or between any cabinet, department, board, commission, institution, agency, or budget unit of state government unless specifically authorized by the General Assembly in this Act and the provisions of KRS 48.400, 48.500, 48.600, 48.605, 48.610, 48.620, 48.630, 48.700, 48.705, 48.710, 48.720, 48.730, 48.800, and 48.810. Compliance with the provisions of this subsection shall be reviewed and determined by the Interim Joint Committee on Appropriations and Revenue.

4. No state agency, cabinet, department, office, or program shall incur any obligation against the General Fund or Road Fund appropriations contained in this Act unless the obligation may be reasonably determined to have been contemplated in the enacted budget and is based upon supporting documentation considered by the General Assembly, legislative and executive records, and the statutory budget memorandum.

5. Any General Fund or Road Fund appropriation made in anticipation of a lack, loss, or reduction of Federal Funds shall lapse to the General Fund or Road Fund Surplus Account respectively to the extent the Federal Funds otherwise become available.

6. A state agency entitled to Federal Funds which would represent 100 percent of the cost of a program shall conform to KRS 48.730.

7. Pursuant to KRS 48.720, any excess General Fund or Road Fund debt service shall lapse to the respective surplus account unless otherwise directed in this Act.

8. No appropriation from any fund source shall exceed the sum specified in this Act until the agency has documented the necessity, purpose, use, and source, and the documentation has been submitted to the Interim Joint Committee on Appropriations and Revenue for its review and action in accordance with KRS 48.630. Proposed revisions to an appropriation contained in the enacted State/Executive Budget or allotment of an unbudgeted appropriation shall conform to the conditions and procedures of KRS 48.630 and this Act.

Notwithstanding KRS 48.630(3), (4), and (5), any proposed and recommended actions to increase appropriations for funds specified in Section 2 of this Part shall be scheduled consistent with the timetable contained in that section in order to provide continuous and timely budget information.

9. Allotments within appropriated sums for the activities and purposes contained in the enacted State/Executive Budget shall conform to KRS 48.610 and may be revised pursuant to KRS 48.605 and this Act.

10. All statutory continuing appropriations in existence at the time this Act takes effect are discontinued and suspended by this Act except as provided by Chapters 42, 96A, 164, 183, 278, and 441 of the Kentucky Revised Statutes. All statutes and portions of statutes in conflict with any of the provisions of this section, to the extent of the conflict, are suspended unless otherwise provided by this Act.

11. Except as otherwise explicitly authorized by this Act, nothing in this Act shall be construed to repeal any appropriation made heretofore or hereafter for the fiscal year ending June 30, 2002, and nothing in this Act is to be construed as amending or altering the provisions of Chapters 42, 45, and 48 of the Kentucky Revised Statutes pertaining to the duties and powers of the Secretary of the Finance and Administration Cabinet except as otherwise provided in this Act.

12. All questions that arise in interpreting any appropriation in this Act as to the purpose or manner for which the appropriation may be expended shall be decided by the Secretary of the Finance and Administration Cabinet pursuant to KRS 48.500, and the decision of the Secretary of the Finance and Administration Cabinet shall be final and conclusive.

13. The State Budget Director shall cause the Governor's Office for Policy and Management, within 60 days of adjournment of the 2003 Regular Session of the General Assembly, to publish a final enacted budget document, styled the Budget of the Commonwealth, based upon the recommended Legislative Budget as enacted by the 2002 Regular Session of the General Assembly and the recommended State/Executive Budget and Judicial Budget as enacted by the 2003 Regular Session of the General Assembly as well as other Acts which contain appropriation provisions for the 2002-2004 biennium, and based upon supporting documentation and legislative records as considered by the 2002 Regular Session of the General Assembly, the 2003 Regular Session of the General Assembly, and the statutory budget memorandum. Payment may be by lump sum or in increments and shall be computed by the retirement system in accordance with applicable law. If the employee elects to purchase service credit, the employing agency shall pick up contributions for the months purchased by the employee in accordance with applicable retirement statutes.

i. The Secretary of the Personnel Cabinet shall promulgate an administrative regulation to implement a furlough program; however, the Secretary shall present the proposed administrative regulation to the Interim Joint Committee on Appropriations and Revenue prior to filing the administrative regulation. PART VI

GENERAL FUND BUDGET REDUCTION PLAN

Pursuant to KRS 48.130 and 48.600, a General Fund Budget Reduction Plan is enacted for state government in the event of an actual or projected deficit in estimated General Fund revenue receipts of $6,916,450,000 in fiscal year 2002-2003 and $7,149,750,000 in fiscal year 2003-2004 as modified by related Acts and actions of the General Assembly in an extraordinary or regular session. Direct services, obligations essential to the minimum level of constitutional functions, and other items that may be specified in this Act, are exempt from the requirements of this Plan. Each branch head shall prepare a specific plan to address a proportionate share of the General Fund revenue shortfall applicable to the respective branch. No budget revision action shall be taken by a branch head in excess of the actual or projected deficit.

The Governor, the Chief Justice, and the Legislative Research Commission shall direct and implement reductions in allotments and appropriations only for their respective branch budget units as may be necessary as well as take other measures which shall be consistent with the provisions of this Part and general branch budget bills.

In the event of a revenue shortfall under the provisions of KRS 48.120, General Fund budget reduction actions shall be implemented in the following sequence:

(1) The Local Government Economic Assistance and the Local Government Economic Development Funds shall be adjusted by the Secretary of the Finance and Administration Cabinet to equal revised estimates of receipts pursuant to KRS 42.4582 as modified by the provisions of this Act.

(2) Transfers of excess unappropriated and unbudgeted Restricted Funds other than fiduciary funds shall be applied as determined by the head of each branch for its respective budget units.

(3) Excess General Fund appropriations which accrue as a result of personnel vacancies and turnover, and reduced requirements for operating expenses, grants, and capital outlay shall be determined and applied by the heads of the executive, judicial, and legislative departments of state government for their respective branches. The branch heads shall certify the available amounts which shall be applied to budget units within the respective branches and shall promptly transmit the certification to the Secretary of the Finance and Administration Cabinet and the Legislative Research Commission. The Secretary of the Finance and

Administration Cabinet shall execute the certified actions as transmitted by the branch heads.

Branch heads shall take care, by their respective actions, to protect, preserve, and advance the fundamental health, safety, legal and social welfare, and educational well-being of the citizens of the Commonwealth.

(4) Funds available in the Budget Reserve Trust Fund shall be applied in an amount not to exceed 25 percent of the trust fund balance in fiscal year 2002-2003 and 50 percent of the trust fund balance in fiscal year 2003-2004.

(5) Notwithstanding the provisions of KRS 48.130 and 48.600, if the actions contained in subsections (1) to (4) of this section are insufficient to eliminate an actual or projected revenue shortfall in the enacted General Fund revenue receipts, then the Governor is empowered and directed to take necessary actions with respect to the Executive Branch budget units to balance the budget by such actions conforming with the criteria expressed in the preceding subsection.

PART VII

HB 238, AN ACT relating to county consolidation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO READ AS FOLLOWS:

It is the intent of the General Assembly to encourage county governments to perform at the highest levels of efficiency and economy while providing the highest standards of governmental services possible to their citizens. It is also the belief of the General Assembly that, in order to attain these high standards of efficiency, economy, and service and to ensure the ongoing improvement in the quality of life of all citizens of the Commonwealth, all county governments must be permitted by the action of their fiscal courts or at the request of their citizens to consider consolidation with adjoining counties for these purposes. The General Assembly, in support of those counties that take action to consolidate, further intends to provide financial and technical assistance for those counties through legislative action in order to ease the transitions brought by consolidation.

SECTION 2. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO READ AS FOLLOWS:

(1) Any two (2) or more adjoining counties may consolidate.

(2) (a) An action to consolidate a county may be initiated by:

1. The adoption of an ordinance by a fiscal court stating the intent of the county to consider consolidation with another county or counties; or

2. The petitioning of the fiscal court by residents who are registered voters within the county.

(b) The number of signatures required for a petition to consolidate shall equal twenty percent (20%) of the total

number of persons voting in the last presidential election. All petitions shall be certified as sufficient by the county clerk. All petitions shall include the printed name, address, age, and signature of each registered voter signing the petition, and the date of the signature. The petition shall not be circulated for a period of time exceeding one hundred twenty (120) days. If the petition exceeds the one hundred twenty (120) day time frame it shall become void. Any petition containing irregularities shall be returned to the petitioner, who shall have ten (10) days to correct the irregularities and resubmit the petition to the county judge/executive for final certification.

(c) Upon receipt of a certified petition or the final adoption of an ordinance stating the intent of a county to consolidate with another county or counties, the county judge/executive in the initiating county shall within ten (10) working days notify by certified mail, return receipt requested, the fiscal courts of the adjoining counties proposed for consolidation and shall notify the residents of those counties by legal public notice of the action taken in the initiating county. If no action is taken within one hundred twenty (120) days from the receipt of the certified letter to present a petition or to enact an ordinance in the adjoining counties which are proposed to be consolidated as provided in paragraphs (a) and (b) of this subsection, the actions in the initiating county shall be considered void.

(3) All ordinances relating to county consolidation shall be adopted in accordance with the provisions of KRS 67.076, 67.077, 67.855, 67A.070, and 67C.103. Upon enactment, the ordinances shall be published in accordance with the provisions of KRS Chapter 424.

(4) (a) If, within one hundred twenty (120) days of the public notice in an adjoining county proposed for consolidation, a petition is received or an ordinance is enacted stating the intent of the county to consolidate with a county or counties as provided in subsection (2)(a) and (2)(b) of this section, a special election shall be held within ninety (90) days on the same day within each county, to determine the will of the people in each separate county.

(b) The county judge/executive shall in each county proposed for consolidation deliver a certified copy of the enacted ordinance or the final certified petition to the county clerk of the county in which the election is to be held. The county clerk in each county proposed for consolidation shall prepare the following question to be placed before the voters: "Are you in favor of being consolidated with the county (or counties) of ...., which will form a new county?" The advertisement of the election by the sheriff shall be in accordance with KRS 242.040. The advertisement shall include the date of the election and the question to be voted upon.

(c) If a simple majority of those persons voting in each county vote in favor of the consolidation, the counties shall become consolidated. If less than a simple majority of those persons voting in each county favor the consolidation, then the issue of consolidation will become void for all purposes in each county.

(5) All general costs associated with the conduct of special elections relating to a proposed consolidation of counties shall be paid by the state. The publication costs for legal public notice of the election and the costs for legal public notices in adjoining counties proposed for consolidation as required in subsection (2)(c) of this section shall be considered a general cost of the election, but no other advertising shall be paid for by state funds.

(6) Upon certification of an affirmative action to consolidate counties, no further action shall be made to alter the territory of the newly consolidated county for a period of ten (10) years.

SECTION 3. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO READ AS FOLLOWS:

The fiscal court of any new county created by the consolidation of two (2) or more counties shall not take any legal action until the expiration of the current terms of office of all elected county officials holding office when the counties were consolidated and the election and certification of the officials of the newly consolidated county. The officers of the newly consolidated county shall be elected and take office in the same manner and at the same time as other elected county officials.

SECTION 4. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO READ AS FOLLOWS:

(1) Upon certification of an election to consolidate counties, the county judge/executive of each county shall, within thirty (30) days after the certification, appoint six (6) voters from the county to serve as members of a transition committee for the purpose of dividing the area of the new county into districts for the election of members of the fiscal court for the new county. The appointments for each county shall be made so that they reflect as closely as possible the ratio of each of the two (2) major political parties to the total county population. The committee members representing each county shall begin meeting jointly within fifteen (15) days after their appointment and proceed to divide the area of the new county into not less than three (3) nor more than eight (8) magisterial districts, each to be as nearly equal in area and population as possible. The committee shall also select not fewer than two (2) names nor more than five (5) names for the new county, which shall be submitted to the voters for their selection at the same time as the election for the members of the new fiscal court. The report of the transition committee shall be filed with the county judge/executive of each consolidating county not less than sixty (60) days after the appointment of the members. The members of the transition committee shall select a chairman from among themselves to preside over the meetings of the group.

(2) If, at the expiration of sixty (60) days after the initial meeting of the transition committee, a majority of the members have failed to agree upon the selection of the names for the proposed county or failed to agree upon a plan to divide the new county into magisterial districts, the Governor shall appoint an additional person to act as chairman of the committee. The Governor's appointee shall not vote on any question except in the case of a tie vote, to aid in the

selection of the potential new county names, the formation of magisterial districts, or any other relevant issue for the ballot. The report of the committee shall be filed with the county judge/executive of each county not less than thirty (30) days after appointment of the new chairman.

SECTION 5. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO READ AS FOLLOWS:

(1) All taxes in effect in each county in the fiscal year immediately preceding the beginning of the term of the new fiscal court shall remain in effect until action is taken to change or remove them by the new fiscal court.

(2) The territory formerly embraced within each of the previously existing counties is hereby made into a separate special taxing district for the repayment of financial obligations and debts of the previously existing counties. The new fiscal court has the power to levy and collect taxes in these special taxing districts in addition to its other powers to levy and collect taxes. The separate debt of each special taxing district shall be a first lien on the territory formerly embraced within that previously existing county. The money collected as taxes for each of the special taxing districts shall be kept separate and shall first be used as payment of the debts of the previously existing county that formerly embraced the territory of that specific taxing district. The special taxing district shall cease to exist upon repayment of all debts and financial obligations of the previously existing county.

(3) Any surplus funds in existence in a county on the date of a consolidation shall be spent in the territory of the previously existing county in which the surplus funds were raised. The surplus funds shall first be expended towards the regular repayment of any financial obligations or debts of the territory formerly embraced within each of the previously existing counties that were to be paid in full within five (5) years. The schedule for the repayment of debts or financial obligations that were contracted for a period of more than five (5) years shall be at the discretion of the newly formed county. Any surplus funds remaining after the payment of obligations and debts shall be spent by the fiscal court of the newly formed county in the territory of the previously existing county from which the taxes were collected.

SECTION 6. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO READ AS FOLLOWS:

Voters shall select the county seat of the newly consolidated county from one (1) of the previously existing county seats. The question on the selection of the new county seat shall be submitted to the voters at the same time as the election for the members of the new fiscal court and the selection of the name for the newly consolidated county. The county seat shall remain at this location for a period of no less than ten (10) years, after which time the citizens may remove the county seat only as provided by KRS 67.020. The remaining county government buildings in the county seats of the previously existing counties shall be maintained as branch offices of the newly formed counties for a period of no less than ten (10) years, after which the fiscal court may make a decision as to their necessity and use.

SECTION 7. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO READ AS FOLLOWS:

Where the previously existing counties were in the same representative, senatorial, judicial, or congressional district or districts, or in the same judicial circuit or circuits, the newly consolidated county shall remain in the same district or circuit. Where the previously existing counties were not in the same judicial circuit or judicial district, the newly consolidated county shall be placed in the same circuit or district in which the previously existing county which had the largest population was located. If each of the previously existing counties was a separate district, the new county shall be divided into such districts, each district to be contiguous with the boundary lines of the previously existing counties.

SECTION 8. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO READ AS FOLLOWS:

The Department for Local Government shall promulgate administrative regulations in accordance with the provisions of KRS Chapter 13A to guarantee the awarding of preference points on applications for Small Cities Community Development Block Grant funds made by newly consolidated counties. HB 364, AN ACT relating to retirement.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 6.515 is amended to read as follows:

(1) Service credit in the Legislators' Retirement Plan shall be acquired only by service as a legislator after July 1, 1980, while a member of the plan, by transfer of credit as provided in KRS 6.505, or by purchase or transfer of credit as provided in this section.

(2) (a) 1. Any active member of the Legislators' Retirement Plan who has at least five (5) years of service credit in the Legislators' Retirement Plan, or his beneficiary acting in his place if the member dies prior to retirement, shall receive service credit for a maximum of four (4) years for his period of service in the Armed Forces of the United States, if his discharge therefrom is honorable and he has not been credited with the service by any other retirement system administered by the Commonwealth of Kentucky, by paying the retirement system thirty-five percent (35%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The service credit shall be awarded and the cost shall be determined in conformity with the rate which applies to the legislator in question under KRS 6.520. Service credit awarded under this subsection shall be equivalent, for all purposes of the Legislators' Retirement Plan, to other service credit earned in the plan.

2. Any active member of the Legislators' Retirement Plan who has at least five (5) years of service credit in the Legislators' Retirement Plan may purchase and receive service credit for one (1) month of service for each six (6) months of service in the reserves or the National Guard by paying the retirement system one hundred percent (100%) of the actuarial cost of the service as determined by the board of trustees, based on the assumptions used in the most recent biennial evaluation. The service credit shall be awarded and the cost shall be determined in conformity with the rate that applies to the legislator in question under KRS 6.520. Service credit awarded as provided in this subsection shall be equivalent, for all purposes of the Legislators' Retirement Plan, to other service credit earned in the plan. The service in the military reserves or the National Guard shall be treated as service earned prior to participation in the plan. The purchase can be made by the member by transfer, if authorized under subsection (7)(d) of this section, or in a lump-sum payment or by installment payments, as set forth in paragraph (b) of this subsection. The payment shall not be picked up by the employer as provided in KRS 6.505(2).

(b) The member may purchase all of his military service credit at one (1) time, or in increments of no less than one (1) year, unless there is a fraction remaining after all full years have been paid for. Payment of the total or the increment may be made by lump-sum or by monthly installments through payroll deduction. If the member chooses to pay by installment, the cost of the service credit shall be computed in the same manner as for a lump-sum payment, which shall be the principal. Interest, at the annual actuarial rate in effect at the time each payment is made, shall be added to each monthly payment at the rate of one-twelfth (1/12) of the annual interest rate applied to the declining principal amount. Installment purchases shall be for no less than twelve (12) nor more than sixty (60) months. If the member leaves office before completing his installment payments, he may satisfy his contract by a lump-sum payment of the remaining principal amount, but no further installment payments shall be accepted thereafter. In this case, the member shall be credited with the military service credit for which he has paid, in years or months but no fraction less than a full month, and any payment remaining after credit for full months has been awarded shall be returned to the member.

(c) The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer under KRS 6.505(2).

(3)[~~If spouses both serve in the General Assembly, but not simultaneously, they may combine their service credit in the Legislators' Retirement Plan for all purposes of that plan into a single account, and may jointly designate to whom the service retirement allowance shall be paid. The designation shall not be changed once it is made. Assuming equal service credit, the benefits paid, under this section, to a legislator and his or her spouse who also served as a legislator shall not exceed the benefits that the same legislator and his or her spouse would receive if the spouse had not served as a legislator.~~

~~(4)~~] In the event of divorce, rights to benefits shall be considered marital property subject to the provisions of KRS 403.190.

[~~(5) A former legislator whose spouse currently serves in the General Assembly and who received a refund of contributions under KRS 21.460 may repurchase service credit which he or she previously had by repaying the amount refunded with interest at six percent (6%) per annum, and the service credit shall become part of the single account authorized by subsection (3) of this section.~~]

(4)[~~(6)~~] A member who has qualified for benefits under KRS 6.525(1) may transfer to the Legislators' Retirement Plan up to ten (10) years of service credit which he has earned in a retirement system administered by Kentucky Retirement Systems. If the member elects to transfer his service credit, the system from which the transfer is made shall transfer to the legislators' retirement fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to date of transfer at the actuarially assumed interest rate of the system from which the transfer is made in effect at the time the contributions were made, compounded annually at that same interest rate. The member shall be entitled to the transferred service credit, at the rate at which he qualifies under KRS 6.520, when he pays the total difference between the amount of the funds transferred and the cost of the credit to the Legislators' Retirement Plan, as determined by the actuary for the Legislators' Retirement Plan. The member may pay by transfer, if authorized under subsection (7)(d) of this section, by lump sum, or by increments, as provided for in this section. The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer under KRS 6.505(2).

(5)[~~(7)~~] (a) Any active member of the Legislators Retirement Plan who is vested in the Legislators Retirement Plan under KRS 6.525 shall receive service credit for a maximum of four (4) years each for his period of service as a Domestic Relations Commissioner, a Master Commissioner, or a District Court Trial Commissioner of the Commonwealth of Kentucky, or a combination thereof, if the service has not been credited to the member's account with any other public defined benefit plan, by paying the retirement system one hundred percent (100%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The period of service to be purchased shall be certified to the board of trustees by the custodian of the records. The service credit shall be awarded and the cost shall be determined in conformity with the rate that applies to the member in question under KRS 6.520. Service credit awarded under this subsection shall be equivalent, for all purposes of the Legislators Retirement Plan, to other service credit earned in the plan. The member may pay by transfer, by lump sum, or by increments as set forth in this section. The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer under KRS 6.505(2).

(b) Any active member of the Legislators Retirement Plan who is vested in the Legislators Retirement Plan under KRS 6.525, shall receive service credit for his period of service to the United States Government, other than service in the Armed Forces, if the service has not been credited to the member's account with any otner public defined benefit plan, by paying the retirement system one hundred percent (100%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The period of service to be purchased shall be certified to the board of trustees by the custodian of the records. The service credit shall be awarded and the cost shall be determined in conformity with the rate that applies to the member in question under KRS 6.520. Service credit awarded under this subsection shall be equivalent, for all purposes of the Legislators Retirement Plan, to other service credit earned in the plan. The member may pay by transfer, by lump sum, or by increments as set forth in this section. The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer under KRS 6.505(2).

(c) Any member of the Legislators Retirement Plan, who is in office on June 21, 2001, and who is in active contributing status to the applicable retirement plan on June 21, 2001, and who has at least two hundred forty (240) months of service credit may purchase a combined maximum total of five (5) years of retirement service credit that is not otherwise purchasable, by paying the retirement system one hundred percent (100%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The member shall be entitled to the service credit at the rate at which he qualifies under KRS 6.520. Service credit awarded under this subsection shall be equivalent, for all purposes of the Legislators Retirement Plan, to other service credit earned in the plan. The member may pay by transfer, by lump sum, or by increments as set forth in this section. The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer under KRS 6.505(2).

(d) A member of the Legislators Retirement Plan may purchase service credit under the provisions of this section by transferring funds through a direct trustee-to-trustee transfer as permitted under the applicable sections of the Internal Revenue Code and any regulations or rulings issued thereunder or through a direct rollover as contemplated by and permitted under 26 U.S.C. sec. 401(a)(31) and any regulations or rulings issued thereunder. Service credit may also be purchased by a rollover of funds pursuant to and permitted under the rules specified in 26 U.S.C. sec. 402(c) and 26 U.S.C. sec. 408(d)(3). The Legislators Retirement Fund shall accept the transfer or rollover to the extent permitted under the rules specified in the applicable provisions of the Internal Revenue Code and any regulations and rulings issued thereunder. The amount shall be credited to the individual member's contribution account and shall be considered accumulated contributions of the member and shall not be picked up by the employer under KRS 6.505(2).

Section 2. KRS 6.520 is amended to read as follows:

For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the member for services as a legislator for the sixty (60) months of service immediately preceding retirement, except that in the case of a legislator who retires pursuant to KRS 21.410 or who dies in office, "final compensation" shall be ***the assumed salary in KRS 61.510(13)***[~~two thousand two hundred ninety-one dollars sixty six cents ($2,291.66)~~].

(a) KRS 21.400(1) and any other provision in KRS Chapter 21 to the contrary notwithstanding, a member who retires at a time when combining his total years of judicial service credit and his age equals or exceeds the number seventy-five (75), may elect, within ninety (90) days following retirement, to participate in the "Senior Status Program for Special Judges," if he complies with the provisions of this subsection. In that event, the member shall be entitled to a service retirement allowance, commencing at the member's normal retirement age, payable monthly during his lifetime in an amount equal to five percent (5%) of his final compensation multiplied by the number of years of his judicial service, not to exceed twenty (20) years of judicial service at the five percent (5%) factor, not to exceed one hundred percent (100%) of final compensation. "Final compensation", notwithstanding any provision to the contrary, for all members retiring under any provision of KRS 21.345 to 21.570 or this section, or similar statutes governing the same positions, as defined in KRS 21.400 shall be based on a period of thirty-six (36) months. Any nonjudicial time shall be counted as is otherwise provided in KRS Chapter 21, but in no event shall service retirement allowance exceed one hundred percent (100%) of final compensation.

1. In the event the retiring judge elects to retire as a "Senior Status Special Judge" under this subsection, he shall commit to serve, upon appointment by the Chief Justice of the Commonwealth, as special judge for one hundred twenty (120) work days per year for a term of five (5) years without compensation other than the retirement benefits under this subsection. The Senior Status Special Judge may agree to work more than one hundred twenty (120) days in any year within the five (5) years of service; however, the Senior Status Special Judge shall be compensated as otherwise provided by law, in addition to his retirement benefits, for

any days served in excess of one hundred twenty (120) in that year. If the Senior Status Special Judge has not served a total of six hundred (600) days within the five (5) year period outlined in this subsection, the Chief Justice shall require the Senior Status Special Judge to serve at no additional compensation to the Senior Status Special Judge, until the six hundred (600) day period is served by the Senior Status Special Judge. The Senior Status Special Judge and the Chief Justice may agree in writing to serve less than the one hundred twenty (120) days in any one (1) or more of the five (5) years; however, any of the days not served in a given year shall be served at the end of the five (5) year period set forth in this subsection.

2. Should any member electing to retire under the Senior Status Program for Special Judges fail, when ordered by the Chief Justice to serve the requisite number of days not to exceed one hundred twenty (120) days a year for the five (5) year period outlined in this subsection, unless otherwise agreed in writing, he shall no longer be eligible for benefits computed under this subsection and shall return to the benefits otherwise provided under this chapter.

3. Subject to Section 110(5)(b) of the Kentucky Constitution, the Chief Justice shall give due regard, when practical, to the desirability of appointing Senior Status Special Judges to serve within their judicial region as defined by the regional administration charter.

(b) The inviolable contract provisions of Kentucky law, KRS 21.480, shall apply during the period of time that KRS 21.580 is effective; however, no other provisions of 2000 Ky. Acts ch. 305 shall be considered subject to an inviolable contract of the Commonwealth.

(c) Nothing contained in this section shall be construed to invalidate provisions in the current law which require a penalty for retiring before the normal retirement age.

(2) The Senior Status Program for Special Judges created by this section shall be open to any member who is a judge in office on ***the effective date of this Act***[~~July 14, 2000~~], and who subsequently retires as a Senior Status Special Judge on or before January 31, 2009.

The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer. Payment may be by lump sum, or the employee may pay by increments.

(9) (a) Effective August 1, 1980, any county participating in the County Employees Retirement System may purchase current service, between July 1, 1958, and participation date of the county, for present employees of the county who have obtained coverage under KRS 78.540(2);

The county shall establish a payment schedule subject to approval by the board for payment of the service credit. If the average number of hours of work is less than one hundred (100) per month, the member shall be allowed credit only for those months he receives creditable compensation for one hundred hours of work. The cost will be determined as a delayed contribution payment for the period of time involved, which shall not be picked up by the employer as described in KRS 61.560(4).

(b) Any noncertified employee of a school board who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) in the systems administered by Kentucky Retirement Systems may purchase service credit for part-time employment prior to the 1990-91 school year which averaged eighty (80) or more hours of work per month on a calendar or fiscal year basis by paying to the County Employees Retirement System a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 78.610(4), by the employer. Payment may be by lump sum or the employee may pay by increments. If the average number of hours of work is less than eighty (80) per month, the noncertified employee of a school board shall be allowed credit only for those months he receives creditable compensation for eighty (80) hours of work. The cost will be determined as a delayed contribution payment, which shall not be picked up by the employer as described in KRS 78.610(4).

(13) A retired member, who is contributing to one (1) of the state-administered retirement programs under the provisions of KRS 61.637(1) to (4) and purchases service credit under this section in the system or systems from which he is retired, shall have his retirement allowance recomputed:

(a) Upon termination from employment, if the member is contributing to the same system or systems from which he was retired; or

(b) Upon completion of six (6) months' service credit as required under subsection (6) of this section, if the member is contributing to a system other than the system or systems from which he is retired.

(14) Any employee participating in one (1) of the systems administered by Kentucky Retirement Systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) in the systems administered by Kentucky Retirement Systems may obtain credit for prior or current service for any period of approved educational leave, or for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, by paying to the respective retirement system a delayed contribution payment. The employee may also obtain credit for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, but only if the Kentucky Retirement Systems receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(15) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) in the systems administered by Kentucky Retirement Systems may obtain credit for prior or current service for any period of approved maternity leave, unpaid leave authorized under the Federal Family and Medical Leave Act, or for any period of approved sick leave without pay, by paying to the respective retirement system a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(16) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by making installment payments in lieu of a lump-sum payment.

(a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. Once multiple service purchases have been combined in an installment purchase, the employee may not separate the purchases or pay a portion of one (1) of the purchases. The employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal.

(b) One (1) year of installment payments shall be made for each one thousand dollars ($1,000) or any part thereof of the total cost, except that the total period allowed for installments shall not be less than one (1) year and shall not exceed five (5) years.

(c) The employee shall pay the installments by payroll deduction. Upon notification by the retirement system, the employer shall report the installment payments either monthly or semimonthly continuously over each twelve (12) month period at the same time as, but separate from, regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.

(d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.

(e) If the employee elects to stop the installment payments, ***dies, retires, or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary,***~~[the employee]~~ shall have sixty (60) days to pay the remaining principal of the purchase by lump sum, ***except that payment by the member shall be made prior to the effective retirement date***. If the ***member or beneficiary***~~[employee]~~ does not pay the remaining cost~~[or if the employee dies, retires, or does not continue employment in a position required to participate in the retirement system]~~, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(f) If the employer does not report installment payments on an employee for sixty (60) days, except in the case of employees on military leave or sick leave without pay, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased. Installment payments of employees on military leave or sick leave without pay shall be suspended during the period of leave and shall resume without recalculation upon the employee's return from leave.

(g) If payments have ceased under paragraph (e) or (f) of this subsection and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.

(17) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by transferring funds through a direct trustee-to-trustee transfer as permitted under the applicable sections of the Internal Revenue Code and any regulations or rulings issued thereunder, or through a direct rollover as contemplated by and permitted under 26 U.S.C. sec. 401(a)(31) and any regulations or rulings issued thereunder. Service credit may also be purchased by a rollover of funds pursuant to and permitted under the rules specified in 26 U.S.C. sec. 402(c) and 26 U.S.C. sec. 408(d)(3). The Kentucky Retirement Systems shall accept the transfer or rollover to the extent permitted under the rules specified in the applicable provisions of the Internal Revenue Code and any regulations and rulings issued thereunder. The amount shall be credited to the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member.

The employee shall pay a delayed contribution payment. Payment may be by lump sum, or the employee may pay by increments. The employee may transfer funds directly from the other state's plan if eligible to the

extent permitted under subsection (17) of this section and to the extent permitted by the other state's laws and shall provide proof that he is not eligible for a retirement benefit for the period of service from the other state's plan.

(19) After August 1, 1998, any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems, who has sixty (60) or more months of service in the State Police Retirement System or in a hazardous position in the Kentucky Employees Retirement System or the County Employees Retirement System, may purchase credit in the system in which the employee has the sixty (60) months of service credit for up to ten (10) years of service in a regular full-time position that was credited to a defined benefit retirement plan administered by a state or local government in another state, if the service could be certified as hazardous pursuant to KRS 61.592. The employee shall pay a delayed contribution payment. Payment may be by lump sum or by increments. The employee may transfer funds directly from the other unit of government's plan if eligible to the extent permitted under subsection (17) of this section and to the extent permitted by the other state's laws, and the employee shall provide proof that he is not eligible for a retirement benefit for the period of service from the other unit of government's plan.

The cost of the service shall be a delayed contribution payment, which shall not be picked up by the employer as described in KRS 61.560(4).

(23) (a) Any person who is entitled to service credit for employment which was not reported in accordance with KRS 16.543, 61.543, or KRS 78.615 may obtain credit for the service by paying the employee contributions due within six (6) months of notification by the system. No interest shall be added to the contributions. The service credit shall not be credited to the member's account until the employer contributions are received. If a retired member makes the payment within six (6) months, the retired member's retirement allowance shall be adjusted to reflect the added service after the employer contributions are received by the retirement system.
